## CHAPTER \_\_\_\_\_

An act to amend Sections 28, 146, 500, 650.2, 800, 1603a, 1618.5, 1640.1, 1648.10, 1650, 1695, 1695.1, 1905.1, 1944, 2054, 2401, 2428, 2529, 2650, 2770, 2770.1, 2770.2, 2770.7, 2770.8, 2770.10, 2770.11, 2770.12, 2770.13, 2835.5, 3057, 3509.5, 4836.2, 4887, 4938, 4939, 4980.399, 4980.43, 4980.54, 4984.01, 4989.34, 4992.09, 4996.2, 4996.22, 4996.28, 4999.1, 4999.2, 4999.3, 4999.4, 4999.5, 4999.7, 4999.45, 4999.46, 4999.55, 4999.76, and 4999.100 of, to amend the heading of Article 3.1 (commencing with Section 2770) of Chapter 6 of Division 2 of, and to repeal Section 1917.2 of, the Business and Professions Code, relating to healing arts.

## LEGISLATIVE COUNSEL'S DIGEST

SB 800, Committee on Business, Professions and Economic Development. Healing arts.

Under existing law, the Department of Consumer Affairs is comprised of various boards that license and regulate the practice of various professions and vocations, including those relating to the healing arts:

(1) Existing law requires persons applying for initial licensure or renewal of a license as a psychologist, clinical social worker, professional clinical counselor, or marriage and family therapist to have completed prescribed coursework or training in child abuse assessment and reporting. Existing law requires the training to have been obtained from an accredited or approved educational institution, a continuing education provider approved by the responsible board, or a course sponsored or offered by a professional association or a local, county, or state department of health or mental health for continuing education and approved by the responsible board.

This bill would require the responsible board to specify a continuing education provider for child abuse assessment and reporting coursework by regulation, and would permit the responsible board to approve or accept a sponsored or offered course.

(2) Existing law relating to unlicensed activity enforcement lists specified provisions that require registration, licensure,

certification, or other authorization in order to engage in certain businesses or professions and, notwithstanding any other law, makes a violation of a listed provision punishable as an infraction under specified circumstances.

This bill would include in those listed provisions an existing requirement for the registration of individuals as certified polysomnographic technologists, polysomnographic technicians, and polysomnographic trainees.

The bill would also include in those listed provisions a provision of the Educational Psychologist Practice Act that makes it unlawful for any person to practice educational psychology or use any title or letters that imply that he or she is a licensed educational psychologist unless, at the time of so doing, he or she holds a valid, unexpired, and unrevoked license under that act, the violation of which is a misdemeanor. The bill would further include in those listed provisions existing requirements of the Licensed Professional Clinical Counselor Act that a person not practice or advertise the performance of professional clinical counseling services without a license and pay the license fee, as required by that act, the violation of which is a misdemeanor.

By creating new infractions, this bill would impose a state-mandated local program.

(3) The Dental Practice Act provides for the licensure and regulation of dentists by the Dental Board of California. For purposes of the act, any reference to the Board of Dental Examiners is deemed a reference to the Dental Board of California.

This bill would delete certain existing references to the Board of Dental Examiners and, instead, refer to the Dental Board of California.

(4) Existing law provides for the regulation of dental hygienists by the Dental Hygiene Committee of California, within the jurisdiction of the Dental Board of California. Existing law authorizes the committee, until January 1, 2010, to contract with the dental board to carry out any of specified provisions relating to the regulation of dental hygienists, and, on and after January 1, 2010, to contract with the dental board to perform investigations of applicants and licensees. Existing law requires a new educational program for registered dental hygienists to submit a specified feasibility study. Existing law limits the fee for each curriculum

review and site evaluation for these programs to a specified amount.

This bill would require the Dental Hygiene Committee of California to create and maintain a central file of the names of licensees, to provide an individual historical record with information on acts of licensee misconduct and discipline. The bill would remove the limiting dates from the contracting provisions, thereby authorizing the committee to contract with the dental board indefinitely to carry out any of specified provisions relating to the regulation of dental hygienists, including performing investigations of applicants and licensees. The bill would additionally limit the fee for each feasibility study review to that same specified amount.

(5) The Medical Practice Act provides for the licensure and regulation of physicians and surgeons by the Medical Board of California. Under existing law, the board issues a physician and surgeon's certificate to a licensed physician surgeon. The act prohibits a person who fails to renew his or her license within 5 years after its expiration from renewing it, and prohibits the license from being reissued, reinstated, or restored thereafter, although the act authorizes a person to apply for and obtain a new license under specified circumstances.

This bill would recast that renewal provision to prohibit renewal by a person who voluntarily cancels his or her license or who fails to renew it as described, and would authorize that person to apply for and obtain a license under those specified circumstances, without regard to reissuance, reinstatement, or restoration.

(6) Existing law relating to research psychoanalysts authorizes certain students and graduates in psychoanalysis to engage in psychoanalysis under prescribed circumstances if they register with the Medical Board of California and present evidence of their student or graduate status. Existing law authorizes that board to suspend or revoke the exemption of those persons from licensure for unprofessional conduct for, among other things, repeated acts of clearly excessive prescribing, furnishing, dispensing, or administering of drugs or treatment, use of diagnostic procedures, or use of diagnostic or treatment facilities.

This bill would substitute, for those described bases for suspension or revocation of the exemption, the commission of any act of sexual abuse, misconduct, or relations with a patient, client, or customer.

(7) The Physical Therapy Practice Act provides for the licensure and regulation of physical therapists and physical therapist assistants by the Physical Therapy Board of California. The act establishes education requirements for a physical therapist assistant, including subject matter instruction through a combination of didactic and clinical experiences, and requires the clinical experience to include at least 18 weeks of full-time experience with a variety of patients.

This bill would delete that 18-week full-time experience requirement for physical therapist assistant education.

(8) The Nursing Practice Act provides for the licensure and regulation of registered nurses and nurse practitioners by the Board of Registered Nursing. The act, on and after January 1, 2008, requires an applicant for initial qualification or certification as a nurse practitioner who has not been qualified or certified as a nurse practitioner to meet specified requirements. Certain provisions allow the board to find registered nurses qualified to use the title of “nurse practitioner.”

This bill would delete those title provisions.

The Nursing Practice Act provides for a diversion program to identify and rehabilitate registered nurses whose competency may be impaired due to abuse of alcohol and other drugs, or due to mental illness.

This bill would instead refer to the program as an intervention program.

(9) The Optometry Practice Act provides for the licensure and regulation of optometrists by the State Board of Optometry. The act prescribes license eligibility requirements, including, but not limited to, submitting proof that the person is licensed in good standing as of the date of application in every state where he or she holds a license, including compliance with continuing education requirements, submitting proof that the person has been in active practice in a state in which he or she is licensed for a total of at least 5,000 hours in 5 of the 7 consecutive years immediately preceding the date of his or her application, and has never had his or her license to practice optometry revoked or suspended. For purposes of those provisions, “in good standing” includes the requirement that the person has not been found mentally incompetent by a physician so that the person is unable to

undertake the practice of optometry in a manner consistent with the safety of a patient or the public.

This bill would delete that active practice requirement and would require that the license have never been revoked or suspended in any state where the person holds a license. The bill, with regard to making such a finding of mental incompetence, would replace a finding by a physician with a finding by a licensed psychologist or licensed psychiatrist.

(10) The Physician Assistant Practice Act requires the Physician Assistant Board to annually elect a chairperson and vice chairperson from among its members.

This bill would require the annual election of a president and vice president.

(11) Existing law relating to veterinary medicine requires a veterinary assistant to obtain a controlled substance permit from the Veterinary Medical Board in order to administer a controlled substance, and authorizes the board to deny, revoke, or suspend the permit, after notice and hearing, for any of specified causes. Existing law authorizes the board to revoke or suspend a permit for the same.

This bill would, instead, authorize the board to suspend or revoke the controlled substance permit of a veterinary assistant, after notice and hearing, for any of specified causes, and to deny, revoke, or suspend a permit for the same.

(12) The Acupuncture Licensure Act provides for the licensure and regulation of the practice of acupuncture by the Acupuncture Board. The act requires the board to issue a license to practice acupuncture to a person who meets prescribed requirements. The act requires, in the case of an applicant who has completed education and training outside the United States and Canada, documented educational training and clinical experience that meets certain standards established by the board. Existing law, commencing January 1, 2017, specifically requires the board to establish standards for the approval of educational training and clinical experience received outside the United States and Canada.

This bill would remove Canada from those provisions, thereby applying the same standards to all training and clinical experience completed outside the United States.

(13) The Board of Behavioral Sciences is responsible for administering the Licensed Marriage and Family Therapist Act,

the Educational Psychologist Practice Act, the Clinical Social Worker Practice Act, and the Licensed Professional Clinical Counselor Act.

The Licensed Marriage and Family Therapist Act provides for the licensure and regulation of marriage and family therapists by the Board of Behavioral Sciences. The act sets forth the educational and training requirements for licensure as a marriage and family therapist, including certain supervised-experience requirements whereby a prospective licensee is required to work a specified number of hours in a clinical setting under the supervision of experienced professionals. The act requires all persons to register with the board as an intern in order to be credited for postdegree hours of supervised experience gained toward licensure. The act, with regard to interns, requires all postdegree hours of experience to be credited toward licensure, except when employed in a private practice setting, if certain conditions are met. The act limits the number of hours applicants for a marriage and family therapist license may provide counseling services via telehealth.

The bill would require postdegree hours of experience to be credited toward licensure if certain conditions are met. The bill would prohibit an applicant for licensure as a marriage and family therapist from being employed or volunteering in a private practice until registered as an intern by the board. The bill would similarly prohibit an applicant for professional clinical counselor under the Licensed Professional Clinical Counselor Act from being employed or volunteering in a private practice until registered as an intern by the board.

The bill would authorize a marriage and family therapist intern and trainee to provide services via telehealth if he or she is supervised as required by the act, and is acting within the scope authorized by the act and in accordance with any regulations governing the use of telehealth promulgated by the Board of Behavioral Sciences.

The Licensed Marriage and Family Therapist Act and the Licensed Professional Clinical Counselor Act require applicants for licensure under those acts to comply with specified educational and experience requirements, including, but not limited to, hours of supervised experience, and sets forth terms, conditions, and limitations for those hours of experience, as specified.

The bill would revise those experience requirements and provide that individuals who submit applications for examination eligibility between January 1, 2016, and December 31, 2020, may alternatively qualify under the current requirements.

The Licensed Marriage and Family Therapist Act, the Educational Psychologist Practice Act, the Clinical Social Worker Practice Act, and the Licensed Professional Clinical Counselor Act require the Board of Behavioral Sciences to approve continuing education providers for specified educational courses relating to licensure for marriage and family therapists, educational psychologists, clinical social workers, and professional clinical counselors.

This bill would modify those acts to require the Board of Behavioral Sciences to identify, by regulation, acceptable continuing education providers.

The Licensed Marriage and Family Therapist Act and the Licensed Professional Clinical Counselor Act provide for the registration of interns and allow a maximum of possible renewals after initial registration, after which a new registration number is required to be obtained. The Clinical Social Worker Practice Act provides similarly for the registration and renewal of registration of associate clinical social workers. An applicant who is issued a subsequent number is barred from employment or volunteering in a private practice.

This bill would revise those provisions to refer throughout to subsequent registration numbers.

(14) Existing law provides for the registration of telephone medical advice services. Existing law imposes requirements for obtaining and maintaining registration, including a requirement that medical advice services be provided by specified licensed, registered, or certified health care professionals.

This bill would expand the specified health care professionals to include naturopathic doctors and licensed professional clinical counselors. The bill would require a service to notify the department of certain business changes, and to submit quarterly reports.

(15) This bill would additionally delete or update obsolete provisions and make conforming or nonsubstantive changes.

(16) This bill would incorporate additional changes to Section 1944 of the Business and Professions Code made by this bill and

AB 483 to take effect if both bills are chaptered and this bill is chaptered last.

(17) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

*The people of the State of California do enact as follows:*

SECTION 1. Section 28 of the Business and Professions Code is amended to read:

28. (a) The Legislature finds that there is a need to ensure that professionals of the healing arts who have demonstrable contact with victims and potential victims of child, elder, and dependent adult abuse, and abusers and potential abusers of children, elders, and dependent adults are provided with adequate and appropriate training regarding the assessment and reporting of child, elder, and dependent adult abuse that will ameliorate, reduce, and eliminate the trauma of abuse and neglect and ensure the reporting of abuse in a timely manner to prevent additional occurrences.

(b) The Board of Psychology and the Board of Behavioral Sciences shall establish required training in the area of child abuse assessment and reporting for all persons applying for initial licensure and renewal of a license as a psychologist, clinical social worker, professional clinical counselor, or marriage and family therapist. This training shall be required one time only for all persons applying for initial licensure or for licensure renewal.

(c) All persons applying for initial licensure or renewal of a license as a psychologist, clinical social worker, professional clinical counselor, or marriage and family therapist shall, in addition to all other requirements for licensure or renewal, have completed coursework or training in child abuse assessment and reporting that meets the requirements of this section, including detailed knowledge of the Child Abuse and Neglect Reporting Act (Article 2.5 (commencing with Section 11164) of Chapter 2 of Title 1 of Part 4 of the Penal Code). The training shall meet all of the following requirements:

(1) Be obtained from one of the following sources:

(A) An accredited or approved educational institution, as defined in Sections 2902, 4980.36, 4980.37, 4996.18, and 4999.12, including extension courses offered by those institutions.

(B) A continuing education provider as specified by the responsible board by regulation.

(C) A course sponsored or offered by a professional association or a local, county, or state department of health or mental health for continuing education and approved or accepted by the responsible board.

(2) Have a minimum of seven contact hours.

(3) Include the study of the assessment and method of reporting of sexual assault, neglect, severe neglect, general neglect, willful cruelty or unjustifiable punishment, corporal punishment or injury, and abuse in out-of-home care. The training shall also include physical and behavioral indicators of abuse, crisis counseling techniques, community resources, rights and responsibilities of reporting, consequences of failure to report, caring for a child's needs after a report is made, sensitivity to previously abused children and adults, and implications and methods of treatment for children and adults.

(4) An applicant shall provide the appropriate board with documentation of completion of the required child abuse training.

(d) The Board of Psychology and the Board of Behavioral Sciences shall exempt an applicant who applies for an exemption from this section and who shows to the satisfaction of the board that there would be no need for the training in his or her practice because of the nature of that practice.

(e) It is the intent of the Legislature that a person licensed as a psychologist, clinical social worker, professional clinical counselor, or marriage and family therapist have minimal but appropriate training in the areas of child, elder, and dependent adult abuse assessment and reporting. It is not intended that, by solely complying with this section, a practitioner is fully trained in the subject of treatment of child, elder, and dependent adult abuse victims and abusers.

(f) The Board of Psychology and the Board of Behavioral Sciences are encouraged to include coursework regarding the assessment and reporting of elder and dependent adult abuse in the required training on aging and long-term care issues prior to licensure or license renewal.

SEC. 2. Section 146 of the Business and Professions Code is amended to read:

146. (a) Notwithstanding any other provision of law, a violation of any code section listed in subdivision (c) is an infraction subject to the procedures described in Sections 19.6 and 19.7 of the Penal Code when either of the following applies:

(1) A complaint or a written notice to appear in court pursuant to Chapter 5c (commencing with Section 853.5) of Title 3 of Part 2 of the Penal Code is filed in court charging the offense as an infraction unless the defendant, at the time he or she is arraigned, after being advised of his or her rights, elects to have the case proceed as a misdemeanor.

No portion of the minimum fine may be suspended by the court unless as a condition of that suspension the defendant is required to submit proof of a current valid license, registration, or certificate for the profession or vocation that was the basis for his or her conviction.

SEC. 3. Section 500 of the Business and Professions Code is amended to read:

500. If the register or book of registration of the Medical Board of California, the Dental Board of California, or the California State Board of Pharmacy is destroyed by fire or other public calamity, the board, whose duty it is to keep the register or book, may reproduce it so that there may be shown as nearly as possible the record existing in the original at the time of destruction.

SEC. 4. Section 650.2 of the Business and Professions Code is amended to read:

650.2. (a) Notwithstanding Section 650 or any other provision of law, it shall not be unlawful for a person licensed pursuant to Chapter 4 (commencing with Section 1600) of Division 2 or any other person, to participate in or operate a group advertising and referral service for dentists if all of the following conditions are met:

(1) The patient referrals by the service result from patient-initiated responses to service advertising.

(2) The service advertises, if at all, in conformity with Section 651 and subdivisions (i) and (j) of Section 1680.

(3) The service does not employ a solicitor within the meaning of subdivision (j) of Section 1680.

(4) The service does not impose a fee on the member dentists dependent upon the number of referrals or amount of professional fees paid by the patient to the dentist.

(5) Participating dentists charge no more than their usual and customary fees to any patient referred.

(6) The service registers with the Dental Board of California, providing its name and address.

(7) The service files with the Dental Board of California a copy of the standard form contract that regulates its relationship with member dentists, which contract shall be confidential and not open to public inspection.

(8) If more than 50 percent of its referrals are made to one individual, association, partnership, corporation, or group of three or more dentists, the service discloses that fact in all public communications, including, but not limited to, communication by means of television, radio, motion picture, newspaper, book, or list or directory of healing arts practitioners.

(9) When member dentists pay any fee to the service, any advertisement by the service shall clearly and conspicuously disclose that fact by including a statement as follows: "Paid for by participating dentists." In print advertisements, the required statement shall be in at least 9-point type. In radio advertisements, the required statement shall be articulated so as to be clearly audible and understandable by the radio audience. In television advertisements, the required statement shall be either clearly audible and understandable to the television audience, or displayed in a written form that remains clearly visible for at least five seconds to the television audience. This subdivision shall be operative on and after July 1, 1994.

(b) The Dental Board of California may adopt regulations necessary to enforce and administer this section.

(c) The Dental Board of California may suspend or revoke the registration of any service that fails to comply with paragraph (9) of subdivision (a). No service may reregister with the board if it has a registration that is currently under suspension for a violation of paragraph (9) of subdivision (a), nor may a service reregister with the board if it had a registration revoked by the board for a

violation of paragraph (9) of subdivision (a) less than one year after that revocation.

(d) The Dental Board of California may petition the superior court of any county for the issuance of an injunction restraining any conduct that constitutes a violation of this section.

(e) It is unlawful and shall constitute a misdemeanor for a person to operate a group advertising and referral service for dentists without providing its name and address to the Dental Board of California.

(f) It is the intent of the Legislature in enacting this section not to otherwise affect the prohibitions provided in Section 650. The Legislature intends to allow the pooling of resources by dentists for the purposes of advertising.

(g) This section shall not be construed to authorize a referral service to engage in the practice of dentistry.

SEC. 5. Section 800 of the Business and Professions Code is amended to read:

800. (a) The Medical Board of California, the Board of Psychology, the Dental Board of California, the Dental Hygiene Committee of California, the Osteopathic Medical Board of California, the State Board of Chiropractic Examiners, the Board of Registered Nursing, the Board of Vocational Nursing and Psychiatric Technicians of the State of California, the State Board of Optometry, the Veterinary Medical Board, the Board of Behavioral Sciences, the Physical Therapy Board of California, the California State Board of Pharmacy, the Speech-Language Pathology and Audiology and Hearing Aid Dispensers Board, the California Board of Occupational Therapy, the Acupuncture Board, and the Physician Assistant Board shall each separately create and maintain a central file of the names of all persons who hold a license, certificate, or similar authority from that board. Each central file shall be created and maintained to provide an individual historical record for each licensee with respect to the following information:

(1) Any conviction of a crime in this or any other state that constitutes unprofessional conduct pursuant to the reporting requirements of Section 803.

(2) Any judgment or settlement requiring the licensee or his or her insurer to pay any amount of damages in excess of three thousand dollars (\$3,000) for any claim that injury or death was

proximately caused by the licensee’s negligence, error or omission in practice, or by rendering unauthorized professional services, pursuant to the reporting requirements of Section 801 or 802.

(3) Any public complaints for which provision is made pursuant to subdivision (b).

(4) Disciplinary information reported pursuant to Section 805, including any additional exculpatory or explanatory statements submitted by the licentiate pursuant to subdivision (f) of Section 805. If a court finds, in a final judgment, that the peer review resulting in the 805 report was conducted in bad faith and the licensee who is the subject of the report notifies the board of that finding, the board shall include that finding in the central file. For purposes of this paragraph, “peer review” has the same meaning as defined in Section 805.

(5) Information reported pursuant to Section 805.01, including any explanatory or exculpatory information submitted by the licensee pursuant to subdivision (b) of that section.

(b) (1) Each board shall prescribe and promulgate forms on which members of the public and other licensees or certificate holders may file written complaints to the board alleging any act of misconduct in, or connected with, the performance of professional services by the licensee.

(2) If a board, or division thereof, a committee, or a panel has failed to act upon a complaint or report within five years, or has found that the complaint or report is without merit, the central file shall be purged of information relating to the complaint or report.

(3) Notwithstanding this subdivision, the Board of Psychology, the Board of Behavioral Sciences, and the Respiratory Care Board of California shall maintain complaints or reports as long as each board deems necessary.

