

Introduced by Senator Pan

February 25, 2015

An act to add Chapter 3.5 (commencing with Section 24300) to Division 20 of the Health and Safety Code, relating to health care.

LEGISLATIVE COUNSEL'S DIGEST

SB 435, as introduced, Pan. Medical home: health care delivery model.

Existing law requires the Office of Statewide Health Planning and Development to perform various functions and duties with respect to health policy and planning and health professions development. Existing law states the Legislature's finding that there is a need to improve the effectiveness of health care delivery systems. Existing law generally defines a medical home as a single provider, facility, or team that coordinates and individual's health care services.

This bill would declare the intent of the Legislature to enact legislation to establish the "patient centered medical home" health care delivery model.

Vote: majority. Appropriation: no. Fiscal committee: no. State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. Chapter 3.5 (commencing with Section 24300)
