CHAPTER _____

An act to amend Sections 234.2 and 48900 of the Education Code, relating to elementary and secondary education.

LEGISLATIVE COUNSEL’S DIGEST

AB 2536, Chau. Pupil discipline and safety: cyber sexual bullying.

(1) Existing law prohibits the suspension of a pupil from school or the recommendation of a pupil for expulsion from school unless the school district superintendent or the principal of the school in which the pupil is enrolled determines that the pupil has committed any of several specified acts, including, but not limited to, engaging in acts of bullying by means of an electronic act.

This bill would include engaging in an act of cyber sexual bullying, as defined, as an act of bullying by means of an electronic act for which a pupil may be suspended or expelled from school.

(2) Existing law requires the State Department of Education to display current information, and periodically update information, on curricula and other resources that specifically address bias-related discrimination, harassment, intimidation, and bullying based on certain actual or perceived characteristics on the California Healthy Kids Resource Center Internet Web site and other appropriate department Internet Web sites where information about discrimination, harassment, intimidation, and bullying is posted.

This bill would add cyber sexual bullying to this list of topics on which the department would be required to provide information. The bill would require the department to annually inform school districts of the information on the California Healthy Kids Resource Center Internet Web site and other appropriate department Internet Web sites where information about cyber sexual bullying is posted. The bill would encourage school districts to inform pupils regarding the available information and resources on the department’s Internet Web sites regarding the dangers and consequences of cyber sexual bullying to help reduce the instances of cyber sexual bullying.

(3) This bill would incorporate additional changes to Section 48900 of the Education Code proposed by AB 2212 that would become operative if this bill and AB 2212 are both enacted and this bill is enacted last.

The people of the State of California do enact as follows:

SECTION 1. Section 234.2 of the Education Code is amended to read:

234.2. (a) The department shall display current information, and periodically update information, on curricula and other resources that specifically address bias-related discrimination, harassment, intimidation, cyber sexual bullying, as defined in Section 48900, and bullying based on any of the actual or perceived characteristics set forth in Section 422.55 of the Penal Code and Section 220 on the California Healthy Kids Resource Center Internet Web site and other appropriate department Internet Web sites where information about discrimination, harassment, intimidation, cyber sexual bullying, and bullying is posted.

(b) The department shall annually inform school districts of the information on the California Healthy Kids Resource Center Internet Web site and other appropriate department Internet Web sites where information about cyber sexual bullying is posted pursuant to subdivision (a). The department may use electronic mail to inform school districts of this information.

(c) School districts are encouraged to inform pupils regarding the available information and resources on the department's Internet Web sites regarding the dangers and consequences of cyber sexual bullying to help reduce the instances of cyber sexual bullying.

SEC. 2. Section 48900 of the Education Code is amended to read:
