

ASSEMBLY BILL

No. 2851

Introduced by Assembly Member Maienschein

February 19, 2016

An act to amend Section 17560 of the Government Code, relating to state mandates.

LEGISLATIVE COUNSEL'S DIGEST

AB 2851, as introduced, Maienschein. State mandates.

Under the California Constitution, when the Legislature or a state agency mandates a new program or higher level of service on any local government, including school districts, the state is required to provide a subvention of funds to reimburse that local government for the costs of that new program or higher level of service, with specified exceptions. Existing law authorizes a local agency or school district to file an annual reimbursement claim detailing these state-mandated costs, as specified.

This bill would make a technical, nonsubstantive change to that law.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. Section 17560 of the Government Code is

7 the issuance date of the revised claiming instructions to file a claim.
