CALIFORNIA LEGISLATURE—2015–16 REGULAR SESSION

ASSEMBLY BILL

No. 2148

Introduced by Assembly Member Holden

February 17, 2016

An act to add Section 714.5 to the Fish and Game Code, and to add Article 4 (commencing with Section 5085) to Chapter 1.2 of Division 5 of the Public Resources Code, relating to unmanned aircraft systems.

LEGISLATIVE COUNSEL'S DIGEST

AB 2148, as amended, Holden. Unmanned aircraft systems: regulation.

Existing federal law, the Federal Aviation Administration Modernization and Reform Act of 2012, provides for the integration of civil and public unmanned aircraft systems, commonly known as drones, into the national airspace system. Existing law establishes both the Department of Fish and Wildlife and the Department of Parks and Recreation in the Natural Resources Agency. A violation of any rule or regulation made or adopted by the Department of Fish and Wildlife pursuant to the Fish and Game Code is a misdemeanor. A violation of the rules and regulations established by the Department of Parks and Recreation to protect the state park system is punishable as either a misdemeanor or an infraction.

This bill would require, on or before January 1, 2018, the Department of Fish and Wildlife and the Department of Parks and Recreation to develop regulations for the use of unmanned aircraft systems, commonly

known as drones, over the public lands managed by each department. In developing the regulations, the bill would require these state departments to consider, among other things, protecting wildlife from unnecessary harassment or disturbance and protecting the natural, cultural, and historic values of state lands. Because violations of these regulations could be crimes, the bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: yes.
