LEGISLATIVE COUNSEL'S DIGEST

SB 831, Committee on Budget and Fiscal Review. Monterey County Water Resources Agency: Lake Nacimiento and Lake San Antonio.

Existing law establishes the Monterey County Water Resources Agency as a flood control and water agency within the County of Monterey. Existing law authorizes the agency to award a design-build contract for the combined design and construction of a project to connect Lake San Antonio, located in the County of Monterey, and Lake Nacimiento, located in the County of San Luis Obispo, with an underground tunnel or pipeline for the purpose of maximizing water storage, supply, and groundwater recharge.

This bill would appropriate \$10,000,000 from the General Fund to the Department of Water Resources for the purposes of a water conveyance tunnel between Lake Nacimiento and Lake San Antonio and spillway modifications at Lake San Antonio to increase storage by approximately 60,000 acre-feet. The bill would require the department to grant the \$10,000,000 appropriated for the purposes of the water conveyance tunnel and spillway modifications to the Monterey County Water Resources Agency for the purposes of constructing the water conveyance tunnel and spillway modifications, as specified.

This bill would declare that it is to take effect immediately as a bill providing for appropriations related to the Budget Bill.
