An act to amend Section 87505 of, and to add Sections 87406.5 and 87506 to, the Government Code, relating to the Political Reform Act of 1974.

LEGISLATIVE COUNSEL'S DIGEST

AB 2628, as amended, Levine. Political Reform Act of 1974: employment restrictions.

The Political Reform Act of 1974 generally prohibits a public official, as defined, from making, participating in making, or using his or her official position to influence a governmental decision in which the official has a financial interest. The act also requires the disclosure of specified financial interests of certain public officials on a statement of economic interests, which is filed annually. The act imposes certain restrictions on postgovernmental employment of specified public officials of state and local agencies.

This bill would require each state agency and each local agency that maintains an Internet Web site to make publicly available on that Internet Web site the statements of economic interests filed by the specified public officials.

This bill would prohibit an elected or appointed officer of a state or local agency, while holding office and for a period of one year after leaving office, from engaging in specified conduct, including maintaining employment with, as specified, or being a compensated consultant of that agency or, for compensation, aiding, advising, consulting with, or assisting an entity with a permit, regulatory action, or enforcement action pending before the agency.

A violation of the act is punishable as a misdemeanor. By expanding the scope of an existing crime, this bill would impose a state-mandated local program. The bill would also impose a state-mandated local program by increasing the duties imposed on local officials.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that with regard to certain mandates no reimbursement is required by this act for a specified reason.

With regard to any other mandates, this bill would provide that, if the Commission on State Mandates determines that the bill contains costs so mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

The Political Reform Act of 1974, an initiative measure, provides that the Legislature may amend the act to further the act’s purposes upon a 2/3 vote of each house and compliance with specified procedural requirements.

This bill would declare that it furthers the purposes of the act.

Vote: 2/3. Appropriation: no. Fiscal committee: yes.

State-mandated local program: yes.

6 pursuant to Part 7 (commencing with Section 17500) of Division  
7 4 of Title 2 of the Government Code.

8 SEC. 5. The Legislature finds and declares that this bill furthers  
9 the purposes of the Political Reform Act of 1974 within the  
10 meaning of subdivision (a) of Section 81012 of the Government  
11 Code.
