SENATE BILL

No. 554

Introduced by Senator Wolk

February 26, 2015

An act to ~~add Section 167 to amend Section 12987.5 of, and to amend and repeal Section 12986 of, the Water Code, relating to water.~~

LEGISLATIVE COUNSEL'S DIGEST

SB 554, as amended, Wolk. ~~California Water Commission: disqualifying financial interest: removal from office. Delta levee maintenance.~~

Existing law establishes a delta levee maintenance program pursuant to which a local agency may request reimbursement for costs incurred in connection with the maintenance or improvement of project or nonproject levees in the Sacramento-San Joaquin Delta. Existing law declares legislative intent to reimburse eligible local agencies under this program, until July 1, 2018, in an amount not to exceed 75% of those costs that are incurred in excess of \$1,000 per mile of levee. Existing law, until July 1, 2018, authorizes the board to provide funds to an eligible local agency under this program in the form of an advance in an amount that does not exceed 75% of the estimated state share. Existing law, on and after July 1, 2018, declares the intent of the Legislature to reimburse eligible local agencies under this program in an amount not to exceed 50% of those costs that are incurred in any year for the maintenance and improvement of levees.

This bill would declare legislative intent to reimburse up to 75% of those costs incurred in any year for the maintenance or improvement of levees in excess of \$1,000 per mile of levee and would authorize the

board to advance funds in an amount that does not exceed 75% of the estimated state share to an eligible local agency.

~~Existing law, the Political Reform Act of 1974, prohibits a public official at any level of state or local government from making, participating in making, or in any way attempting to use his or her official position to influence a governmental decision in which he or she knows, or has reason to know, that he or she has a financial interest. Existing law provides that a public official has a financial interest in a decision if it is reasonably foreseeable that the decision will have a material financial effect, distinguishable from its effect on the public generally, on the official, a member of his or her immediate family, or as specified.~~

~~This bill would remove a member of the California Water Commission from office if after trial a court finds that the commission member has knowingly participated in any commission decision in which the member has a disqualifying financial interest in the decision.~~

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

- 18 Based on that information, the department may require the local

1 agency or an independent financial consultant to prepare a
2 comprehensive study on the agency's ability to pay.

3 (B) The information or comprehensive study of the agency's
4 ability to pay shall be the basis for determining the maximum

7 reimbursement allowed under paragraph (2).

8 (4) Reimbursements made to the local agency in excess of the
9 maximum allowable reimbursement shall be returned to the

11 (5) The department may recover, retroactively, excess

33 ~~that becomes operative on or before January 1, 2019, deletes or~~
34 ~~extends the dates on which it becomes inoperative and is repealed.~~

35 *SEC. 2. Section 12986 of the Water Code, as amended by*
36 *Section 2 of Chapter 549 of the Statutes of 2012, is repealed.*

~~(2) Fifty percent of any costs incurred in excess of one thousand dollars (\$1,000) per mile of levee shall be reimbursed.~~

~~(3) The maximum total reimbursement from the General Fund shall not exceed two million dollars (\$2,000,000) annually.~~

~~(b) This section shall become operative on July 1, 2018.~~

SEC. 3. Section 12987.5 of the Water Code is amended to read:

The agreement shall provide that no advance shall be made until the applicant has incurred costs averaging one thousand dollars (\$1,000) per mile of levee.

(b) Advances made under subdivision (a) shall be subtracted from amounts to be reimbursed after the work has been performed. If the department finds that work has not been satisfactorily performed or where advances made actually exceed reimbursable costs, the local agency shall promptly remit to the state all amounts advanced in excess of reimbursable costs. If advances are sought, the board may require a bond to be posted to ensure the faithful performance of the work set forth in the agreement.

~~(c) This section shall become inoperative on July 1, 2018, and, as of January 1, 2019, is repealed, unless a later enacted statute, that becomes operative on or before January 1, 2019, deletes or extends the dates on which it becomes inoperative and is repealed.~~
