

ASSEMBLY BILL

No. 2389

Introduced by Assembly Member Ridley-Thomas

February 18, 2016

An act to add Part 5.5 (commencing with Section 10650) to Division 10 of the Elections Code, relating to elections.

LEGISLATIVE COUNSEL'S DIGEST

AB 2389, as introduced, Ridley-Thomas. Special districts: district-based elections: reapportionment.

Existing law provides for political subdivisions, including special districts, that encompass areas of representation within the state. With respect to these areas, public officials are generally elected by all of the voters of the political subdivision (at-large) or by or from districts formed within the political subdivision (district-based). Under existing law, the manner of election of a governing body of a special district is generally specified in the statutes creating the district. If a political subdivision changes from an at-large method of election to a district-based election, existing law generally requires the political subdivision to submit to the voter an ordinance or resolution providing for the election of members of the governing body by district.

This bill would authorize a governing body of a special district, as defined, to require, by resolution, that the election of the members of its governing body be elected using district-based elections without being required to submit the resolution to the voters for approval.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Part 5.5 (commencing with Section 10650) is
2 added to Division 10 of the Elections Code, to read:
