CHAPTER _____

An act to amend Section 9001 of the Family Code, and to amend Sections 305.6 and 827 of the Welfare and Institutions Code, relating to children.

LEGISLATIVE COUNSEL'S DIGEST

AB 2872, Patterson. Children.

(1) Existing law establishes a procedure for a stepparent to adopt a stepchild and requires a probation officer, qualified court investigator, licensed clinical social worker, licensed marriage and family therapist, or licensed adoption agency to conduct an investigation of the proposed stepparent adoption, as specified.

This bill would provide that if the petitioner does not request that a licensed clinical social worker, therapist, or private adoption agency complete the investigation, the court may collect the investigation fee and assign a probation officer, court investigator, or, if so authorized by the county board of supervisors, the county welfare department to complete the investigation.

(2) Existing law prohibits a peace officer from taking into temporary custody, without a warrant, a minor who is in a hospital if specified conditions exist, including that the minor is a newborn who tested positive for illegal drugs or whose birth mother tested positive for illegal drugs or the minor is the subject of a proposed adoption and a Health Facility Minor Release Report has been completed by the hospital, as specified.

This bill would require the appropriate hospital personnel to complete a Health Facility Minor Release Report and provide copies to specified parties upon request by a parent.

(3) Existing law authorizes specified persons to inspect a juvenile case file, including a court-appointed investigator who is actively participating in a guardianship case involving a minor, as specified, and acting within the scope of his or her duties in that case.

This bill would additionally permit a statutorily authorized or court-appointed investigator who is conducting specified investigations relating to children, including stepparent adoptions, to inspect a juvenile case file.

(4) This bill would incorporate additional changes to Section 827 of the Welfare and Institutions Code proposed by AB 1945 that would become operative if this bill and AB 1945 are chaptered and this bill is chaptered last.

The people of the State of California do enact as follows:

SECTION 1. Section 9001 of the Family Code is amended to read:

9001. (a) Except as provided in Section 9000.5, before granting or denying a stepparent adoption request, the court shall review and consider a written investigative report. The report in a stepparent adoption case shall not require a home study unless so ordered by the court upon request of an investigator or interested person, or on the court's own motion. "Home study" as used in this section means a physical investigation of the premises where the child is residing.

(b) At the time of filing the adoption request, the petitioner shall inform the court in writing if the petitioner is electing to have the investigation and written report completed by a licensed clinical social worker, a licensed marriage and family therapist, or a private licensed adoption agency, in which cases the petitioner shall not be required to pay any investigation fee pursuant to Section 9002 at the time of filing, but shall pay these fees directly to the investigator. Absent that notification, the court may, at the time of filing, collect an investigation fee pursuant to Section 9002, and may assign one of the following to complete the investigation: a probation officer, a qualified court investigator, or the county welfare department, if so authorized by the board of supervisors of the county where the action is pending.

(c) If a private licensed adoption agency conducts the investigation, it shall assign the investigation to a licensed clinical social worker or licensed marriage and family therapist associated with the agency. Any grievance regarding the investigation shall be directed to the licensing authority of the clinical social worker or marriage and family therapist, as applicable.

(d) Nothing in this section shall be construed to require the State Department of Social Services to issue regulations for stepparent adoptions.

SEC. 2. Section 305.6 of the Welfare and Institutions Code is amended to read:

305.6. (a) Any peace officer may, without a warrant, take into temporary custody a minor who is in a hospital if the release of the minor to a prospective adoptive parent or a representative of a licensed adoption agency poses an immediate danger to the minor's health or safety.

(b) Notwithstanding subdivision (a) and Section 305, a peace officer shall not, without a warrant, take into temporary custody a minor who is in a hospital if all of the following conditions exist:

(1) The minor is a newborn who tested positive for illegal drugs or whose birth mother tested positive for illegal drugs.

(2) The minor is the subject of a proposed adoption and a Health Facility Minor Release Report, developed by the department, has been completed by the hospital, including the marking of the boxes applicable to an independent adoption or agency adoption planning, and signed by the placing birth parent or birth parents, as well as either the prospective adoptive parent or parents or an authorized representative of a licensed adoption agency, prior to the discharge of the birth parent or the minor from the hospital. The Health Facility Minor Release Report shall include a notice written in at least 14-point pica type, containing substantially all of the following statements:

(A) That the Health Facility Minor Release Report does not constitute consent to adoption of the minor by the prospective adoptive parent or parents, or any other person.

(B) That the Health Facility Minor Release Report does not constitute a relinquishment of parental rights for the purposes of adoption.

(C) That the birth parent or parents or any person authorized by the birth parent or parents may reclaim the minor at any time from the prospective adoptive parent or parents or any other person to whom the minor was released by the hospital, as provided in Section 8700, 8814.5, or 8815 of the Family Code.

(3) The release of the minor to a prospective adoptive parent or parents or an authorized representative of a licensed adoption agency does not pose an immediate danger to the minor.

(4) An attorney or an adoption agency has provided documentation stating that he or she, or the agency, is representing the prospective adoptive parent or parents for purposes of the

adoption. In the case of an independent adoption, as defined in Section 8524 of the Family Code, the attorney or adoption agency shall provide documentation stating that the prospective adoptive parent or parents have been informed that the child may be eligible for benefits provided pursuant to the Adoption Assistance Program, as set forth in Chapter 2.1 (commencing with Section 16115) of Part 4 of Division 9, only if, at the time the adoption request is filed, the child has met the requirements to receive federal supplemental security income benefits pursuant to Subchapter XVI (commencing with Section 1381) of Chapter 7 of Title 42 of the United States Code, as determined and documented by the federal Social Security Administration.

(5) The prospective adoptive parent or parents or their representative, or an authorized representative of a licensed adoption agency, provides all of the following to the peace officer:

(A) A fully executed copy of the Health Facility Minor Release Report.

(B) A written form signed by either the prospective adoptive parent or parents or a representative of the licensed adoption agency, which shall include all of the following:

(i) A statement that the minor is the subject of a proposed adoption.

(ii) A declaration that the signer or signers will immediately notify the county child welfare agency pursuant to Section 11165.9 of the Penal Code if the adoption plan is terminated for any reason, and will not release the minor to the birth parent or parents or any designee of the birth parent or parents until the county child welfare agency or local law enforcement agency completes an investigation and determines that release of the minor to the birth parent or parents or a designee of the birth parent or parents will not create an immediate risk to the health or safety of the minor.

(iii) An agreement to provide a conformed copy of the adoption request or guardianship petition to the county child welfare agency within five business days after filing.

(iv) The names, identifying information, and contact information for the minor, for each prospective adoptive parent, and for each birth parent, to the extent that information is known. In the case of an agency adoption where no prospective adoptive parent or parents are identified at the time of the minor's release from the hospital, the licensed adoption agency may provide the information

as it pertains to the licensed or certified foster home into which the agency intends to place the minor.

(c) (1) In every independent adoption proceeding under this section, the prospective adoptive parent or parents shall file with the court either an adoption request within 10 working days after execution of an adoption placement agreement, or a guardianship petition within 30 calendar days after the child's discharge from the hospital, whichever is earlier.

(2) If the adoption plan for a minor who was released from the hospital pursuant to subdivision (b) is terminated for any reason, the prospective adoptive parent or parents or licensed adoption agency shall immediately notify the county child welfare agency. The prospective adoptive parent or parents or licensed adoption agency may not release the minor into the physical custody of the birth parent or parents, or any designee of the birth parent or parents, until the county child welfare agency or local law enforcement agency completes an investigation and determines that release of the minor to the birth parent or parents or a designee of the birth parent or parents will not create an immediate risk to the health or safety of the minor.

(d) Upon request by a birth parent or parents of the minor newborn, the appropriate hospital personnel shall complete a Health Facility Minor Release Report and provide copies of the report to the birth parent or parents, and the person or persons who will receive physical custody of the child upon discharge pursuant to Section 1283 of the Health and Safety Code. Hospital personnel shall not refuse to complete a Health Facility Minor Release Report for any reason, even if the minor is ineligible for release at that time. However, nothing in this section shall be construed to require hospital personnel to release a minor contrary to the directives of a child welfare agency.

