LEGISLATIVE COUNSEL’S DIGEST

SB 543, as amended, Wolk. Veterans: Veterans’ Home of California. Existing law provides for the establishment and operation of the Veterans’ Home of California at various sites, including homes in Barstow, Chula Vista, Lancaster, Ventura, and Yountville, and provides for an administrator for each home or homesite. Existing law defines “home” and “administrator” for these purposes. Existing law establishes the Veteran’s Veterans’ Home Fund in the State Treasury, which includes the proceeds of certain bonds. Existing law requires, upon appropriation of the Legislature, the Department of Veterans Affairs to use money in the fund for the purpose of designing and constructing veterans’ homes in California.

This bill would clarify that veterans’ homes include the Veterans’ Homes of California located in Chula Vista, Fresno, Lancaster, Redding, Ventura, and West Los Angeles.

Existing law requires the administrator of a veterans’ home to maintain a Morale, Welfare, and Recreation Fund, which is required to be used, at the discretion of the administrator and subject to the approval of the Secretary of Veterans Affairs, to provide for the general welfare of the veterans. Existing law specifies the moneys required to be deposited into the fund, and requires the administrator to prepare an itemized
report for the expenditures made out of, and deposits made into, the fund. Under existing law, those reports are required to be submitted to the secretary, the fiscal committees of the Assembly and Senate, the committees of the Assembly and the Senate that have subject matter jurisdiction over veterans’ affairs, and the Veterans’ Home Allied Council on or before August 20 of each year.

This bill would state the intent of the Legislature to enact legislation to create a statewide Veterans’ Home Morale, Welfare, and Recreation Fund, and to authorize the Department of Veterans Affairs to promulgate rules and regulations related to that fund through a stakeholder process that includes residents of the Veterans’ homes of California. The bill would state the Legislature’s intent that those rules and regulations include, but not be limited to, a yearly budgeting process for moneys to be expended in each home. The bill would also make technical, nonsubstantive changes to the provisions described above relating to Morale, Welfare, and Recreation Funds.

This bill would create the Veterans’ Home Morale, Welfare and Recreation Fund (“MWR Fund”), a continuously appropriated fund, in the State Treasury. The bill would require the administrator of a veterans’ home to deposit all moneys maintained in an existing Morale, Welfare and Recreation Fund into the MWR Fund. The bill would also provide for additional funding for the MWR fund from specified sources, such as operation of a canteen at a home and funds derived from the estates of deceased residents. The bill would require the department, in consultation with the residents of each home, the Veterans’ Home Allied Council, and the resident council of each home to adopt regulations that govern the process by which each home may request an annual disbursement of funds from the MWR Fund, and by which the secretary approves and acts upon a request. The bill would authorize the use of funds in the MWR Fund to provide for the general welfare of the residents of a home, as specified, and would specify restrictions on the use of those funds. The bill would authorize the administrator of a home to enter into an agreement with the Veterans’ Home Allied Council to operate facilities and activities that are related to authorized expenditures from the MWR Fund, as specified. The bill would require the department to prepare annual reports regarding moneys deposited into the MWR Fund and expenditure of those funds, as specified, and to submit the report on or before August 20 of each year to specified entities. The bill would authorize the department to invest moneys in the MWR Fund in the Surplus Money Investment Fund. The bill would
authorize the administrator of each home to establish a separate account
for the purpose of receiving donations and require the department, in
consultation with the residents of each home, to adopt regulations for
expenditure of those funds.
