CALIFORNIA LEGISLATURE—2015–16 REGULAR SESSION

ASSEMBLY BILL

No. 2476

**Introduced by Assembly Member Daly
(Coauthors: Assembly Members Travis Allen, Brough, Chu, Frazier,
and Gatto)**

February 19, 2016

An act to add Chapter 8.5 (commencing with Section 54930) to Part 1 of Division 2 of Title 5 of the Government Code, relating to local governments.

LEGISLATIVE COUNSEL'S DIGEST

AB 2476, as amended, Daly. Local governments: parcel taxes: notice. Existing law authorizes cities, counties, and special districts to impose a parcel tax or property-related fee for specified purposes.

This bill would ~~require, before the adoption of any new parcel tax,~~ *require* the legislative body of a local agency, as defined, to provide notice of a new parcel tax to the owner of a parcel affected by the tax, if that owner does not reside within the jurisdictional boundaries of the taxing entity. This bill would require the notice to include specified information and to be provided to the property owner in a specified manner. This bill would provide that the local agency may recover the reasonable costs of the notice from the proceeds of the parcel tax. By imposing new duties upon local county officials, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that with regard to certain mandates no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: yes.

The people of the State of California do enact as follows:
