SENATE BILL

No. 575

Introduced by Senator Liu

February 26, 2015

An act to add Section 10235.36 to the Insurance Code, relating to insurance.

LEGISLATIVE COUNSEL'S DIGEST

SB 575, as amended, Liu. Long-term care insurance.

Existing law provides for the regulation of long-term care insurance by the Insurance Commissioner. Existing law prohibits an insurer from delivering or issuing for delivery a long-term care policy unless the insurer offers at the time of application an option to purchase a shortened benefit period nonforfeiture benefit. Under existing law, the commissioner may require the administration by an insurer of the contingent benefit upon lapse as a condition of approval or acknowledgment of a rate adjustment for a block of business for which the contingent benefit upon lapse is not otherwise available. Under existing law, the insurer is required to notify policyholders and certificate holders of the contingent benefit upon lapse when required by the commissioner, as specified.

This bill, when a shortened benefit period nonforfeiture benefit or contingent benefit upon lapse is conferred, would require the insurer to annually notify the policyholder or certificate holder and, if elected, at least one individual designated by the policyholder or certificate

holder of (a) the availability of the shortened benefit period nonforfeiture benefit or contingent benefit upon lapse, (b) the dollar amount of the shortened benefit period nonforfeiture benefit or contingent benefit upon lapse calculated *up to* 60 days prior to the date of the annual notice, and (c) the name, address, and telephone number of the insurer for questions about the benefit. The bill would also require the insurer to mail to and receive from each policyholder or certificate holder a form that allows the policyholder or certificate holder to submit one of the following: (1) a written designation of the name, address, and telephone number of at least one person, in addition to the policyholder or certificate holder who is to receive the annual notice described above, (2) a confirmation that the policyholder or certificate holder designates the same person previously designated to receive that notice, or (3) a waiver signed and dated by the policyholder or certificate holder electing not to designate additional persons to receive the annual notice.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Section 10235.36 is added to the Insurance Code,
2 to read:
3 10235.36. (a) When a shortened benefit period nonforfeiture
4 benefit, as described in Section 10235.30, or a contingent benefit
5 upon lapse, as described in Section 10235.35, is conferred, the
6 insurer shall mail to and receive from each policyholder or
7 certificate holder an election form which allows the policyholder
8 or certificate holder to elect one of the following:
9 (1) A written designation listing the name, address, and
10 telephone number of at least one individual, in addition to the
11 policyholder or certificate holder, who is to receive the annual
12 notice as described in subdivision (c).
13 (2) A confirmation that the policyholder or certificate holder
14 designates the same person previously designated in Section
15 10235.40 to receive the annual notice as described in subdivision
16 (c).
17 (3) A waiver signed and dated by the policyholder or certificate
18 holder electing not to designate additional persons to receive the
19 annual notice as described in subdivision (c). The required waiver
20 shall read as follows:

1
 2 “I understand that I have the right to designate at least one person
 3 other than myself to receive annual notification related to the
 4 benefit retained under this long-term care insurance policy. I elect
 5 not to designate any person other than myself to receive the notice.

6
 7 _____
 8 Signature of Policyholder or Certificate Holder Date”

9 (b) The insurer shall notify all holders of a shortened benefit
 10 period nonforfeiture benefit or a contingent benefit upon lapse at
 11 the time of the annual notice as described in subdivision (c), of
 12 the right to change the election described in subdivision (a).

13 (c) At the time a shortened benefit period nonforfeiture benefit
 14 or contingent benefit upon lapse is conferred and annually
 15 thereafter the insurer shall notify all holders of the benefit and, if
 16 elected, at least one individual designated pursuant to paragraph
 17 (1) or (2) of subdivision (a) by first-class United States mail,
 18 postage prepaid, of all of the following:

19 (1) The availability of the shortened benefit period nonforfeiture
 20 benefit or contingent benefit upon lapse.

21 (2) The dollar amount of the shortened benefit period
 22 nonforfeiture benefit or contingent benefit upon lapse calculated
 23 *up to* 60 days prior to the date of the annual notice. The notice
 24 shall state that the amount may have been reduced if benefits were
 25 paid in the period subsequent to the date on which that amount
 26 was calculated.

27 (3) The name, address, and telephone number of the insurer for
 28 questions about the shortened benefit period nonforfeiture benefit
 29 or contingent benefit upon lapse.

30 (d) For individuals who hold contingent benefits upon lapse as
 31 of the effective date of this section, the insurer shall send the
 32 election form required in subdivision (a) by July 1, 2016.

33 (e) If, upon proper mailing by the insurer, the policyholder or
 34 certificate holder fails to return the election form described in
 35 subdivision (a) within 90 days, the failure will be deemed a waiver
 36 as provided in paragraph (3) of subdivision (a).
