An act to add and repeal Section 76004.5 of the Education Code, relating to public education, and making an appropriation therefor. *education.*

LEGISLATIVE COUNSEL'S DIGEST

AB 2681, as amended, O'Donnell. Public education: California College Promise Grant Program.

Existing law authorizes the governing board of a community college district to enter into a College and Career Access Pathways (CCAP) partnership with the governing board of a school district with the goal of developing seamless pathways from high school to community college for career technical education or preparation for transfer, improving high school graduation rates, or helping high school pupils achieve college and career readiness. Existing law requires the partnership agreement to outline the terms of the partnership, as specified, and to establish protocols for information sharing, joint facilities use, and parental consent for high school pupils to enroll in community college courses. These provisions are repealed on January 1, 2022.

This bill would establish the California College Promise Grant Program, until January 1, 2022, to be administered by the Superintendent of Public Instruction and the Chancellor of the California Community Colleges, *subject to an appropriation in the annual Budget Act for this purpose*, to provide planning grants to eligible school districts and community college districts to establish CCAP partnerships. The bill would authorize the Superintendent and the chancellor to establish the grant application process and the criteria for determining the amount of each grant. The bill would set the maximum grant amount under this program at \$25,000.

~~The bill would appropriate \$1,000,000 from the General Fund to the Superintendent of Public Instruction for allocation, without regard to fiscal years, for purposes of this program. Funds appropriated by this bill would be applied toward the minimum funding requirements for school districts and community college districts imposed by Section 8 of Article XVI of the California Constitution, as specified.~~