(c) (1) The contents of any central file that are not public records under any other provision of law shall be confidential except that the licensee involved, or his or her counsel or representative, shall have the right to inspect and have copies made of his or her complete file except for the provision that may disclose the identity of an information source. For the purposes of this section, a board may protect an information source by providing a copy of the material with only those deletions necessary to protect the identity of the source or by providing a comprehensive summary of the substance of the material.

Whichever method is used, the board shall ensure that full disclosure is made to the subject of any personal information that could reasonably in any way reflect or convey anything detrimental, disparaging, or threatening to a licensee's reputation, rights, benefits, privileges, or qualifications, or be used by a board to make a determination that would affect a licensee's rights, benefits, privileges, or qualifications. The information required to be disclosed pursuant to Section 803.1 shall not be considered among the contents of a central file for the purposes of this subdivision.

(2) The licensee may, but is not required to, submit any additional exculpatory or explanatory statement or other information that the board shall include in the central file.

(3) Each board may permit any law enforcement or regulatory agency when required for an investigation of unlawful activity or for licensing, certification, or regulatory purposes to inspect and have copies made of that licensee's file, unless the disclosure is otherwise prohibited by law.

(4) These disclosures shall effect no change in the confidential status of these records.

SEC. 6. Section 1603a of the Business and Professions Code is amended to read:

1603a. A member of the Dental Board of California who has served two terms shall not be eligible for reappointment to the board. In computing two terms hereunder, that portion of an unexpired term that a member fills as a result of a vacancy shall be excluded.

SEC. 7. Section 1618.5 of the Business and Professions Code is amended to read:

1618.5. (a) The board shall provide to the Director of the Department of Managed Health Care a copy of any accusation filed with the Office of Administrative Hearings pursuant to Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code, when the accusation is filed, for a violation of this chapter relating to the quality of care of any dental provider of a health care service plan, as defined in Section 1345 of the Health and Safety Code. There shall be no liability on the part of, and no cause of action shall arise against, the State of California, the Dental Board of California, the Department of Managed Health Care, the director of that department, or any officer, agent, employee, consultant, or contractor of the state or

the board or the department for the release of any false or unauthorized information pursuant to this section, unless the release is made with knowledge and malice.

(b) The board and its executive officer and staff shall maintain the confidentiality of any nonpublic reports provided by the Director of the Department of Managed Health Care pursuant to subdivision (i) of Section 1380 of the Health and Safety Code.

SEC. 8. Section 1640.1 of the Business and Professions Code is amended to read:

1640.1. As used in this article, the following definitions shall apply:

(a) “Specialty” means an area of dental practice approved by the American Dental Association and recognized by the board.

(b) “Discipline” means an advanced dental educational program in an area of dental practice not approved as a specialty by the American Dental Association; but offered from a dental college approved by the board.

(c) “Dental college approved by the board” means a dental school or college that is approved by the Commission on Dental Accreditation of the American Dental Association, that is accredited by a body that has a reciprocal accreditation agreement with that commission, or that has been approved by the Dental Board of California through its own approval process.

SEC. 9. Section 1648.10 of the Business and Professions Code is amended to read:

1648.10. (a) The Dental Board of California shall develop and distribute a fact sheet describing and comparing the risks and efficacy of the various types of dental restorative materials that may be used to repair a dental patient’s oral condition or defect. The fact sheet shall include:

(1) A description of the groups of materials that are available to the profession for restoration of an oral condition or defect.

(2) A comparison of the relative benefits and detriments of each group of materials.

(3) A comparison of the cost considerations associated with each group of materials.

(4) A reference to encourage discussion between patient and dentist regarding materials and to inform the patient of his or her options.

(b) The fact sheet shall be made available by the Dental Board of California to all licensed dentists.

(c) The Dental Board of California shall update the fact sheet described in subdivision (a) as determined necessary by the board.

SEC. 10. Section 1650 of the Business and Professions Code is amended to read:

1650. Every person who is now or hereafter licensed to practice dentistry in this state shall register on forms prescribed by the board, his or her place of practice with the executive officer of the Dental Board of California, or, if he or she has more than one place of practice, all of the places of practice, or, if he or she has no place of practice, to so notify the executive officer of the board. A person licensed by the board shall register with the executive officer within 30 days after the date of his or her license.

SEC. 11. Section 1695 of the Business and Professions Code is amended to read:

1695.
