An act to add Section 6102 to the Public Contract Code, relating to public contracts.

LEGISLATIVE COUNSEL'S DIGEST

SB 630, as introduced, Hancock. Public contracts: bidders: cost overruns.

Existing law prohibits a state agency or department, as specified, from awarding a public works or purchase contract to a bidder or contractor who has been convicted in the preceding 5 years of violating a state or federal law respecting the employment of undocumented aliens, and prohibits such bidder or contractor from being eligible to bid for or receive a public works or purchase contract.

This bill would additionally prohibit a state agency or department from awarding a public works or purchase contract to a bidder or contractor without requesting information from the bidder or contractor about cost overruns on previous public works projects or purchase contracts awarded to that bidder or contractor.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.
