Existing law authorizes the construction of an international genocide memorial in the Capitol Historic Region and provides for the establishment of a commission in that regard. Existing law prohibits construction of the memorial until the master plan of the State Capitol Park is approved and adopted by the Joint Committee on Rules.

This bill would, in addition, authorize the department to apply to the Joint Committee on Rules for an exemption to allow siting and construction of the memorial if the master plan of the State Capitol Park is not approved or adopted on or before January 1, 2021.

This bill would declare that it is to take effect immediately as an urgency statute.

The people of the State of California do enact as follows:

However, if the master plan of the State Capitol Park is not approved or adopted by the Joint Committee on Rules on or before January 1, 2021, the department may apply to the Joint Committee on Rules for an exemption to allow siting and construction.

(c) Funds for the construction of the memorial shall be provided through private contributions. The commission may receive contributions for this purpose.

(d) The department, in consultation with the International Genocide Memorial Commission, shall seek to accomplish the following goals:

(1) Review the preliminary design plans to identify potential maintenance concerns.

(2) Compliance with the Americans with Disabilities Act and other safety concerns.

(3) Review and approval of proper California Environmental Quality Act documents prepared for work at the designated historic property.
