No. 2322

Introduced by Assembly Member Chu

February 18, 2016

An act to add Section 12510 to the Vehicle Code, relating to vehicles.

LEGISLATIVE COUNSEL’S DIGEST

AB 2322, as introduced, Chu. Vehicles: instruction permits: decals.

Existing law authorizes the Department of Motor Vehicles (DMV) to issue an instruction permit to a person who is at least 15 years and 6 months of age and who has, among other qualifications, successfully completed an approved course in automobile driver education.

This bill would require the DMV to provide the recipient of an instruction permit with a removable and transferrable decal that reads “student driver.” The bill would authorize the holder of the instruction permit to affix the decal to the rear or side window of the vehicle when operating the vehicle.
