AMENDED IN SENATE APRIL 28, 2015

SENATE BILL

No. 725

Introduced by Senator Hancock

February 27, 2015

An act to repeal, add, and repeal Section 60605.1 of the Education Code, relating to pupil instruction and services.

LEGISLATIVE COUNSEL'S DIGEST

SB 725, as amended, Hancock. Pupil instruction and services: visual and performing arts content standards.

Existing law required the State Board of Education, by June 1, 2001, to adopt content standards in the curriculum area of visual and performing arts pursuant to recommendations developed by the Superintendent of Public Instruction.

This bill would repeal those provisions and would require the state board, by June 30, 2017, to adopt, reject, or modify visual and performing arts standards submitted by the Superintendent in accordance with specified requirements. The bill would require the Superintendent to convene a panel of visual and performing arts experts, a majority of whom would be credentialed visual and performing arts teachers, for the purpose of deliberating on and recommending visual and performing arts content standards for adoption by the state board. The bill would require the Superintendent to comply with specified procedural requirements, including holding public meetings, and would require the Superintendent to submit its recommended visual and performing arts standards to the state board on or before January 30, 2017. *The bill would specify that the state board may adopt visual and performing arts content standards pursuant to the above-specified provisions only*

if the state board adopts a schedule recommended by the Superintendent for the regular update of academic content standards in all subjects for which academic content standards have been adopted. The bill would repeal the bill's provisions on January 1, 2018.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. The Legislature finds and declares all of the
2 following:
- 3 (a) Arts education helps prepare our pupils for the expectations
4 of the 21st century workforce, which includes the ability to
5 innovate, communicate, and collaborate. Employers across industry
6 sectors stress the need for innovation and creativity skills that are
7 developed by the arts.
- 8 (b) In California, 1.4 million jobs, approximately 10 percent of
9 all jobs, are directly or indirectly related to or induced by the arts.
- 10 (c) Seven and eight-tenths percent of California's gross domestic
11 product is related to the creative industry.
- 12 (d) It is in the state's best economic interest to provide pupils
13 the most current and relevant instruction in visual and performing
14 arts.
- 15 (e) The state's current visual and performing arts content
16 standards do not include connections to the Common Core State
17 Standards or 21st century skills that are necessary to the careers
18 of the future.
- 19 (f) California's content standards for the visual and performing
20 arts were last adopted 14 years ago in 2001.
- 21 (g) In the interim period, education has changed: pedagogy has
22 improved and technology has been developed that impacts
23 instruction in the visual and performing arts.
- 24 (h) There is nothing in current law that requires visual and
25 performing arts content standards to be reviewed and updated.
- 26 (i) A standards-based, sequential visual and performing arts
27 education should be accessible to all pupils in every school.
- 28 (j) Extensive research has demonstrated that arts education
29 engages pupils in learning, contributes to higher test scores, and
30 reduces truancy and dropout rates.
- 31 SEC. 2. Section 60605.1 of the Education Code is repealed.

1 SEC. 3. Section 60605.1 is added to the Education Code, to
2 read:

4 arts content standards *only if the state board adopts a schedule*
5 *recommended by the Superintendent for the regular update of*
6 *academic content standards in all subjects for which academic*
7 *content standards have been adopted by the state board. The visual*
8 *and performing arts content standards shall be adopted pursuant*
9 *to the following requirements:*

10 (1) The Superintendent, in consultation with the state board,
11 shall convene a panel of visual and performing arts experts. The

14 but is not limited to, elementary and secondary visual and
15 performing arts teachers, school principals, school district or county
16 office of education administrators, and university professors. A
17 majority of the expert panel shall be made up of credentialed visual

24 meetings pursuant to the Bagley-Keene Open Meeting Act (Article
25 9 (commencing with Section 11120) of Chapter 1 of Part 1 of
26 Division 3 of Title 2 of the Government Code) in order for the
27 public to provide input on the visual and performing arts content
28 standards that would be recommended pursuant to paragraph (1).

29 (3) The Superintendent shall submit the recommended visual
30 and performing arts content standards to the state board on or
31 before January 30, 2017.

32 (4) On or before June 30, 2017, the state board shall adopt,
33 reject, or modify the visual and performing arts content standards
34 submitted by the Superintendent.

35 (5) If the state board modifies the visual and performing arts
36 content standards presented by the Superintendent, it shall provide
37 written reasons for its modifications in a public meeting. The state
38 board shall adopt its modifications to the visual and performing
39 arts content standards at no sooner than the next regularly
40 scheduled public meeting of the state board. The public meetings

1 required by this paragraph shall be held pursuant to the
2 Bagley-Keene Open Meeting Act (Article 9 (commencing with
3 Section 11120) of Chapter 1 of Part 1 of Division 3 of Title 2 of
4 the Government Code).

5 ~~(b) The Superintendent and the state board shall present to the
6 Governor and the appropriate policy and fiscal committees of the
7 Legislature a schedule and implementation plan for integrating the
8 visual and performing arts content standards adopted pursuant to
9 this section into the state educational system.~~

10 (e)

11 (b) Nothing in this section shall be construed as mandating an
12 assessment of pupils in visual or performing arts.

13 (d)

14 (c) This section shall remain in effect only until January 1, 2018,
15 and as of that date is repealed, unless a later enacted statute, that
16 is enacted before January 1, 2018, deletes or extends that date.
