

ASSEMBLY BILL

No. 2561

Introduced by Committee on Veterans Affairs

February 19, 2016

An act to amend Section 1457 of the Military and Veterans Code, relating to military and veterans, and making an appropriation therefor.

LEGISLATIVE COUNSEL'S DIGEST

AB 2561, as introduced, Committee on Veterans Affairs. Veterans' cemeteries.

Existing law provides for the design, development, and construction of a state-owned and state-operated veterans' cemetery at the site of the former Fort Ord. Existing law establishes the California Central Coast State Veterans Cemetery at Fort Ord Endowment Fund, which is available upon appropriation by the Legislature for design, construction, and maintenance costs of the cemetery. Existing law authorizes the Secretary of Veterans Affairs to accept donations to be used for the maintenance or beautification of the veterans' cemetery. Existing law further requires that those donations be deposited in the endowment fund.

This bill would establish the California Central Coast Veterans Cemetery Project Donation Fund, and would require that donations for the cemetery be deposited in the fund, and be expended for the maintenance and repair of the cemetery or for a specified veterans cemetery maintenance or beautification project. This bill would continuously appropriate the fund to the department for these purposes.
