An act to amend Section 14005.37 of, and to add Section 15927 to, the Welfare and Institutions Code, relating to public health.

LEGISLATIVE COUNSEL'S DIGEST

AB 2077, as amended, Burke. Health Care Eligibility, Enrollment, and Retention Act.

Existing law establishes various programs to provide health care coverage to persons with limited financial resources, including the Medi-Cal program and the state's children's health insurance program (CHIP). Existing law establishes the California Health Benefit Exchange (Exchange), pursuant to the federal Patient Protection and Affordable Care Act, and specifies the duties and powers of the board governing the Exchange relative to determining eligibility for enrollment in the Exchange and arranging for coverage under qualified health plans through the Exchange.

Existing law, the Health Care Reform Eligibility, Enrollment, and Retention Planning Act, requires an individual to have the option to apply for insurance affordability programs in person, by mail, online, by telephone, or by other commonly available electronic means. Existing law defines "insurance affordability programs" to include the Medi-Cal program, CHIP, and a program that makes available to qualified

individuals coverage in a qualified health benefit plan through the Exchange with advance payment of the premium tax credit established under a specified provision of the Internal Revenue Code and a cost-sharing reduction under a specified provision of federal law. During the processing of an application, renewal, or a transition due to a change in circumstances, existing law requires an entity making eligibility determinations for an insurance affordability program to ensure that an eligible applicant and recipient of those programs that meets all program eligibility requirements and complies with all necessary requirements for information moves between programs without any breaks in coverage and without being required to provide any forms, documents, or other information or undergo verification that is duplicative or otherwise unnecessary.

This bill would establish procedures to ensure that eligible recipients of insurance affordability programs move between the Medi-Cal program and other insurance affordability programs without any breaks in coverage as required under the provision described above. The bill would require an individual's case information and eligibility determination to be sent to his or her county of residence within 3 business days if the individual *who has been enrolled in a qualified health plan through the Exchange* is determined newly eligible for Medi-Cal through the California Healthcare Eligibility, Enrollment and Retention System (CalHEERS). The bill would require those cases to be processed by the county according to specified timelines. ~~The bill would establish different enrollment procedures to be followed for those counties that provide Medi-Cal services under the two-plan model or the geographic managed care plan model, or a county organized health system, as specified.~~

The bill would generally prohibit, if an individual is eligible to enroll in a qualified health plan through the Exchange, Medi-Cal benefits from being terminated until at least 20 days after the county sends the notice of action terminating Medi-Cal eligibility, and would require the notice of action to inform the individual of the date by which he or she must select and enroll in a qualified health benefit plan through the Exchange, as specified. The bill would provide that this provision shall only be implemented to the extent that federal financial participation is available.

By modifying the enrollment process under the Medi-Cal program, thereby increasing the responsibilities of counties in the administration of the Medi-Cal program, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: yes.

*The people of the State of California do enact as follows:*

1 SECTION 1. It is the intent of the Legislature, with the  
2 enactment of this act, to establish procedures to ensure that  
3 individuals move between Medi-Cal and the California Health  
4 Benefit Exchange without any breaks in coverage as required under  
5 subdivision (h) of Section 15926 of the Welfare and Institutions  
6 Code.

7 SEC. 2. Section 14005.37 of the Welfare and Institutions Code  
8 is amended to read:

9 14005.37. (a) Except as provided in Section 14005.39, a county  
10 shall perform redeterminations of eligibility for Medi-Cal  
11 beneficiaries every 12 months and shall promptly redetermine  
12 eligibility whenever the county receives information about changes  
13 in a beneficiary's circumstances that may affect eligibility for  
14 Medi-Cal benefits. The procedures for redetermining Medi-Cal  
15 eligibility described in this section shall apply to all Medi-Cal  
16 beneficiaries.

17 (b) Loss of eligibility for cash aid under that program shall not  
18 result in a redetermination under this section unless the reason for  
19 the loss of eligibility is one that would result in the need for a  
20 redetermination for a person whose eligibility for Medi-Cal under  
21 Section 14005.30 was determined without a concurrent  
22 determination of eligibility for cash aid under the CalWORKs  
23 program.