(e) Nothing in this section is intended to create a duty that requires law enforcement to investigate the prospective adoptive parent or parents.

SEC. 3. Section 827 of the Welfare and Institutions Code is amended to read:

827. (a) (1) Except as provided in Section 828, a case file may be inspected only by the following:

(C) The minor who is the subject of the proceeding.

(F) The county counsel, city attorney, or any other attorney representing the petitioning agency in a dependency action.

(G) The superintendent or designee of the school district where the minor is enrolled or attending school.

(I) The State Department of Social Services, to carry out its duties pursuant to Division 9 (commencing with Section 10000), and Part 5 (commencing with Section 7900) of Division 12, of the Family Code to oversee and monitor county child welfare agencies, children in foster care or receiving foster care assistance, and out-of-state placements, Section 10850.4, and paragraph (2).

(J) Authorized legal staff or special investigators who are peace officers who are employed by, or who are authorized representatives of, the State Department of Social Services, as necessary to the performance of their duties to inspect, license, and investigate community care facilities, and to ensure that the standards of care and services provided in those facilities are adequate and appropriate and to ascertain compliance with the rules and regulations to which the facilities are subject. The confidential information shall remain confidential except for purposes of inspection, licensing, or investigation pursuant to Chapter 3 (commencing with Section 1500) and Chapter 3.4 (commencing with Section 1596.70) of Division 2 of the Health and Safety Code, or a criminal, civil, or administrative proceeding in relation thereto. The confidential information may be used by the State Department of Social Services in a criminal, civil, or administrative proceeding. The confidential information shall be available only to the judge or hearing officer and to the parties to the case. Names that are confidential shall be listed in attachments separate to the general pleadings. The confidential information shall be sealed after the conclusion of the criminal, civil, or

administrative hearings, and may not subsequently be released except in accordance with this subdivision. If the confidential information does not result in a criminal, civil, or administrative proceeding, it shall be sealed after the State Department of Social Services decides that no further action will be taken in the matter of suspected licensing violations. Except as otherwise provided in this subdivision, confidential information in the possession of the State Department of Social Services may not contain the name of the minor.

(K) Members of children’s multidisciplinary teams, persons, or agencies providing treatment or supervision of the minor.

(L) A judge, commissioner, or other hearing officer assigned to a family law case with issues concerning custody or visitation, or both, involving the minor, and the following persons, if actively participating in the family law case: a family court mediator assigned to a case involving the minor pursuant to Article 1 (commencing with Section 3160) of Chapter 11 of Part 2 of Division 8 of the Family Code, a court-appointed evaluator or a person conducting a court-connected child custody evaluation, investigation, or assessment pursuant to Section 3111 or 3118 of the Family Code, and counsel appointed for the minor in the family law case pursuant to Section 3150 of the Family Code. Prior to allowing counsel appointed for the minor in the family law case to inspect the file, the court clerk may require counsel to provide a certified copy of the court order appointing him or her as the minor’s counsel.

(M) When acting within the scope of investigative duties of an active case, a statutorily authorized or court-appointed investigator who is conducting an investigation pursuant to Section 7663, 7851, or 9001 of the Family Code, or who is actively participating in a guardianship case involving a minor pursuant to Part 2 (commencing with Section 1500) of Division 4 of the Probate Code and acting within the scope of his or her duties in that case.

(N) A local child support agency for the purpose of establishing paternity and establishing and enforcing child support orders.

(O) Juvenile justice commissions as established under Section 225. The confidentiality provisions of Section 10850 shall apply to a juvenile justice commission and its members.

(P) Any other person who may be designated by court order of the judge of the juvenile court upon filing a petition.

(2) (A) Notwithstanding any other law and subject to subparagraph (A) of paragraph (3), juvenile case files, except those relating to matters within the jurisdiction of the court pursuant to Section 601 or 602, that pertain to a deceased child who was within the jurisdiction of the juvenile court pursuant to Section 300, shall be released to the public pursuant to an order by the juvenile court after a petition has been filed and interested parties have been afforded an opportunity to file an objection. Any information relating to another child or which could identify another child, except for information about the deceased, shall be redacted from the juvenile case file prior to release, unless a specific order is made by the juvenile court to the contrary. Except as provided in this paragraph, the presiding judge of the juvenile court may issue an order prohibiting or limiting access to the juvenile case file, or any portion thereof, of a deceased child only upon a showing by a preponderance of evidence that release of the juvenile case file or any portion thereof is detrimental to the safety, protection, or physical or emotional well-being of another child who is directly or indirectly connected to the juvenile case that is the subject of the petition.

(B) This paragraph represents a presumption in favor of the release of documents when a child is deceased unless the statutory reasons for confidentiality are shown to exist.

(C) If a child whose records are sought has died, and documents are sought pursuant to this paragraph, no weighing or balancing of the interests of those other than a child is permitted.

(D) A petition filed under this paragraph shall be served on interested parties by the petitioner, if the petitioner is in possession of their identity and address, and on the custodian of records. Upon receiving a petition, the custodian of records shall serve a copy of the request upon all interested parties that have not been served by the petitioner or on the interested parties served by the petitioner if the custodian of records possesses information, such as a more recent address, indicating that the service by the petitioner may have been ineffective.

(E) The custodian of records shall serve the petition within 10 calendar days of receipt. If any interested party, including the custodian of records, objects to the petition, the party shall file and serve the objection on the petitioning party no later than 15 calendar days of service of the petition.

(F) The petitioning party shall have 10 calendar days to file any reply. The juvenile court shall set the matter for hearing no more than 60 calendar days from the date the petition is served on the custodian of records. The court shall render its decision within 30 days of the hearing. The matter shall be decided solely upon the basis of the petition and supporting exhibits and declarations, if any, the objection and any supporting exhibits or declarations, if any, and the reply and any supporting declarations or exhibits thereto, and argument at hearing. The court may solely upon its own motion order the appearance of witnesses. If no objection is filed to the petition, the court shall review the petition and issue its decision within 10 calendar days of the final day for filing the objection. Any order of the court shall be immediately reviewable by petition to the appellate court for the issuance of an extraordinary writ.

(3) Access to juvenile case files pertaining to matters within the jurisdiction of the juvenile court pursuant to Section 300 shall be limited as follows:

(A) If a juvenile case file, or any portion thereof, is privileged or confidential pursuant to any other state law or federal law or regulation, the requirements of that state law or federal law or regulation prohibiting or limiting release of the juvenile case file or any portions thereof shall prevail. Unless a person is listed in subparagraphs (A) to (O), inclusive, of paragraph (1) and is entitled to access under the other state law or federal law or regulation without a court order, all those seeking access, pursuant to other authorization, to portions of, or information relating to the contents of, juvenile case files protected under another state law or federal law or regulation, shall petition the juvenile court. The juvenile court may only release the portion of, or information relating to the contents of, juvenile case files protected by another state law or federal law or regulation if disclosure is not detrimental to the safety, protection, or physical or emotional well-being of a child who is directly or indirectly connected to the juvenile case that is the subject of the petition. This paragraph shall not be construed to limit the ability of the juvenile court to carry out its duties in conducting juvenile court proceedings.

(B) Prior to the release of the juvenile case file or any portion thereof, the court shall afford due process, including a notice of

and an opportunity to file an objection to the release of the record or report to all interested parties.

(4) A juvenile case file, any portion thereof, and information relating to the content of the juvenile case file, may not be disseminated by the receiving agencies to any persons or agencies, other than those persons or agencies authorized to receive documents pursuant to this section. Further, a juvenile case file, any portion thereof, and information relating to the content of the juvenile case file, may not be made as an attachment to any other documents without the prior approval of the presiding judge of the juvenile court, unless it is used in connection with and in the course of a criminal investigation or a proceeding brought to declare a person a dependent child or ward of the juvenile court.

(5) Individuals listed in subparagraphs (A), (B), (C), (D), (E), (F), (H), and (I) of paragraph (1) may also receive copies of the case file. In these circumstances, the requirements of paragraph (4) shall continue to apply to the information received.

(b) (1) While the Legislature reaffirms its belief that juvenile court records, in general, should be confidential, it is the intent of the Legislature in enacting this subdivision to provide for a limited exception to juvenile court record confidentiality to promote more effective communication among juvenile courts, family courts, law enforcement agencies, and schools to ensure the rehabilitation of juvenile criminal offenders as well as to lessen the potential for drug use, violence, other forms of delinquency, and child abuse.

(2) (A) Notwithstanding subdivision (a), written notice that a minor enrolled in a public school, kindergarten to grade 12, inclusive, has been found by a court of competent jurisdiction to have committed any felony or any misdemeanor involving curfew, gambling, alcohol, drugs, tobacco products, carrying of weapons, a sex offense listed in Section 290 of the Penal Code, assault or battery, larceny, vandalism, or graffiti shall be provided by the court, within seven days, to the superintendent of the school district of attendance. Written notice shall include only the offense found to have been committed by the minor and the disposition of the minor's case. This notice shall be expeditiously transmitted by the district superintendent to the principal at the school of attendance. The principal shall expeditiously disseminate the information to those counselors directly supervising or reporting on the behavior or progress of the minor. In addition, the principal shall disseminate

the information to any teacher or administrator directly supervising or reporting on the behavior or progress of the minor whom the principal believes needs the information to work with the pupil in an appropriate fashion, to avoid being needlessly vulnerable or to protect other persons from needless vulnerability.

(B) Any information received by a teacher, counselor, or administrator under this subdivision shall be received in confidence for the limited purpose of rehabilitating the minor and protecting students and staff, and shall not be further disseminated by the teacher, counselor, or administrator, except insofar as communication with the juvenile, his or her parents or guardians, law enforcement personnel, and the juvenile's probation officer is necessary to effectuate the juvenile's rehabilitation or to protect students and staff.

(C) An intentional violation of the confidentiality provisions of this paragraph is a misdemeanor punishable by a fine not to exceed five hundred dollars (\$500).

(3) If a minor is removed from public school as a result of the court's finding described in subdivision (b), the superintendent shall maintain the information in a confidential file and shall defer transmittal of the information received from the court until the minor is returned to public school. If the minor is returned to a school district other than the one from which the minor came, the parole or probation officer having jurisdiction over the minor shall so notify the superintendent of the last district of attendance, who shall transmit the notice received from the court to the superintendent of the new district of attendance.

(c) Each probation report filed with the court concerning a minor whose record is subject to dissemination pursuant to subdivision (b) shall include on the face sheet the school at which the minor is currently enrolled. The county superintendent shall provide the court with a listing of all of the schools within each school district, within the county, along with the name and mailing address of each district superintendent.

(d) (1) Each notice sent by the court pursuant to subdivision (b) shall be stamped with the instruction: "Unlawful Dissemination Of This Information Is A Misdemeanor." Any information received from the court shall be kept in a separate confidential file at the school of attendance and shall be transferred to the minor's subsequent schools of attendance and maintained until the minor

graduates from high school, is released from juvenile court jurisdiction, or reaches the age of 18 years, whichever occurs first. After that time the confidential record shall be destroyed. At any time after the date by which a record required to be destroyed by this section should have been destroyed, the minor or his or her parent or guardian shall have the right to make a written request to the principal of the school that the minor's school records be reviewed to ensure that the record has been destroyed. Upon completion of any requested review and no later than 30 days after the request for the review was received, the principal or his or her designee shall respond in writing to the written request and either shall confirm that the record has been destroyed or, if the record has not been destroyed, shall explain why destruction has not yet occurred.

(2) Except as provided in paragraph (2) of subdivision (b), no liability shall attach to any person who transmits or fails to transmit any notice or information required under subdivision (b).

(e) For purposes of this section, a "juvenile case file" means a petition filed in any juvenile court proceeding, reports of the probation officer, and all other documents filed in that case or made available to the probation officer in making his or her report, or to the judge, referee, or other hearing officer, and thereafter retained by the probation officer, judge, referee, or other hearing officer.

(f) The persons described in subparagraphs (A), (E), (F), (H), (K), (L), (M), and (N) of paragraph (1) of subdivision (a) include persons serving in a similar capacity for an Indian tribe, reservation, or tribal court when the case file involves a child who is a member of, or who is eligible for membership in, that tribe.

SEC. 3.5. Section 827 of the Welfare and Institutions Code is amended to read:

(J) Authorized legal staff or special investigators who are peace officers who are employed by, or who are authorized representatives of, the State Department of Social Services, as necessary to the performance of their duties to inspect, license, and investigate community care facilities, and to ensure that the standards of care and services provided in those facilities are adequate and appropriate and to ascertain compliance with the rules and regulations to which the facilities are subject. The confidential information shall remain confidential except for purposes of inspection, licensing, or investigation pursuant to Chapter 3 (commencing with Section 1500) and Chapter 3.4 (commencing with Section 1596.70) of Division 2 of the Health and Safety Code, or a criminal, civil, or administrative proceeding in relation thereto. The confidential information may be used by the State Department of Social Services in a criminal, civil, or administrative proceeding. The confidential information shall be available only to the judge or hearing officer and to the parties to the case. Names that are confidential shall be listed in attachments separate to the general pleadings. The confidential information shall be sealed after the conclusion of the criminal, civil, or administrative hearings, and may not subsequently be released except in accordance with this subdivision. If the confidential information does not result in a criminal, civil, or administrative proceeding, it shall be sealed after the State Department of Social Services decides that no further action will be taken in the matter of suspected licensing violations. Except as otherwise provided in

this subdivision, confidential information in the possession of the State Department of Social Services may not contain the name of the minor.

(K) Members of children’s multidisciplinary teams, persons, or agencies providing treatment or supervision of the minor.

(L) A judge, commissioner, or other hearing officer assigned to a family law case with issues concerning custody or visitation, or both, involving the minor, and the following persons, if actively participating in the family law case: a family court mediator assigned to a case involving the minor pursuant to Article 1 (commencing with Section 3160) of Chapter 11 of Part 2 of Division 8 of the Family Code, a court-appointed evaluator or a person conducting a court-connected child custody evaluation, investigation, or assessment pursuant to Section 3111 or 3118 of the Family Code, and counsel appointed for the minor in the family law case pursuant to Section 3150 of the Family Code. Prior to allowing counsel appointed for the minor in the family law case to inspect the file, the court clerk may require counsel to provide a certified copy of the court order appointing him or her as the minor’s counsel.

(M) When acting within the scope of investigative duties of an active case, a statutorily authorized or court-appointed investigator who is conducting an investigation pursuant to Section 7663, 7851, or 9001 of the Family Code, or who is actively participating in a guardianship case involving a minor pursuant to Part 2 (commencing with Section 1500) of Division 4 of the Probate Code and acting within the scope of his or her duties in that case.

(N) A local child support agency for the purpose of establishing paternity and establishing and enforcing child support orders.

(O) Juvenile justice commissions as established under Section 225. The confidentiality provisions of Section 10850 shall apply to a juvenile justice commission and its members.

(P) Any other person who may be designated by court order of the judge of the juvenile court upon filing a petition.

(2) (A) Notwithstanding any other law and subject to subparagraph (A) of paragraph (3), juvenile case files, except those relating to matters within the jurisdiction of the court pursuant to Section 601 or 602, that pertain to a deceased child who was within the jurisdiction of the juvenile court pursuant to Section 300, shall be released to the public pursuant to an order by the juvenile court

after a petition has been filed and interested parties have been afforded an opportunity to file an objection. Any information relating to another child or which could identify another child, except for information about the deceased, shall be redacted from the juvenile case file prior to release, unless a specific order is made by the juvenile court to the contrary. Except as provided in this paragraph, the presiding judge of the juvenile court may issue an order prohibiting or limiting access to the juvenile case file, or any portion thereof, of a deceased child only upon a showing by a preponderance of evidence that release of the juvenile case file or any portion thereof is detrimental to the safety, protection, or physical or emotional well-being of another child who is directly or indirectly connected to the juvenile case that is the subject of the petition.

(B) This paragraph represents a presumption in favor of the release of documents when a child is deceased unless the statutory reasons for confidentiality are shown to exist.

(C) If a child whose records are sought has died, and documents are sought pursuant to this paragraph, no weighing or balancing of the interests of those other than a child is permitted.

(D) A petition filed under this paragraph shall be served on interested parties by the petitioner, if the petitioner is in possession of their identity and address, and on the custodian of records. Upon receiving a petition, the custodian of records shall serve a copy of the request upon all interested parties that have not been served by the petitioner or on the interested parties served by the petitioner if the custodian of records possesses information, such as a more recent address, indicating that the service by the petitioner may have been ineffective.

(E) The custodian of records shall serve the petition within 10 calendar days of receipt. If any interested party, including the custodian of records, objects to the petition, the party shall file and serve the objection on the petitioning party no later than 15 calendar days after service of the petition.

(F) The petitioning party shall have 10 calendar days to file any reply. The juvenile court shall set the matter for hearing no more than 60 calendar days from the date the petition is served on the custodian of records. The court shall render its decision within 30 days of the hearing. The matter shall be decided solely upon the basis of the petition and supporting exhibits and declarations, if

any, the objection and any supporting exhibits or declarations, if any, and the reply and any supporting declarations or exhibits thereto, and argument at hearing. The court may solely upon its own motion order the appearance of witnesses. If no objection is filed to the petition, the court shall review the petition and issue its decision within 10 calendar days of the final day for filing the objection. Any order of the court shall be immediately reviewable by petition to the appellate court for the issuance of an extraordinary writ.

(3) Access to juvenile case files pertaining to matters within the jurisdiction of the juvenile court pursuant to Section 300 shall be limited as follows:

(A) If a juvenile case file, or any portion thereof, is privileged or confidential pursuant to any other state law or federal law or regulation, the requirements of that state law or federal law or regulation prohibiting or limiting release of the juvenile case file or any portions thereof shall prevail. Unless a person is listed in subparagraphs (A) to (O), inclusive, of paragraph (1) and is entitled to access under the other state law or federal law or regulation without a court order, all those seeking access, pursuant to other authorization, to portions of, or information relating to the contents of, juvenile case files protected under another state law or federal law or regulation, shall petition the juvenile court. The juvenile court may only release the portion of, or information relating to the contents of, juvenile case files protected by another state law or federal law or regulation if disclosure is not detrimental to the safety, protection, or physical or emotional well-being of a child who is directly or indirectly connected to the juvenile case that is the subject of the petition. This paragraph shall not be construed to limit the ability of the juvenile court to carry out its duties in conducting juvenile court proceedings.

(B) Prior to the release of the juvenile case file or any portion thereof, the court shall afford due process, including a notice of and an opportunity to file an objection to the release of the record or report to all interested parties.

(4) A juvenile case file, any portion thereof, and information relating to the content of the juvenile case file, may not be disseminated by the receiving agencies to any persons or agencies, other than those persons or agencies authorized to receive documents pursuant to this section. Further, a juvenile case file,

any portion thereof, and information relating to the content of the juvenile case file, may not be made as an attachment to any other documents without the prior approval of the presiding judge of the juvenile court, unless it is used in connection with and in the course of a criminal investigation or a proceeding brought to declare a person a dependent child or ward of the juvenile court.

(5) Individuals listed in subparagraphs (A), (B), (C), (D), (E), (F), (H), and (I) of paragraph (1) may also receive copies of the case file. In these circumstances, the requirements of paragraph (4) shall continue to apply to the information received.

(b) (1) While the Legislature reaffirms its belief that juvenile court records, in general, should be confidential, it is the intent of the Legislature in enacting this subdivision to provide for a limited exception to juvenile court record confidentiality to promote more effective communication among juvenile courts, family courts, law enforcement agencies, and schools to ensure the rehabilitation of juvenile criminal offenders as well as to lessen the potential for drug use, violence, other forms of delinquency, and child abuse.

