CALIFORNIA LEGISLATURE—2015–16 REGULAR SESSION

ASSEMBLY BILL

No. 2491

Introduced by Assembly Member Nazarian

February 19, 2016

An act to add Section 22500.2 to the Vehicle Code, relating to vehicles.

LEGISLATIVE COUNSEL'S DIGEST

AB 2491, as amended, Nazarian. Vehicles: stopping, standing, and parking.

Existing law prohibits a person from stopping, parking, or leaving standing any vehicle whether attended or unattended, except when necessary to avoid conflict with other traffic or in compliance with the directions of a peace officer or official traffic control device, in designated places, including, among other places, within 15 feet of the driveway entrance to any fire station. A violation of this provision is subject to a civil penalty.

This bill would authorize a local authority to, by ordinance, prohibit a person from stopping, parking, or leaving a vehicle within 15 feet of a driveway that is used by certain emergency vehicles to enter or exit a police department, ambulance service provider facility, or general acute care hospital, except as specified, and would require a local authority that enacts that ordinance to provide appropriate curb markings

or “KEEP CLEAR” pavement markings and post appropriate signs that delineate this prohibited area.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.