24 (c) A loss of contact, as evidenced by the return of mail marked  
25 in such a way as to indicate that it could not be delivered to the  
26 intended recipient or that there was no forwarding address, shall  
27 require a prompt redetermination according to the procedures set  
28 forth in this section.

1 (d) Except as otherwise provided in this section, Medi-Cal  
2 eligibility shall continue during the redetermination process  
3 described in this section and a beneficiary's Medi-Cal eligibility  
4 shall not be terminated under this section until the county makes  
5 a specific determination based on facts clearly demonstrating that  
6 the beneficiary is no longer eligible for Medi-Cal benefits under  
7 any basis and due process rights guaranteed under this division  
8 have been met. For the purposes of this subdivision, for a  
9 beneficiary who is subject to the use of MAGI-based financial  
10 methods, the determination of whether the beneficiary is eligible  
11 for Medi-Cal benefits under any basis shall include, but is not  
12 limited to, a determination of eligibility for Medi-Cal benefits on  
13 a basis that is exempt from the use of MAGI-based financial  
14 methods only if either of the following occurs:

15 (1) The county assesses the beneficiary as being potentially  
16 eligible under a program that is exempt from the use of  
17 MAGI-based financial methods, including, but not limited to, on  
18 the basis of age, blindness, disability, or the need for long-term  
19 care services and supports.

20 (2) The beneficiary requests that the county determine whether  
21 he or she is eligible for Medi-Cal benefits on a basis that is exempt  
22 from the use of MAGI-based financial methods.

23 (e) (1) For purposes of acquiring information necessary to  
24 conduct the eligibility redeterminations described in this section,  
25 a county shall gather information available to the county that is  
26 relevant to the beneficiary's Medi-Cal eligibility prior to contacting  
27 the beneficiary. Sources for these efforts shall include information  
28 contained in the beneficiary's file or other information, including  
29 more recent information available to the county, including, but not  
30 limited to, Medi-Cal, CalWORKs, and CalFresh case files of the  
31 beneficiary or of any of his or her immediate family members,  
32 which are open, or were closed within the last 90 days, information  
33 accessed through any databases accessed under Sections 435.948,  
34 435.949, and 435.956 of Title 42 of the Code of Federal  
35 Regulations, and wherever feasible, other sources of relevant  
36 information reasonably available to the county or to the county  
37 via the department.

38 (2) In the case of an annual redetermination, if, based upon  
39 information obtained pursuant to paragraph (1), the county is able

1 to make a determination of continued eligibility, the county shall  
2 notify the beneficiary of both of the following:

3 (A) The eligibility determination and the information it is based  
4 on.

5 (B) That the beneficiary is required to inform the county via the  
6 Internet, by telephone, by mail, in person, or through other  
7 commonly available electronic means, in counties where such  
8 electronic communication is available, if any information contained  
9 in the notice is inaccurate but that the beneficiary is not required  
10 to sign and return the notice if all information provided on the  
11 notice is accurate.

12 (3) The county shall make all reasonable efforts not to send  
13 multiple notices during the same time period about eligibility. The  
14 notice of eligibility renewal shall contain other related information  
15 such as if the beneficiary is in a new Medi-Cal program.

16 (4) In the case of a redetermination due to a change in  
17 circumstances, if a county determines that the change in  
18 circumstances does not affect the beneficiary's eligibility status,  
19 the county shall not send the beneficiary a notice unless required  
20 to do so by federal law.

21 (f) (1) In the case of an annual eligibility redetermination, if  
22 the county is unable to determine continued eligibility based on  
23 the information obtained pursuant to paragraph (1) of subdivision  
24 (e), the beneficiary shall be so informed and shall be provided with  
25 an annual renewal form, at least 60 days before the beneficiary's  
26 annual redetermination date, that is prepopulated with information  
27 that the county has obtained and that identifies any additional  
28 information needed by the county to determine eligibility. The  
29 form shall include all of the following:

30 (A) The requirement that he or she provide any necessary  
31 information to the county within 60 days of the date that the form  
32 is sent to the beneficiary.

33 (B) That the beneficiary may respond to the county via the  
34 Internet, by mail, by telephone, in person, or through other  
35 commonly available electronic means if those means are available  
36 in that county.

