

Introduced by Senator JacksonFebruary 24, 2015

An act to amend Section 29805 of the Penal Code, relating to firearms.

LEGISLATIVE COUNSEL'S DIGEST

SB 347, as introduced, Jackson. Firearms: prohibited persons.

Existing law generally prohibits a person who has been convicted of certain specified misdemeanors from possessing a firearm within 10 years of the conviction. Under existing law, a violation of this prohibition is a crime, punishable by imprisonment in a county jail not exceeding one year or in the state prison for 16 months, or 2 or 3 years, by a fine not exceeding \$1,000, or by both that imprisonment and fine.

This bill would add to the list of misdemeanors, the conviction for which is subject to the above prohibition on possessing a firearm within 10 years of the conviction, misdemeanor offenses of transferring a firearm without a firearms license, selling or giving possession of ammunition to a minor, selling handgun ammunition to a person under 21 years of age, possession of ammunition by a person prohibited from possessing a firearm, furnishing ammunition to a person prohibited from possessing ammunition, carrying ammunition onto school grounds, petty theft of a firearm, receiving stolen property consisting of a firearm, carrying a loaded or concealed weapon if the person has been previously convicted of a crime against a person or property, or of a narcotics or dangerous drug violation, or if the firearm is not registered. Because a violation of these provisions would be a crime, and because this bill would expand the application of the crime to a larger class of potential offenders, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:
