
Introduced by Senator Huff

February 24, 2015

An act to amend Section 20370 of the Government Code, relating to public employees' retirement.

LEGISLATIVE COUNSEL'S DIGEST

SB 354, as introduced, Huff. Public Employees' Retirement System. The Public Employees' Retirement Law creates the Public Employees' Retirement System, which provides a defined benefit to its members based on age at retirement, service credit, and final compensation. Existing law defines "member" for purposes of that law.

This bill would make nonsubstantive changes to that definition.
