LEGISLATIVE COUNSEL'S DIGEST

AB 2063, as amended, Gallagher. Work-based learning opportunities: work experience education, registered student apprentices, *education* and job shadowing.

Existing law authorizes a school district to offer work experience education, and requires a pupil to be at least 16 years of age to receive credit for completing a work experience education program, except under specified circumstances. Existing law specifies that a pupil may participate in a job shadowing experience for a maximum of 40 25 hours in one semester.