37 (C) That if the beneficiary chooses to return the form to the  
38 county in person or via mail, the beneficiary shall sign the form  
39 in order for it to be considered complete.

1 (D) The telephone number to call in order to obtain more  
2 information.

3 (2) The county shall attempt to contact the beneficiary via the  
4 Internet, by telephone, or through other commonly available  
5 electronic means, if those means are available in that county, during  
6 the 60-day period after the prepopulated form is mailed to the  
7 beneficiary to collect the necessary information if the beneficiary  
8 has not responded to the request for additional information or has  
9 provided an incomplete response.

10 (3) If the beneficiary has not provided any response to the  
11 written request for information sent pursuant to paragraph (1)  
12 within 60 days from the date the form is sent, the county shall  
13 terminate his or her eligibility for Medi-Cal benefits following the  
14 provision of timely notice.

15 (4) If the beneficiary responds to the written request for  
16 information during the 60-day period pursuant to paragraph (1)  
17 but the information provided is not complete, the county shall  
18 follow the procedures set forth in paragraph (3) of subdivision (g)  
19 to work with the beneficiary to complete the information.

20 (5) (A) The form required by this subdivision shall be developed  
21 by the department in consultation with the counties and  
22 representatives of eligibility workers and consumers.

23 (B) For beneficiaries whose eligibility is not determined using  
24 MAGI-based financial methods, the county may use existing  
25 renewal forms until the state develops prepopulated renewal forms  
26 to provide to beneficiaries. The department shall develop  
27 prepopulated renewal forms for use with beneficiaries whose  
28 eligibility is not determined using MAGI-based financial methods  
29 by January 1, 2015.

30 (g) (1) In the case of a redetermination due to change in  
31 circumstances, if a county cannot obtain sufficient information to  
32 redetermine eligibility pursuant to subdivision (e), the county shall  
33 send to the beneficiary a form that is prepopulated with the  
34 information that the county has obtained and that states the  
35 information needed to renew eligibility. The county shall only  
36 request information related to the change in circumstances. The  
37 county shall not request information or documentation that has  
38 been previously provided by the beneficiary, that is not absolutely  
39 necessary to complete the eligibility determination, or that is not  
40 subject to change. The county shall only request information for

1 nonapplicants necessary to make an eligibility determination or  
2 for a purpose directly related to the administration of the state  
3 Medicaid plan. The form shall advise the individual to provide  
4 any necessary information to the county via the Internet, by  
5 telephone, by mail, in person, or through other commonly available  
6 electronic means and, if the individual will provide the form by  
7 mail or in person, to sign the form. The form shall include a  
8 telephone number to call in order to obtain more information. The  
9 form shall be developed by the department in consultation with  
10 the counties, representatives of consumers, and eligibility workers.

11 A Medi-Cal beneficiary shall have 30 days from the date the form  
12 is mailed pursuant to this subdivision to respond. Except as  
13 provided in paragraph (2), failure to respond prior to the end of  
14 this 30-day period shall not impact his or her Medi-Cal eligibility.

15 (2) If the purpose for a redetermination under this section is a  
16 loss of contact with the Medi-Cal beneficiary, as evidenced by the  
17 return of mail marked in such a way as to indicate that it could not  
18 be delivered to the intended recipient or that there was no  
19 forwarding address, a return of the form described in this  
20 subdivision marked as undeliverable shall result in an immediate  
21 notice of action terminating Medi-Cal eligibility.

22 (3) During the 30-day period after the date of mailing of a form  
23 to the Medi-Cal beneficiary pursuant to this subdivision, the county  
24 shall attempt to contact the beneficiary by telephone, in writing,  
25 or other commonly available electronic means, in counties where  
26 such electronic communication is available, to request the  
27 necessary information if the beneficiary has not responded to the  
28 request for additional information or has provided an incomplete  
29 response. If the beneficiary does not supply the necessary  
30 information to the county within the 30-day limit, a 10-day notice  
31 of termination of Medi-Cal eligibility shall be sent.

32 (h) Beneficiaries shall be required to report any change in  
33 circumstances that may affect their eligibility within 10 calendar  
34 days following the date the change occurred.

35 (i) If within 90 days of termination of a Medi-Cal beneficiary's  
36 eligibility or a change in eligibility status pursuant to this section,  
37 the beneficiary submits to the county a signed and completed form  
38 or otherwise provides the needed information to the county,  
39 eligibility shall be redetermined by the county and if the beneficiary  
40 is found eligible, or the beneficiary's eligibility status has not

1 changed, whichever applies, the termination shall be rescinded as  
2 through the form were submitted in a timely manner.

3 (j) If the information available to the county pursuant to the  
4 redetermination procedures of this section does not indicate a basis  
5 of eligibility, Medi-Cal benefits may be terminated so long as due  
6 process requirements have otherwise been met.

7 (k) The department shall, with the counties and representatives  
8 of consumers, including those with disabilities, and Medi-Cal  
9 eligibility workers, develop a timeframe for redetermination of  
10 Medi-Cal eligibility based upon disability, including ex parte  
11 review, the redetermination forms described in subdivisions (f)  
12 and (g), timeframes for responding to county or state requests for  
13 additional information, and the forms and procedures to be used.  
14 The forms and procedures shall be as consumer-friendly as possible  
15 for people with disabilities. The timeframe shall provide a  
16 reasonable and adequate opportunity for the Medi-Cal beneficiary  
17 to obtain and submit medical records and other information needed  
18 to establish eligibility for Medi-Cal based upon disability.

19 (l) The county shall consider blindness as continuing until the  
20 reviewing physician determines that a beneficiary's vision has  
21 improved beyond the applicable definition of blindness contained  
22 in the plan.

23 (m) The county shall consider disability as continuing until the  
24 review team determines that a beneficiary's disability no longer  
25 meets the applicable definition of disability contained in the plan.

26 (n) In the case of a redetermination due to a change in  
27 circumstances, if a county determines that the beneficiary remains  
28 eligible for Medi-Cal benefits, the county shall begin a new  
29 12-month eligibility period.

30 (o) (1) For individuals determined ineligible for Medi-Cal by  
31 a county following the redetermination procedures set forth in this  
32 section, the county shall determine eligibility for other insurance  
33 affordability programs and if the individual is found to be eligible,  
34 the county shall, as appropriate, transfer the individual's electronic  
35 account to other insurance affordability programs via a secure  
36 electronic interface.

37 (2) If the individual is eligible to enroll in a qualified health  
38 plan through the California Health Benefit Exchange established  
39 pursuant to Title 22 (commencing with Section 100500) of the  
40 Government Code, Medi-Cal benefits shall not be terminated until

1 at least 20 days after the county sends the notice of action  
2 terminating Medi-Cal eligibility. The notice of action shall inform  
3 the individual of the date by which he or she must select and enroll  
4 in a qualified health plan through the Exchange to avoid being  
5 uninsured. If the individual has effectuated his or her enrollment  
6 in a qualified health plan through the Exchange before the  
7 termination date specified in the notice, Medi-Cal eligibility shall  
8 be terminated as of the date of enrollment in the qualified health  
9 plan. This paragraph shall only be implemented to the extent that  
10 federal financial participation is available.

11 (p) Any renewal form or notice shall be accessible to persons  
12 who are limited-English proficient and persons with disabilities  
13 consistent with all federal and state requirements.

14 (q) The requirements to provide information in subdivisions (e)  
15 and (g), and to report changes in circumstances in subdivision (h),  
16 may be provided through any of the modes of submission allowed  
17 in Section 435.907(a) of Title 42 of the Code of Federal  
18 Regulations, including an Internet Web site identified by the  
19 department, telephone, mail, in person, and other commonly  
20 available electronic means as authorized by the department.

21 (r) Forms required to be signed by a beneficiary pursuant to this  
22 section shall be signed under penalty of perjury. Electronic  
23 signatures, telephonic signatures, and handwritten signatures  
24 transmitted by electronic transmission shall be accepted.

25 (s) For purposes of this section, “MAGI-based financial  
26 methods” means income calculated using the financial  
27 methodologies described in Section 1396a(e)(14) of Title 42 of  
28 the United States Code, and as added by the federal Patient  
29 Protection and Affordable Care Act (Public Law 111-148), as  
30 amended by the federal Health Care and Education Reconciliation  
31 Act of 2010 (Public Law 111-152), and any subsequent  
32 amendments.

