An act to amend Section 654.1 of the Penal Code, relating to crimes.

LEGISLATIVE COUNSEL'S DIGEST

SB 382, as introduced, Lara. Crimes: uncertified highway carriers of persons.

Existing law makes it a crime for a person, individually or in specified capacities, to sell, offer for sale, or to advertise himself or herself as one who sells or offers for sale, transportation on an individual fare basis on public highways, unless the transportation is provided by a carrier that is properly certified or permitted, as specified.

This bill would make technical, nonsubstantive changes to these provisions.