(2) (A) Notwithstanding subdivision (a), written notice that a minor enrolled in a public school, kindergarten to grade 12, inclusive, has been found by a court of competent jurisdiction to have committed any felony or any misdemeanor involving curfew, gambling, alcohol, drugs, tobacco products, carrying of weapons, a sex offense listed in Section 290 of the Penal Code, assault or battery, larceny, vandalism, or graffiti shall be provided by the court, within seven days, to the superintendent of the school district of attendance. Written notice shall include only the offense found to have been committed by the minor and the disposition of the minor's case. This notice shall be expeditiously transmitted by the district superintendent to the principal at the school of attendance. The principal shall expeditiously disseminate the information to those counselors directly supervising or reporting on the behavior or progress of the minor. In addition, the principal shall disseminate the information to any teacher or administrator directly supervising or reporting on the behavior or progress of the minor whom the principal believes needs the information to work with the pupil in an appropriate fashion, to avoid being needlessly vulnerable or to protect other persons from needless vulnerability.

(B) Any information received by a teacher, counselor, or administrator under this subdivision shall be received in confidence

for the limited purpose of rehabilitating the minor and protecting students and staff, and shall not be further disseminated by the teacher, counselor, or administrator, except insofar as communication with the juvenile, his or her parents or guardians, law enforcement personnel, and the juvenile's probation officer is necessary to effectuate the juvenile's rehabilitation or to protect students and staff.

(C) An intentional violation of the confidentiality provisions of this paragraph is a misdemeanor punishable by a fine not to exceed five hundred dollars (\$500).

(3) If a minor is removed from public school as a result of the court's finding described in subdivision (b), the superintendent shall maintain the information in a confidential file and shall defer transmittal of the information received from the court until the minor is returned to public school. If the minor is returned to a school district other than the one from which the minor came, the parole or probation officer having jurisdiction over the minor shall so notify the superintendent of the last district of attendance, who shall transmit the notice received from the court to the superintendent of the new district of attendance.

(c) Each probation report filed with the court concerning a minor whose record is subject to dissemination pursuant to subdivision (b) shall include on the face sheet the school at which the minor is currently enrolled. The county superintendent shall provide the court with a listing of all of the schools within each school district, within the county, along with the name and mailing address of each district superintendent.

(d) (1) Each notice sent by the court pursuant to subdivision (b) shall be stamped with the instruction: "Unlawful Dissemination Of This Information Is A Misdemeanor." Any information received from the court shall be kept in a separate confidential file at the school of attendance and shall be transferred to the minor's subsequent schools of attendance and maintained until the minor graduates from high school, is released from juvenile court jurisdiction, or reaches the age of 18 years, whichever occurs first. After that time the confidential record shall be destroyed. At any time after the date by which a record required to be destroyed by this section should have been destroyed, the minor or his or her parent or guardian shall have the right to make a written request to the principal of the school that the minor's school records be

reviewed to ensure that the record has been destroyed. Upon completion of any requested review and no later than 30 days after the request for the review was received, the principal or his or her designee shall respond in writing to the written request and either shall confirm that the record has been destroyed or, if the record has not been destroyed, shall explain why destruction has not yet occurred.

(2) Except as provided in paragraph (2) of subdivision (b), no liability shall attach to any person who transmits or fails to transmit any notice or information required under subdivision (b).

(e) For purposes of this section, a “juvenile case file” means a petition filed in any juvenile court proceeding, reports of the probation officer, and all other documents filed in that case or made available to the probation officer in making his or her report, or to the judge, referee, or other hearing officer, and thereafter retained by the probation officer, judge, referee, or other hearing officer.

(f) The persons described in subparagraphs (A), (E), (F), (H), (K), (L), (M), and (N) of paragraph (1) of subdivision (a) include persons serving in a similar capacity for an Indian tribe, reservation, or tribal court when the case file involves a child who is a member of, or who is eligible for membership in, that tribe.

(g) A case file that is covered by, or included in, an order of the court sealing a record pursuant to Section 781 or 786 may not be inspected except as specified by Section 781 or 786.

SEC. 4. Section 3.5 of this bill incorporates amendments to Section 827 of the Welfare and Institutions Code proposed by both this bill and Assembly Bill 1945. It shall only become operative if (1) both bills are enacted and become effective on or before January 1, 2017, (2) each bill amends Section 827 of the Welfare and Institutions Code, and (3) this bill is enacted after Assembly Bill 1945, in which case Section 3 of this bill shall not become operative.
