## RESOLUTION CHAPTER \_\_\_\_\_

Senate Joint Resolution No. 5—Relative to humanitarian resettlement.

## LEGISLATIVE COUNSEL'S DIGEST

SJR 5, Nguyen. Vietnam: humanitarian resettlement.

This measure would urge Congress and the President of the United States to expand the Humanitarian Resettlement Program to allow disabled veteran officers of the South Vietnamese Army currently living in the Socialist Republic of Vietnam to enter the United States.

WHEREAS, The Vietnamese-American community plays an important role in the social, cultural, and economic landscape of the State of California and the United States; and

WHEREAS, The United States government and the American people have a commitment to assisting individuals that fought as allies in the Vietnam War and continue to face persecution and threats from the Communist government of the Socialist Republic of Vietnam; and

WHEREAS, The veterans of the South Vietnamese Army, also known as the Quân Lực Việt Nam Cộng Hòa, showed their commitment to the United States by fighting alongside the United States Armed Forces during the Vietnam War; and

WHEREAS, The Humanitarian Resettlement Program and the Orderly Departure Program have allowed for the resettlement to the United States of former reeducation center detainees, former Vietnamese employees of the United States government, and former Vietnamese employees of private American companies and organizations prior to April 30, 1975, and from 1997 to 2009, inclusive, sons and daughters of former Vietnamese were included in what became known as the McCain Amendment; and

WHEREAS, Disabled veterans of the South Vietnamese Army, also known as the Quân Lực Việt Nam Cộng Hòa, have suffered a lifetime of great challenges and discrimination. Yet, some disabled veterans were excluded from the Humanitarian Resettlement Program and the Orderly Departure Program because

they were not detained in reeducation camps for the requisite number of years due to their physical disabilities; and

WHEREAS, April 30, 2015, marks the 40th year since the Fall of Saigon; and

WHEREAS, Promoting the Humanitarian Resettlement Program and the Orderly Departure Program to include disabled veterans of the South Vietnamese Army, also known as the Quân Lực Việt Nam Cộng Hòa, and their sons and daughters, would rightfully bring these veterans and their families into programs that, by their terms, excluded some disabled veterans; now, therefore, be it

*Resolved by the Senate and the Assembly of the State of California, jointly,* That the Legislature respectfully urges the President and the Vice President of the United States and the United States Congress to reauthorize the Humanitarian Resettlement Program and the Orderly Departure Program to allow disabled veterans of the South Vietnamese Army and their families currently living in the Socialist Republic of Vietnam to apply to enter the United States; and be it further

*Resolved,* That the Secretary of the Senate transmit copies of this resolution to the President and the Vice President of the United States, to the Majority Leader of the Senate, to the Speaker of the House of Representatives, and to each Senator and Representative from California in the Congress of the United States, and to the author for appropriate distribution.
