Introduced by Senator Wolk

February 27, 2015

An act to add Section ~~19321.5 to the Education Code, relating to the State Library.~~ 23320.2 to the *Business and Professions Code*, relating to alcoholic beverages.

LEGISLATIVE COUNSEL'S DIGEST

SB 683, as amended, Wolk. ~~Art, maps, and historical items belonging to the state: inventory and catalogue.~~ *Alcoholic beverage licenses: nonprofit organizations.*

Existing law, the Alcoholic Beverage Control Act, regulates the application for, the issuance of, the suspension of, and the conditions imposed upon, various alcoholic beverage licenses pursuant to which the licensees may exercise specified privileges in the state. Existing law authorizes the specified licenses to nonprofit organizations, as provided.

This bill would authorize the Department of Alcoholic Beverage Control to issue an onsale or offsale retail license to a nonprofit organization.

~~Existing law establishes the California State Library within the State Department of Education, places the State Library under the direction of the State Librarian, and sets forth the powers and duty of the State Librarian, including, but not limited to, collecting, preserving, and disseminating information regarding the history of the state, and purchasing and cataloging books, maps, engravings, paintings, furniture, and other materials and equipment necessary to carry out State Library programs and services.~~

~~This bill would require each state entity to conduct an inventory of every piece of art and every map or other item of historical significance in its possession and to prepare a catalogue of each item not previously catalogued. The bill would require the catalogue to be made available to the State Librarian.~~

Vote: majority. Appropriation: no. Fiscal committee: yes.
