

AMENDED IN ASSEMBLY MARCH 28, 2016

CALIFORNIA LEGISLATURE—2015–16 REGULAR SESSION

ASSEMBLY BILL

No. 2306

Introduced by Assembly Member Frazier

February 18, 2016

An act to add Section 51225 to the Education Code, relating to high school graduation.

LEGISLATIVE COUNSEL'S DIGEST

AB 2306, as amended, Frazier. High school graduation requirements: pupils transferring from juvenile court schools.

Existing law prescribes the course of study a pupil is required to complete while in grades 9 to 12, inclusive, in order to receive a diploma of graduation, and authorizes the governing board of a school district to prescribe *other* coursework requirements that are in addition to the statewide requirements.

This bill would require a school district to exempt a pupil ~~who, any time after the pupil completes 10th grade, transfers to the school district from a juvenile court school~~ from all *other* coursework ~~and other~~ requirements *for graduation* adopted by the governing board ~~of the school district for high school graduation~~ that are in addition to the statewide coursework requirements, *requirements for graduation*, unless the school district makes a finding that the pupil is reasonably able to complete the additional *coursework* requirements in time to graduate from high school. The bill would also require a ~~school district of residencee county office of education~~ to issue a diploma of graduation to a pupil who completes statewide coursework requirements for graduation while attending a juvenile court school, as specified. ~~To the extent the bill would impose~~ *By placing* additional requirements on

school districts, *districts and county offices of education*, the bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.
