

Introduced by Senator Vidak

February 24, 2015

An act to amend Section 66026 of the Education Code, relating to postsecondary education.

LEGISLATIVE COUNSEL'S DIGEST

SB 362, as introduced, Vidak. Postsecondary education: reporting requirements.

Existing law requires reports submitted to the Legislature by the University of California, the California State University, and the Office of the Chancellor of the California Community Colleges to be delivered to the Senate and Assembly budget subcommittees on education, the appropriate Senate and Assembly higher education policy committees, the Legislative Analyst's Office, the Office of the Governor, and the Department of Finance, unless otherwise specified. Existing law authorizes the reports to be submitted in PDF format or a comparable electronic format, unless otherwise specified.

This bill would instead specify that these requirements apply to a report submitted to the Legislature by the University of California, the California State University, or the Office of the Chancellor of the California Community Colleges, and would make stylistic changes to these provisions.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.