33 (t) When contacting a beneficiary under paragraphs (2) and (4)  
34 of subdivision (f), and paragraph (3) of subdivision (g), a county  
35 shall first attempt to use the method of contact identified by the  
36 beneficiary as the preferred method of contact, if a method has  
37 been identified.

38 (u) The department shall seek federal approval to extend the  
39 annual redetermination date under this section for a three-month  
40 period for those Medi-Cal beneficiaries whose annual

1 redeterminations are scheduled to occur between January 1, 2014,  
2 and March 31, 2014.

3 (v) Notwithstanding Chapter 3.5 (commencing with Section  
4 11340) of Part 1 of Division 3 of Title 2 of the Government Code,  
5 the department, without taking any further regulatory action, shall  
6 implement, interpret, or make specific this section by means of  
7 all-county letters, plan letters, plan or provider bulletins, or similar  
8 instructions until the time regulations are adopted. The department  
9 shall adopt regulations by July 1, 2017, in accordance with the  
10 requirements of Chapter 3.5 (commencing with Section 11340) of  
11 Part 1 of Division 3 of Title 2 of the Government Code. Beginning  
12 six months after the effective date of this section, and  
13 notwithstanding Section 10231.5 of the Government Code, the  
14 department shall provide a status report to the Legislature on a  
15 semiannual basis, in compliance with Section 9795 of the  
16 Government Code, until regulations have been adopted.

17 (w) This section shall be implemented only if and to the extent  
18 that federal financial participation is available and any necessary  
19 federal approvals have been obtained.

20 SEC. 3. Section 15927 is added to the Welfare and Institutions  
21 Code, immediately following Section 15926, to read:

22 15927. (a) If an individual who has been enrolled in a qualified  
23 health plan through the Exchange is determined newly eligible for  
24 Medi-Cal through the California Healthcare Eligibility, Enrollment  
25 and Retention System (CalHEERS) developed under Section  
26 15926, the individual's case information and eligibility  
27 determination shall be sent to his or her county of residence within  
28 three business days.

29 (b) (1) Cases received by the county prior to the 15th day of  
30 the month shall be processed for final Medi-Cal eligibility by the  
31 county by the end of that month.

32 (2) Cases received by the county after the 15th day of the month  
33 shall be processed for final Medi-Cal eligibility by the 15th day  
34 of the following month.

35 ~~(e) An individual described in subdivision (a) who is newly~~  
36 ~~eligible for Medi-Cal shall be enrolled in the Medi-Cal program~~  
37 ~~according to the following procedures:~~

38 ~~(1) In a county that provides Medi-Cal services under the~~  
39 ~~two-plan model or the geographic managed care plan model~~  
40 ~~pursuant to Article 2.7 (commencing with Section 14087.3), Article~~

1 ~~2.81 (commencing with Section 14087.96), and Article 2.91~~  
2 ~~(commencing with Section 14089), the individual shall be enrolled~~  
3 ~~in a Medi-Cal managed care plan according to either of the~~  
4 ~~following:~~

5 ~~(A) If the qualified health plan the individual was enrolled in~~  
6 ~~through the Exchange is an available Medi-Cal managed care plan~~  
7 ~~in his or her county and that plan has the same or substantially~~  
8 ~~similar provider network, the individual shall be assigned to that~~  
9 ~~plan.~~

10 ~~(B) The individual shall be assigned to a plan using the usual~~  
11 ~~Medi-Cal managed care default algorithm.~~

12 ~~(2) In a county that provides Medi-Cal services under a county~~  
13 ~~organized health system pursuant to Article 2.8 (commencing with~~  
14 ~~Section 14087.5), the individual shall be enrolled into the county~~  
15 ~~organized health system plan on the first date of Medi-Cal coverage~~  
16 ~~and shall be sent the provider directory for the managed care plan.~~

17 SEC. 4. If the Commission on State Mandates determines that  
18 this act contains costs mandated by the state, reimbursement to  
19 local agencies and school districts for those costs shall be made  
20 pursuant to Part 7 (commencing with Section 17500) of Division  
21 4 of Title 2 of the Government Code.
