

AMENDED IN SENATE JUNE 15, 2016

AMENDED IN ASSEMBLY APRIL 14, 2016

CALIFORNIA LEGISLATURE—2015–16 REGULAR SESSION

ASSEMBLY BILL

No. 2116

Introduced by Assembly Member Gallagher
(Coauthors: Assembly Members Brough and Harper)
(Coauthor: Senator Nielsen)

February 17, 2016

An act to amend Section 15100 of the Education Code, relating to school bonds.

LEGISLATIVE COUNSEL'S DIGEST

AB 2116, as amended, Gallagher. School bonds: projections of assessed property valuations.

Existing law authorizes the governing board of any school district or community college district to order an election and submit to the electors of the district the question whether the bonds of the district should be issued and sold for the purpose of raising money for specified purposes, including, among other things, the supplying of school buildings and grounds with furniture, equipment, or necessary apparatus of a permanent nature.

This bill would require the governing board of a school district *and the governing board of a community college district* to obtain reasonable and informed projections of assessed property valuations that take into consideration projections of assessed property valuations made by the county assessor. The bill would also delete obsolete references and make other nonsubstantive changes.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:
