CHAPTER _____

An act to add Section 679.10 to the Penal Code, relating to victims of crime.

LEGISLATIVE COUNSEL'S DIGEST

SB 674, De León. Victims of crime: nonimmigrant status.

Existing federal law provides a Form I-918, Petition for U Nonimmigrant Status (Form I-918) to request temporary immigration benefits for a person who is a victim of certain qualifying criminal activity. Existing federal law also provides a form for certifying that a person submitting a Form I-918 is a victim of certain qualifying criminal activity and is, has been, or is likely to be helpful in the investigation or prosecution of that criminal activity (Form I-918 Supplement B).

Existing state law establishes certain rights of victims and witnesses of crimes, including, among others, to be notified and to appear at all sentencing proceedings, upon request, to be notified and to appear at parole eligibility hearings, and, for certain offenses, to be notified when a convicted defendant had been ordered placed on probation.

This bill would require, upon request, that a certifying official from a certifying entity certify, as specified, “victim helpfulness” on the Form I-918 Supplement B, when the requester was a victim of a qualifying criminal activity and has been helpful, is being helpful, or is likely to be helpful to the detection, investigation, or prosecution of that qualifying criminal activity. The bill would define “certifying entity,” “certifying official,” and the qualifying criminal activity for those purposes. A “certifying entity” would include, among others, local law enforcement agencies and child protective services agencies. The bill would establish for purposes of determining helpfulness, a rebuttable presumption that a victim is helpful, has been helpful, or is likely to be helpful to the detection, investigation, or prosecution of that qualifying criminal activity, if the victim has not refused or failed to provide information and assistance reasonably requested by law enforcement. The bill would require the certifying entity to process a Form I-918 Supplement B certification within 90 days of request,

unless the noncitizen is in removal proceedings, in which case the certification is required to be processed within 14 days of request. The bill would require a certifying entity that receives a request for a Form I-918 Supplement B certification to report to the Legislature, on or before January 1, 2017, and annually thereafter, the number of victims that requested Form I-918 Supplement B certifications from the entity, the number of those certification forms that were signed, and the number that were denied.

By imposing additional duties on local government agencies, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

The people of the State of California do enact as follows:
