LEGISLATIVE COUNSEL'S DIGEST

SB 836, Committee on Budget and Fiscal Review. State government.

(1) Existing law requires the State Board of Optometry to be responsible for the registration and regulation of nonresident contact lens sellers and dispensing opticians. Existing law authorizes a registered dispensing optician or optical company to operate, own, or have an ownership interest in a health plan, defined as a licensed health care service plan, and authorizes an optometrist, a registered dispensing optician, an optical company,

or a health plan to execute a lease or other written agreement giving rise to a direct or indirect landlord-tenant relationship with an optometrist if specified conditions are contained in a written agreement. Existing law authorizes the board to inspect, upon request, an individual lease agreement and authorizes personal information, as defined, to be redacted from the lease agreement prior to submission of the lease agreement to the board. Existing law makes a violation of these provisions a crime.

This bill would, notwithstanding any other law and in addition to any action available to the board, authorize the board to issue a citation containing an order of abatement, an order to pay an administrative fine not to exceed $50,000, or both, as specified, for a violation of a specific section of law. The bill would require the full amount of the assessed fine to be added to the fee for renewal of a license and would prohibit the license from being renewed without payment of both the renewal fee and the fine. The bill, among other things, would also delete the authorization to redact personal information from a lease agreement, and would, therefore, expand an existing crime resulting in the imposition of a state-mandated local program.

(2) Existing law requires any health plan, defined as a licensed health care service plan, to report to the board, among other things, that 100% of its locations no longer employ an optometrist by January 1, 2019. Existing law makes a violation of this provision a crime.

This bill would instead require a registered dispensing optician or optical company that owns a health plan to meet certain milestones, including that 100% of its locations no longer employ optometrists by January 1, 2019, and report to the board whether those milestones have been met within 30 days of each milestone. The bill would also, notwithstanding any other law and in addition to any action available to the board, authorize the board to issue a citation containing an order of abatement, an order to pay an administrative fine not to exceed $50,000, or both, as specified, for a violation of a specific section of law. The bill would require the full amount of the assessed fine to be added to the fee for renewal of a license and would prohibit the license from being renewed without payment of both the renewal fee and the fine. By placing new requirements on a registered dispensing optician or

optical company, this bill would expand an existing crime, and would, therefore, impose a state-mandated local program.

(3) Under existing law, the Optometry Practice Act, the board consists of 11 members, 5 of whom are public members, 3 appointed by the Governor and one each appointed by the Senate Committee on Rules and the Speaker of the Assembly, and 6 of whom are nonpublic members appointed by the Governor. Existing law requires one of those nonpublic members to be a registered dispensing optician and requires the initial appointment of that member to replace the optometrist member whose term expired on June 1, 2015.

This bill, for appointments made on or after January 1, 2016, would authorize the Governor to appoint a spectacle lens dispenser or contact lens dispenser as that member.

(4) Existing law establishes a dispensing optician committee under the board, requires the committee to advise and make recommendations to the board regarding the regulation of dispensing opticians pursuant to the act, and tasks the committee with recommending registration standards and criteria for the registration of dispensing opticians and reviewing the disciplinary guidelines relating to registered dispensing opticians. Existing law requires the committee to consist of 2 registered dispensing opticians, 2 public members, and one member of the board.

This bill, as of January 1, 2016, would instead require one of those registered dispensing optician members to be a spectacle lens dispenser or a contact lens dispenser, would require the committee to additionally advise the board regarding the regulation of spectacle lens dispensers and contact lens dispensers, and would additionally task the committee with recommending registration standards and criteria for the registration of those dispensers and nonresident contact lens sellers and reviewing the disciplinary guidelines relating to those dispensers and nonresident contact lens sellers.

(5) Existing law establishes a system of public elementary and secondary education in this state in which local educational agencies provide instruction in kindergarten and grades 1 to 12, inclusive, in the public elementary and secondary schools. Existing law also establishes the California Community Colleges, under the administration of the Board of Governors of the California Community Colleges, and authorizes community college districts

throughout the state to provide instruction at the campuses they operate.

With respect to facilities for both public elementary and secondary schools and for community colleges, existing law requires that the Department of General Services pass upon and approve or reject all plans for the construction of, or, if the estimated cost exceeds $25,000, the alteration of, any school building. Existing law also requires, where the estimated cost of the reconstruction or alteration of, or an addition to, any school building exceeds $25,000, but does not exceed $100,000, that a licensed structural engineer examine the proposed project to determine if it is a nonstructural alteration or a structural alteration, as specified. Existing law authorizes the Department of General Services to increase the dollar amounts referenced above on an annual basis, commencing on January 1, 1999, according to an inflationary index governing construction costs that is selected and recognized by the department.

This bill would increase from $25,000 to $100,000 the estimated cost threshold for the requirement that the Department of General Services pass upon and approve or reject all plans for the construction or alteration of any school building. The bill would also increase the amounts in existing law so that, where the estimated cost of the reconstruction or alteration of, or an addition to, any school building exceeds $100,000, but does not exceed $225,000, a licensed structural engineer would be required to examine the proposed project as specified. The bill would authorize the Department of General Services to increase these dollar amounts on an annual basis, commencing on January 1, 2018, according to an inflationary index governing construction costs as referenced above.

(6) Existing law creates the Central Service Cost Recovery Fund, and provides for the deposit into that fund of amounts equal to the fair share of administrative costs due and payable from state agencies, and directs that moneys in the Central Service Cost Recovery Fund be appropriated for the administration of the state government, as determined by the Director of Finance. Existing law requires the Department of Finance to certify annually to the Controller the amount determined to be the fair share of administrative costs due and payable from each state agency, and requires the Controller to transmit to each state agency from which

administrative costs have been determined or redetermined to be due, a statement in writing setting forth the amount of the administrative costs due from the state agency and stating that, unless a written request to determine the payment is filed by the state agency, the Controller will transfer the amount of the administrative costs, or advance for administrative costs, from the special fund or funds charged to the Central Service Cost Recovery Fund or the General Fund, as specified. Existing law requires the Controller to transfer ¼ the amount determined on August 15, November 15, February 15, and May 15 of each fiscal year, as specified.

This bill would instead authorize the Department of Finance to allocate and charge a fair share of the administrative costs to all funds directly, and would require the department to certify to the Controller the amount determined to be the fair share of the administrative costs due and payable from each fund. This bill would eliminate the requirement that the Controller forward the determination of administrative costs to each state agency, and would require the Controller, upon order of the department, to transfer the amount of administrative costs, or advance for administrative costs, from special and nongovernmental cost funds to the Central Service Cost Recovery Fund or the General Fund. The bill would additionally authorize the Department of Finance to direct the Controller to advance a reasonable amount for administrative costs from a fund at any time during the year, as specified.

(7) Existing law requires a state agency if, upon receipt of the statement by the Controller, the state agency does not have funds available for the payment of the administrative costs, to notify the Controller and provide a written request to defer payment of those administrative costs, as specified.

This bill would instead require the Controller to notify the Department of Finance if a fund has an insufficient balance for the payment of the administrative costs, for direction by the department on affecting the transfer and its timing, and would make conforming changes.

(8) The Financial Information System for California (FISCal) Act establishes the FISCal system, a single integrated financial management system for the state. The act establishes the FISCal Service Center and the FISCal project office to exist concurrently

during the phased implementation of the FISCal system and requires the FISCal Service Center, upon full implementation and final acceptance of the FISCal system, to perform all maintenance and operation of the FISCal system. The act further establishes a FISCal Executive Partner who has responsibilities for the functions of the FISCal project office and the FISCal Service Center. The act requires the FISCal project office, subject to the approval of the Department of Finance, to establish and assess fees and a payment schedule for state departments and agencies to use or interface with the system, including fees to recover the costs of the FISCal system.

This bill would replace the FISCal Service Center with the Department of FISCal, with specified duties, make conforming changes, and would eliminate the FISCal Executive Partner and establish the Director of FISCal, who would be appointed by, and serve at the pleasure of, the Governor, subject to Senate confirmation. The bill would modify the requirement of the FISCal system to have a state budget transparency component. The bill would locate the department within the Government Operations Agency upon the acceptance of the system by the state, as determined by the Director of Finance. The bill would modify the fees assessed on state departments and agencies to pay for the design, development, and implementation of the system, as specified, and require administrative costs to be allocated and recovered in a specified manner.

(9) Existing law authorizes the Controller, until June 30, 2016, to procure, modify, and implement a new human resource management system that meets the needs of a modern state government, known as the 21st Century Project.

This bill would extend that authorization for one year, until June 30, 2017.

(10) The California Tourism Marketing Act authorizes the establishment of the California Travel and Tourism Commission, as a separate, independent California nonprofit mutual benefit corporation, for the purpose of promoting tourism in California, as specified. The act requires the commission to be composed of the Director of the Governor’s Office of Business and Economic Development, who serves as the chairperson, 12 commissioners appointed by the Governor, as specified, and 24 commissioners selected by industry category in a referendum, as specified. The

act further requires the commissioners to elect a vice chairperson from the 24 industry selected commissioners and authorizes the director to remove any elected commissioner following a hearing at which the commissioner is found guilty of abuse of office or moral turpitude.

This bill would instead require the 12 commissioners who are appointed by the Governor to elect the chairperson and the 24 industry-selected commissioners to elect the vice chairperson.

(11) Existing law establishes, within the Government Operations Agency, the California Victim Compensation and Government Claims Board with various duties that include, among others, compensating the victims and derivative victims of specified types of crimes for losses suffered as a result of those crimes and processing certain types of claims against the state. The board is composed of the Secretary of Government Operations, or his or her designee, the Controller, and one member who is appointed by, and serves at the pleasure of, the Governor. Existing law specifies that any reference in statute or regulation to the State Board of Control shall be construed to refer to the California Victim Compensation and Government Claims Board.

Existing law establishes, also within the Government Operations Agency, the Department of General Services with various duties providing centralized services for state entities, including, but not limited to, construction and maintenance of state buildings and property, and purchasing, printing, and architectural services.

This bill would generally transfer duties relating to government claims and government accounts from the California Victim Compensation and Government Claims Board to the Department of General Services and the Controller, as specified, and make conforming changes. The bill would rename the board the California Victim Compensation Board and make conforming name changes in provisions related to the board's remaining duties regarding the compensation of victims and derivative victims of crimes.

The bill would authorize the Department of General Services to assign any matter related to the statutory powers and duties transferred by this bill to the Office of Risk and Insurance Management or to any state office so designated and would require the department to have a seal and to fix that seal to specified documents.

(12) Existing law requires that various actions by the Controller affecting state assets be approved by the California Victim Compensation and Government Claims Board. Existing law requires that a decision by a state agency to forgo collection of taxes, licenses, fees, or moneys owed to the state that are $500 or less be approved by the California Victim Compensation and Government Claims Board, as specified.

This bill would remove those requirements to take these actions.

(13) Existing law requires claimants to pay a fee for filing certain claims against the state. Existing law requires these fees to be deposited into the General Fund and authorizes their appropriation in support of certain items of the budget.

This bill would instead require those fees to be deposited into the Service Revolving Fund and to be only available for the support of the Department of General Services upon appropriation by the Legislature.

(14) Existing law authorizes the California Victim Compensation and Government Claims Board to assess a surcharge to a state entity against which an approval claim was filed in an amount not to exceed 15% of the total approved claim.

This bill would repeal that authorization.

(15) Existing law requires the costs of administering the California employees' annual charitable campaign fund drive be paid by the agency that receives the contributions. Existing law requires these amounts to be deposited into the General Fund.

This bill would instead require these amounts to be deposited into the Service Revolving Fund and to be only available for the support of the Department of General Services upon appropriation by the Legislature.

(16) Under the California Constitution, whenever the Legislature or a state agency mandates a new program or higher level of service on any local government, including school districts, the state is required to provide a subvention of funds to reimburse the local government, with specified exceptions. Existing law establishes a procedure for local governmental agencies to file claims for reimbursement of these costs with the Commission on State Mandates. If the commission determines there are costs mandated by the state, existing law requires the commission to determine the amount to be subvened to local agencies and school districts for reimbursement, and in doing so, to adopt parameters and

guidelines for reimbursement of any claims. In adopting the parameters and guidelines, existing law authorizes the commission to adopt a reasonable reimbursement methodology, as specified.

This bill would, until July 1, 2019, require a reasonable reimbursement methodology that is based on, in whole or in part, costs that have been included in claims submitted to the Controller for reimbursement to only use costs that have been audited by the Controller, as provided. The bill would also require the Controller, in coordination with the Commission on State Mandates and Department of Finance, by October 1, 2018, to prepare a report to the Legislature regarding implementation of the new reasonable reimbursement process and for the hearings on the report to be held in the appropriate policy committees of the Legislature.

(17) The Public Employees' Medical and Hospital Care Act (PEMHCA), which is administered by the Board of Administration of the Public Employees' Retirement System (board), authorizes the board to contract for health benefit plans for employees and annuitants, as defined. Under PEMHCA, the state and contracting agencies, as defined, are required to contribute amounts sufficient to cover the board's administrative costs to a specified account in the Public Employees' Contingency Reserve Fund, expenditure of which is contingent upon approval by the Department of Finance and the Joint Legislative Budget Committee, as specified. Under PEMHCA, moneys from health benefit plans for risk adjustment, reserve moneys from terminated health benefit plans, and self-funded or minimum premium plan premiums are deposited into the Public Employees' Health Care Fund, which is continuously appropriated to pay benefits and claims costs, administrative costs, refunds, and other costs determined by the board.

This bill would condition the expenditure for administrative expenses of moneys in the Public Employees' Health Care Fund or the account for administrative expenses in the Public Employees' Contingency Reserve Fund on approval in the annual Budget Act. The bill would also discontinue the authorization for the use of moneys in the Public Employees' Health Care Fund to pay other costs determined by the board.

(18) Existing law establishes the Joint Rules Committee and authorizes it to take specified actions as an investigatory committee of the Legislature. Existing law requires the Joint Rules Committee

to allocate space in the State Capitol Building Annex, with certain exceptions, in accordance with its determination of the needs of the Legislature, as provided. Existing law vests control of the maintenance and operation of the State Capitol Building Annex in the Department of General Services. Existing law provides for the expenditure of funds for the contingent and joint expenses of the Senate and Assembly under or pursuant to the direction of the Joint Rules Committee.

This bill would authorize the Joint Rules Committee to pursue the construction of a state capitol building annex or the restoration, rehabilitation, renovation, or reconstruction of the existing State Capitol Building Annex. The bill would require that the work performed pursuant to these provisions be administered and supervised by the Department of General Services, subject to review by the State Public Works Board, pursuant to an agreement with the Joint Rules Committee. The bill would require the Department of General Services to report to the Joint Rules Committee on the scope, budget, delivery method, and schedule for any space to be constructed, restored, rehabilitated, renovated, or reconstructed pursuant to these provisions. The bill would exempt all work performed by the Department of General Services pursuant to these provisions from the State Contract Act. The bill would require that prevailing wages be paid to all workers employed on a project that is subject to these provisions. The bill would declare the intent of the Legislature regarding capitol building annex projects.

Existing law authorizes the Director of General Services, if no other agency is specifically authorized and directed, to acquire title to real property in the name of the state whenever the acquisition of real property is authorized or contemplated by law and imposes various duties on the Department of General Services with respect to the maintenance and operation of state buildings and grounds. Existing law, the State Building Construction Act of 1955, provides for the acquisition and construction of public buildings for use by state agencies by the State Public Works Board, subject to authorization by a separate act or appropriation enacted by the Legislature.

This bill would establish the State Project Infrastructure Fund and continuously appropriate the moneys in that fund for state projects, as defined, and for the report and work described above

with respect to a new state capitol building annex or the existing State Capitol Building Annex. The bill would subject the defined state projects to the approval and administrative oversight by the Department of Finance and the State Public Works Board and would require the State Public Works Board to establish the scope, cost, and delivery method for each state project. The bill would require the Department of Finance, on behalf of the Department of General Services, to provide specified notices to the Joint Legislative Budget Committee, including a notice prior to the establishment of the scope, cost, and delivery method by the State Public Works Board describing the scope, budget, delivery method, expected tenants, and schedule for any space to be constructed or renovated for each state project. The bill would also require the Department of General Services to submit, on a quarterly basis, a report on the status of each state project established by the State Public Works Board to the Joint Legislative Budget Committee and to the chairpersons of the Senate Committee on Budget and Fiscal Review and the Assembly Committee on Budget, as provided.

The California Environmental Quality Act, referred to as CEQA, requires a lead agency, as defined, to prepare, or cause to be prepared and certify the completion of an environmental impact report, referred to as an EIR, on a project that it proposes to carry out or approve that may have a significant effect on the environment or to adopt a negative declaration if it finds that the project will not have that effect. CEQA establishes a procedure for the preparation and certification of the record of proceedings upon the filing of an action or proceeding challenging a lead agency's action on the grounds of noncompliance with CEQA.

A provision of CEQA requires the Judicial Council to adopt a rule of court establishing procedures applicable to actions or proceedings brought to attack, review, set aside, void, or annul the certification of the environmental impact report for a specified entertainment and sports center project, as provided, or the granting of any project approvals that require the actions or proceedings be resolved, within 270 days of certification of the record of proceedings. Existing law also requires the preparation and certification of the administrative record for that project to comply with certain procedures. Existing law requires the draft and final EIR for that project to each include a notice containing specified

information relating to required procedures for judicial actions challenging the certification of the EIR or the approval of a project described in the EIR. Existing law requires the lead agency to conduct an informational public workshop and hold a public hearing on the draft EIR, as provided. Existing law prohibits a court from enjoining the construction or operation of specified components of the entertainment and sports center project unless the court makes specified findings.

This bill would apply similar provisions to the construction of a state capitol building annex or the restoration, rehabilitation, renovation, or reconstruction of the existing State Capitol Building Annex, as described above.

This bill would, upon the direction of the Director of Finance, transfer $1,300,000,000 from the General Fund to the State Project Infrastructure Fund. The bill would require that $1,000,000,000 of this money be transferred on or after July 1, 2016, and no later than June 30, 2017, and the remaining $300,000,000 be transferred on or after July 1, 2017.

(19) Existing law regulates the employment of minors in the entertainment industry and requires the written consent of the Labor Commissioner for a minor under 16 years of age to take part in certain types of employment. Existing law establishes a program to be administered by the commissioner that enables a minor's parent or guardian, prior to the first employment of a minor performer and under specified conditions, to obtain a temporary permit for the employment of a minor. Existing law requires the commissioner to deposit all fees for temporary permits received into the Entertainment Work Permit Fund, with the funds to be available upon appropriation by the Legislature to pay for the costs of administration of the online temporary minor's entertainment work permit program.

This bill would require those permit fees and certain other revenues to instead be deposited in the Labor Enforcement and Compliance Fund. The bill would abolish the Entertainment Work Permit Fund and transfer moneys in, and assets, liabilities, revenues, expenditures, and encumbrances of, that fund to the Labor Enforcement and Compliance Fund.

(20) Existing law requires farm labor contractors to be licensed by the commissioner and to comply with specified employment laws applicable to farm labor contractors. Existing law requires

farm labor contractors to pay license fees to the commissioner and continuously appropriates a portion of the fee revenues for enforcement and verification purposes. Existing law requires specified amounts of a license fee to be deposited in the Farmworker Remedial Account and expended by the commissioner to fund the Farm Labor Contractor Enforcement Unit and the Farm Labor Contractor License Verification Unit, and the remaining money to be credited to the General Fund.

This bill would require the money not used to fund those units to be paid instead into the Labor Enforcement and Compliance Fund and would make a conforming change.

(21) Existing law governs talent agency licensure and establishes specific fees. Existing law requires moneys collected for licenses and fines collected for violations to be paid into the State Treasury and credited to the General Fund.

This bill would instead require that all moneys collected for filing fees and licenses be credited to the Labor Enforcement and Compliance Fund, and that fines collected for violations be credited to the General Fund.

(22) Existing law establishes a Child Performer Services Permit program and requires the commissioner to deposit filing fees into the Child Performer Services Permit Fund (permit fund), the revenues of which are available, upon appropriation by the Legislature, to pay for the costs of administering the program.

This bill would require the fees to be deposited in the Labor Enforcement and Compliance Fund. The bill would abolish the permit fund and transfer any moneys in the permit fund and any assets, liabilities, revenues, expenditures, and encumbrances of that fund to the Labor Enforcement and Compliance Fund.

(23) Existing law defines "public works," for purposes of requirements regarding the payment of prevailing wages for public works projects, to include, among other things, the hauling and delivery of ready-mixed concrete, as defined, to carry out a public works contract, with respect to contracts involving any state agency or any political subdivision of the state. Existing law, also requires the entity hauling or delivering ready-mixed concrete to enter into a written subcontract agreement with, and to provide employee payroll and time records to, the party that engaged that entity within 3 days, as specified. Existing law provides that these provisions apply to public works contracts awarded on or after July 1, 2016.

This bill would extend the time to submit employee payroll records to 5 days. The bill would provide that these provisions do not apply to public works contracts advertised for bid or awarded prior to July 1, 2016.

(24) Existing law regulates various aspects of the car washing and polishing industry and requires the commissioner to collect a $250 registration fee from employers engaged in the business for each branch location and to periodically adjust the registration fee for inflation to ensure that the fee is sufficient to fund all costs to administer and enforce those provisions. Existing law requires, in addition to that fee, each employer be assessed an annual $50 fee for each branch location to be deposited in the Car Wash Worker Restitution Fund.

This bill would remove the specific amount for the registration fee and would authorize the periodic adjustment of the fee, except as specified, in an amount sufficient to fund all direct and indirect costs to administer and enforce those provisions. The bill would fix the annual fee for deposit in the Car Wash Worker Restitution Fund in an amount equaling 20% of the registration fee.

(25) Existing law requires a person employing an industrial homeworker to obtain a valid industrial homework license from the Division of Labor Standards Enforcement, and establishes license and renewal fees, to be paid into the State Treasury. Existing law requires a person doing industrial homework to have a valid homeworker's permit issued to him or her by the division and sets the fee at $25.

This bill would require those fees and permit moneys to be paid into the Labor Enforcement and Compliance Fund.

(26) Existing law, the Labor Code Private Attorneys General Act of 2004, authorizes an aggrieved employee to bring a civil action to recover specified civil penalties, that would otherwise be assessed and collected by the Labor and Workforce Development Agency (agency), on behalf of the employee and other current or former employees for the violation of certain provisions affecting employees. Existing law requires notice of the claim from the aggrieved employee to the agency and to the employer by certified mail. Existing law provides that an employee who prevails in an action under these provisions is entitled to recover his or her reasonable attorney's fees and costs.

This bill would instead require that the notice to the agency be provided online, accompanied by a reasonable filing fee not to exceed a specified amount that would be deposited into the Labor and Workforce Development Fund to cover the administrative costs of processing the notice. The bill would, for cases filed on or after July 1, 2016, extend the timeframe for the agency to notify the employer and employee that it does not intend to investigate the alleged violation. The bill would entitle an employee who prevails in an action under these provisions to also recover his or her filing fees.

This bill would declare the intent of the Legislature that the agency shall continue to assign duties under the Labor Code Private Attorneys General Act of 2004 to entities where those duties are customarily performed.

Existing law provides that the court review and approve any penalties sought as a part of a proposed settlement of a claim.

This bill would require the proposed settlement agreement to be also sent to the agency. This bill would, until July 1, 2021, authorize the agency to extend the time to complete its investigation by 60 days when the agency determines an extension is necessary and issues a notice, as specified.

(27) Existing law requires the Division of Occupational Safety and Health to require a permit for specific types of construction, demolition, and work in mines and tunnels, and requires an employer or contractor who engages in certain asbestos-related work to register with the division. Existing law requires the division to set fees for permits in an amount reasonably necessary to cover the costs involved in investigating and issuing such permits.

This bill would require the division to set the fees to be charged for permits and registrations in amounts reasonably necessary to cover the costs involved in administering the permitting and registration programs and would require all permit and registration fees collected to be deposited in the Occupational Safety and Health Fund.

(28) Existing law governs the design, erection, construction, installation, material alteration, inspection, testing, maintenance, repair, service, and operation of specific conveyances and their associated parts. Existing law establishes certification and licensing programs for inspectors, companies, and mechanics, and for conveyance inspection and permitting programs, with fees

established by the Division of Occupational Safety and Health based on prescribed costs to the division.

This bill would revise those provisions to require the fees to be based on costs to the division of administering those programs, including direct costs and a reasonable percentage attributable to the indirect costs of the division for administering those provisions.

(29) Existing law requires the Division of Occupational Safety and Health to administer a permit and inspection program for aerial passenger tramways. Existing law authorizes the division to fix fees for inspection as it deems necessary to cover the actual cost of having the inspection performed by a division safety engineer. Existing law prohibits the division from charging for inspections performed by certified insurance inspectors, but authorizes a fee of not more than $10 to cover the cost of processing the permit when issued by the division as a result of the inspection. Fees collected by the division are deposited into the Elevator Safety Account to support the program.

This bill would remove the term “aerial” in those provisions and would instead refer only to “passenger tramways.” The bill would require the division to fix and collect fees for inspection of passenger tramways to cover direct costs and a reasonable percentage attributable to the indirect costs of the division for administering those provisions. The bill would remove the cap on the processing fee. The bill would require those fees to be deposited in the Occupational Safety and Health Fund instead of the Elevator Safety Account, and would transfer specific moneys in the Elevator Safety Account to the Occupational Safety and Health Fund, together with any assets, liabilities, revenues, expenditures, and encumbrances of that fund attributable to the program, the portable amusement ride inspection program, and the Permanent Amusement Ride Safety Inspection Program.

(30) Existing law requires the Division of Occupational Safety and Health to administer a permit and inspection program for tower cranes. Existing law requires the division to set fees for permits sufficient to cover prescribed program costs. Existing law authorizes the division to collect fees for the examination and licensing of crane certifiers as necessary to cover actual costs of administration. Fees collected by the division under those provisions are deposited into the General Fund.

This bill would require the division to collect those crane certifier fees, would require all the above fees to be set to cover the costs of administering the above provisions, and would authorize the inclusion of direct costs and a reasonable percentage attributable to the indirect costs of the division for administration. The bill would require that fees be deposited in the Occupational Safety and Health Fund instead of the Elevator Safety Account.

(31) Existing law authorizes the establishment and collection of fees by the Division of Occupational Safety and Health for specified services relating to tanks, boilers, and pressure vessels. Under existing law, inspection fees collected are paid into the Pressure Vessel Account.

This bill would remove an existing $15 cap on a permit processing fee, and would require all fees relating to tanks, boilers, and pressure vessels to be in amounts sufficient to cover the division's direct and indirect costs for administering these provisions. The bill would expand the fees paid into the Pressure Vessel Account to include all fees collected under those tank, boiler, and pressure vessel provisions.

(32) Existing law, the Amusement Rides Safety Law, authorizes the establishment and collection of fees by the Division of Occupational Safety and Health for inspection and permitting of amusement rides. Fees collected under those provisions are deposited into the Elevator Safety Account. Existing law requires the division to submit an annual report on amusement ride safety to the Division of Fairs and Expositions within the Department of Food and Agriculture (DFA), including route location information submitted by permit applicants.

The bill would require the division to set fees relating to amusement rides, initially by emergency regulation, in amounts necessary to cover costs for administering those provisions, and would authorize the inclusion of direct costs and a reasonable percentage attributable to the indirect costs of the division for administration. The bill would require that fees be deposited in the Occupational Safety and Health Fund instead of the Elevator Safety Account. The bill would require the division to post the amusement ride safety report on its Internet Web site instead of submitting it to the DFA, and would make the inclusion of route location information discretionary.

(33) Existing law establishes the Permanent Amusement Ride Safety Inspection Program, which authorizes the Division of Occupational Safety to fix and collect fees to cover the costs of administering the program, and fees collected are deposited in the Elevator Safety Account.

This bill would require the division to collect those fees and include direct and reasonable indirect costs for administration. The bill would require the division to impose a penalty equal to 100% of the initial fee if a person owning or having custody, management, or operation of a permanent amusement ride fails to pay any fee required under the program within 60 days after the date of notification by the division. The bill would require that fees be deposited in the Occupational Safety and Health Fund instead of the Elevator Safety Account.

(34) Existing law establishes licensing and certification provisions relating to tunnel and mine safety for explosive blasters, gas testers, and safety representatives administered by the Division of Occupational Safety and Health. Those provisions set fees for licensure and renewals. Existing law requires those fees to be deposited in the General Fund.

This bill would revise those provisions to require the division to set fees to include direct costs and a reasonable percentage attributable to the indirect costs of the division for administration, and to deposit those fees in the Occupational Safety and Health Fund.

(35) Under existing law relating to the certification of asbestos consultants and site surveillance technicians, fees authorized to be collected by the Division of Occupational Safety and Health, as provided, are deposited in accounts within the Asbestos Training and Consultant Certification Fund.

This bill would require the division to collect those fees and require that fees be deposited in the Occupational Safety and Health Fund instead of the Asbestos Training and Consultant Certification Fund, which latter fund the bill would abolish.

(36) Existing law requires the Division of Occupational Safety and Health to inspect the operation of the rides at a permanent amusement park annually. Existing law requires operators to submit to the division an annual certificate of compliance, including a prescribed declaration by a qualified safety inspector, and to maintain prescribed records and make them available for inspection

by the division. Existing law requires the division to conduct an inspection of the operation of the rides in conjunction with an inspection of records.

This bill would exempt the division from that requirement to conduct an operational inspection of a ride in conjunction with an inspection of records if a qualified safety inspector employed by the division has already inspected the operation of the ride in connection with the execution of the current annual certificate of compliance.

(37) Existing law allows a credit against the taxes imposed under the Corporation Tax Law and the Personal Income Tax Law for each taxable year beginning on or after January 1, 2014, and before January 1, 2025, in an amount as provided in a written agreement between the Governor's Office of Business and Economic Development and the taxpayer, agreed upon by the California Competes Tax Credit Committee, and based on specified factors, including the number of jobs the taxpayer will create or retain in the state and the amount of investment in the state by the taxpayer. Existing law limits the aggregate amount of credits allocated to taxpayers to a specified sum per fiscal year.

This bill would authorize the Governor's Office of Business and Economic Development, when determining whether to enter into a written agreement with a taxpayer, to consider additional factors including, but not limited to, the financial solvency of the taxpayer and the taxpayer's compliance with state and federal laws. The bill would also state the legislative intent relating to these provisions.

(38) Existing law, the Corporation Tax Law, for taxable years beginning on or after January 1, 2015, and before January 1, 2030, allows, with regard to the manufacture of a new advanced strategic aircraft for the United States Air Force, a credit against the taxes imposed under that law in an amount equal to a specified percentage of qualified wages paid or incurred with respect to qualified full-time employees, as multiplied by an annual full-time equivalent ratio, by the qualified taxpayer. Existing law defines a "qualified taxpayer" as a prime contractor or a major first-tier contractor awarded a contract related to the New Advanced Strategic Aircraft Program. The contract was awarded in 2016 to a qualified taxpayer that is a prime contractor, and no other taxpayers are qualified taxpayers, as defined, under that contract.

This bill would allow the above-described credit for taxable years beginning on or after January 1, 2016, and before January 1, 2031, as the New Advanced Strategic Aircraft Program contract was awarded in 2016.

(39) Existing law, federal Workforce Innovation and Opportunity Act, provides for workforce investment activities, including activities in which states may participate. Existing law provides that the California Workforce Development Board is responsible for assisting the Governor in the development, oversight, and continuous improvement of California's workforce investment system.

Existing law requires the Director of Employment Development to permit information in his or her possession to be used for specified purposes, including to assist various state agencies to perform specified duties.

This bill would require the director to permit the use of information in his or her possession to enable the California Workforce Development Board, the Chancellor of the California Community Colleges, the Superintendent of Public Instruction, the Department of Rehabilitation, the State Department of Social Services, the Bureau for Private Postsecondary Education, the Department of Industrial Relations, Division of Apprenticeship Standards, and the Employment Training Panel to access any relevant quarterly wage data necessary for the evaluation and reporting of their respective program performance outcomes.

(40) Existing law requires the California Workforce Development Board to assist the Governor in developing and updating comprehensive state performance accountability measures to assess the effectiveness of core programs in the state. As part of that process, existing law authorizes the State Department of Education to collect the social security numbers of adults participating in adult education programs so that accurate participation in those programs can be represented. Existing law requires the State Department of Education to keep this information confidential.

This bill would authorize the State Department of Education to share the social security numbers of adults participating in adult education programs with the Employment Development Department, and would require the Employment Development Department to keep the information confidential and only use it

to track the labor market progress of program participants, as specified.

(41) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

(42) This bill would declare that it is to take effect immediately as a bill providing for appropriations related to the Budget Bill.

Appropriation: yes.

The people of the State of California do enact as follows:

SECTION 1. Section 655 of the Business and Professions Code is amended to read:

655. (a) For the purposes of this section, the following terms have the following meanings:

(1) "Health plan" means a health care service plan licensed pursuant to the Knox-Keene Health Care Service Plan Act of 1975 (Chapter 2.2 (commencing with Section 1340) of Division 2 of the Health and Safety Code).

(2) "Optical company" means a person or entity that is engaged in the manufacture, sale, or distribution to physicians and surgeons, optometrists, health plans, or dispensing opticians of lenses, frames, optical supplies, or optometric appliances or devices or kindred products.

(3) "Optometrist" means a person licensed pursuant to Chapter 7 (commencing with Section 3000) or an optometric corporation, as described in Section 3160.

(4) "Registered dispensing optician" means a person licensed pursuant to Chapter 5.5 (commencing with Section 2550).

(5) "Therapeutic ophthalmic product" means lenses or other products that provide direct treatment of eye disease or visual rehabilitation for diseased eyes.

(b) No optometrist may have any membership, proprietary interest, coownership, or any profit-sharing arrangement, either by stock ownership, interlocking directors, trusteeship, mortgage, or trust deed, with any registered dispensing optician or any optical company, except as otherwise permitted under this section.

(c) (1) A registered dispensing optician or an optical company may operate, own, or have an ownership interest in a health plan so long as the health plan does not directly employ optometrists to provide optometric services directly to enrollees of the health plan, and may directly or indirectly provide products and services to the health plan or its contracted providers or enrollees or to other optometrists. For purposes of this section, an optometrist may be employed by a health plan as a clinical director for the health plan pursuant to Section 1367.01 of the Health and Safety Code or to perform services related to utilization management or quality assurance or other similar related services that do not require the optometrist to directly provide health care services to enrollees. In addition, an optometrist serving as a clinical director may not employ optometrists to provide health care services to enrollees of the health plan for which the optometrist is serving as clinical director. For the purposes of this section, the health plan's utilization management and quality assurance programs that are consistent with the Knox-Keene Health Care Service Plan Act of 1975 (Chapter 2.2 (commencing with Section 1340) of Division 2 of the Health and Safety Code) do not constitute providing health care services to enrollees.

(2) The registered dispensing optician or optical company shall not interfere with the professional judgment of the optometrist.

(3) The Department of Managed Health Care shall forward to the State Board of Optometry any complaints received from consumers that allege that an optometrist violated the Optometry Practice Act (Chapter 7 (commencing with Section 3000)). The Department of Managed Health Care and the State Board of Optometry shall enter into an Inter-Agency Agreement regarding the sharing of information related to the services provided by an optometrist that may be in violation of the Optometry Practice Act that the Department of Managed Health Care encounters in the course of the administration of the Knox-Keene Health Care Service Plan Act of 1975 (Chapter 2.2 (commencing with Section 1340) of Division 2 of the Health and Safety Code).

(d) An optometrist, a registered dispensing optician, an optical company, or a health plan may execute a lease or other written agreement giving rise to a direct or indirect landlord-tenant relationship with an optometrist, if all of the following conditions

are contained in a written agreement establishing the landlord-tenant relationship:

(1) (A) The practice shall be owned by the optometrist and in every phase be under the optometrist's exclusive control, including the selection and supervision of optometric staff, the scheduling of patients, the amount of time the optometrist spends with patients, fees charged for optometric products and services, the examination procedures and treatment provided to patients and the optometrist's contracting with managed care organizations.

(B) Subparagraph (A) shall not preclude a lease from including commercially reasonable terms that: (i) require the provision of optometric services at the leased space during certain days and hours, (ii) restrict the leased space from being used for the sale or offer for sale of spectacles, frames, lenses, contact lenses, or other ophthalmic products, except that the optometrist shall be permitted to sell therapeutic ophthalmic products if the registered dispensing optician, health plan, or optical company located on or adjacent to the optometrist's leased space does not offer any substantially similar therapeutic ophthalmic products for sale, (iii) require the optometrist to contract with a health plan network, health plan, or health insurer, or (iv) permit the landlord to directly or indirectly provide furnishings and equipment in the leased space.

(2) The optometrist's records shall be the sole property of the optometrist. Only the optometrist and those persons with written authorization from the optometrist shall have access to the patient records and the examination room, except as otherwise provided by law.

(3) The optometrist's leased space shall be definite and distinct from space occupied by other occupants of the premises, have a sign designating that the leased space is occupied by an independent optometrist or optometrists and be accessible to the optometrist after hours or in the case of an emergency, subject to the facility's general accessibility. This paragraph shall not require a separate entrance to the optometrist's leased space.

(4) All signs and displays shall be separate and distinct from that of the other occupants and shall have the optometrist's name and the word "optometrist" prominently displayed in connection therewith. This paragraph shall not prohibit the optometrist from advertising the optometrist's practice location with reference to other occupants or prohibit the optometrist or registered dispensing

optician from advertising their participation in any health plan's network or the health plan's products in which the optometrist or registered dispensing optician participates.

(5) There shall be no signs displayed on any part of the premises or in any advertising indicating that the optometrist is employed or controlled by the registered dispensing optician, health plan or optical company.

(6) Except for a statement that an independent doctor of optometry is located in the leased space, in-store pricing signs and as otherwise permitted by this subdivision, the registered dispensing optician or optical company shall not link its advertising with the optometrist's name, practice, or fees.

(7) Notwithstanding paragraphs (4) and (6), this subdivision shall not preclude a health plan from advertising its health plan products and associated premium costs and any copayments, coinsurance, deductibles, or other forms of cost sharing, or the names and locations of the health plan's providers, including any optometrists or registered dispensing opticians that provide professional services, in compliance with the Knox-Keene Health Care Service Plan Act of 1975 (Chapter 2.2 (commencing with Section 1340) of Division 2 of the Health and Safety Code).

(8) A health plan that advertises its products and services in accordance with paragraph (7) shall not advertise the optometrist's fees for products and services that are not included in the health plan's contract with the optometrist.

(9) The optometrist shall not be precluded from collecting fees for services that are not included in a health plan's products and services, subject to any patient disclosure requirements contained in the health plan's provider agreement with the optometrist or that are not otherwise prohibited by the Knox-Keene Health Care Service Plan Act of 1975 (Chapter 2.2 (commencing with Section 1340) of Division 2 of the Health and Safety Code).

(10) The term of the lease shall be no less than one year and shall not require the optometrist to contract exclusively with a health plan. The optometrist may terminate the lease according to the terms of the lease. The landlord may terminate the lease for the following reasons:

(A) The optometrist's failure to maintain a license to practice optometry or the imposition of restrictions, suspension or revocation of the optometrist's license or if the optometrist or the

optometrist’s employee is or becomes ineligible to participate in state or federal government-funded programs.

(B) Termination of any underlying lease where the optometrist has subleased space, or the optometrist’s failure to comply with the underlying lease provisions that are made applicable to the optometrist.

(C) If the health plan is the landlord, the termination of the provider agreement between the health plan and the optometrist, in accordance with the Knox-Keene Health Care Service Plan Act of 1975 (Chapter 2.2 (commencing with Section 1340) of Division 2 of the Health and Safety Code).

(D) Other reasons pursuant to the terms of the lease or permitted under the Civil Code.

(11) The landlord shall act in good faith in terminating the lease and in no case shall the landlord terminate the lease for reasons that constitute interference with the practice of optometry.

(12) Lease or rent terms and payments shall not be based on number of eye exams performed, prescriptions written, patient referrals or the sale or promotion of the products of a registered dispensing optician or an optical company.

(13) The landlord shall not terminate the lease solely because of a report, complaint, or allegation filed by the optometrist against the landlord, a registered dispensing optician or a health plan, to the State Board of Optometry or the Department of Managed Health Care or any law enforcement or regulatory agency.

(14) The landlord shall provide the optometrist with written notice of the scheduled expiration date of a lease at least 60 days prior to the scheduled expiration date. This notice obligation shall not affect the ability of either party to terminate the lease pursuant to this section. The landlord may not interfere with an outgoing optometrist’s efforts to inform the optometrist’s patients, in accordance with customary practice and professional obligations, of the relocation of the optometrist's practice.

(15) The State Board of Optometry may inspect, upon request, an individual lease agreement pursuant to its investigational authority, and if such a request is made, the landlord or tenant, as applicable, shall promptly comply with the request. Failure or refusal to comply with the request for lease agreements within 30 days of receiving the request constitutes unprofessional conduct and is grounds for disciplinary action by the appropriate regulatory

agency. This section shall not affect the Department of Managed Health Care's authority to inspect all books and records of a health plan pursuant to Section 1381 of the Health and Safety Code.

Any financial information contained in the lease submitted to a regulatory entity, pursuant to this paragraph, shall be considered confidential trade secret information that is exempt from disclosure under the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1 of the Government Code).

(16) This subdivision shall not be applicable to the relationship between any optometrist employee and the employer medical group, or the relationship between a medical group exclusively contracted with a health plan regulated by the Department of Managed Health Care and that health plan.

(e) No registered dispensing optician may have any membership, proprietary interest, coownership, or profit-sharing arrangement either by stock ownership, interlocking directors, trusteeship, mortgage, or trust deed, with an optometrist, except as permitted under this section.

(f) Nothing in this section shall prohibit a person licensed under Chapter 5 (commencing with Section 2000) or its professional corporation from contracting with or employing optometrists, ophthalmologists, or optometric assistants and entering into a contract or landlord tenant relationship with a health plan, an optical company, or a registered dispensing optician, in accordance with Sections 650 and 654 of this code.

(g) Any violation of this section constitutes a misdemeanor as to such person licensed under Chapter 7 (commencing with Section 3000) of this division and as to any and all persons, whether or not so licensed under this division, who participate with such licensed person in a violation of any provision of this section.

(h) (1) Notwithstanding any other law and in addition to any action available to the State Board of Optometry, the State Board of Optometry may issue a citation containing an order of abatement, an order to pay an administrative fine, or both, to an optical company, an optometrist, or a registered dispensing optician for a violation of this section. The administrative fine shall not exceed fifty thousand dollars ($50,000). In assessing the amount of the fine, the board shall give due consideration to all of the following:

(A) The gravity of the violation.

(B) The good faith of the cited person or entity.

(C) The history of previous violations of the same or similar nature.

(D) Evidence that the violation was or was not willful.

(E) The extent to which the cited person or entity has cooperated with the board's investigation.

(F) The extent to which the cited person or entity has mitigated or attempted to mitigate any damage or injury caused by the violation.

(G) Any other factors as justice may require.

(2) A citation or fine assessment issued pursuant to a citation shall inform the cited person or entity that if a hearing is desired to contest the finding of a violation, that hearing shall be requested by written notice to the board within 30 days of the date of issuance of the citation or assessment. If a hearing is not requested pursuant to this section, payment of any fine shall not constitute an admission of the violation charged. Hearings shall be held pursuant to Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code.

(3) The board shall adopt regulations to implement a system for the issuance of citations, administrative fines, and orders of abatement authorized by this section. The regulations shall include provisions for both of the following:

(A) The issuance of a citation without an administrative fine.

(B) The opportunity for a cited person or entity to have an informal conference with the executive officer of the board in addition to the hearing described in paragraph (2).

(4) The failure of a licensee to pay a fine within 30 days of the date of assessment, unless the citation is being appealed, may result in disciplinary action being taken by the board. Where a citation is not contested and a fine is not paid, the full amount of the assessed fine shall be added to the fee for renewal of the license. A license shall not be renewed without payment of the renewal fee and fine.

(5) Notwithstanding any other law, if a fine is paid to satisfy an assessment based on the finding of a violation, payment of the fine shall be represented as satisfactory resolution of the matter for purposes of public disclosure.

(i) Administrative fines collected pursuant to this section shall be deposited in the Dispensing Opticians Fund. It is the intent of the Legislature that moneys collected as fines and deposited in the fund be used by the board primarily for enforcement purposes.

SEC. 2. Section 2556.1 of the Business and Professions Code is amended to read:

2556.1. All licensed optometrists and registered dispensing opticians who are in a colocated setting shall report the business relationship to the State Board of Optometry, as determined by the board. The State Board of Optometry shall have the authority to inspect any premises at which the business of a registered dispensing optician is colocated with the practice of an optometrist, for the purposes of determining compliance with Section 655. The inspection may include the review of any written lease agreement between the registered dispensing optician and the optometrist or between the optometrist and the health plan. Failure to comply with the inspection or any request for information by the board may subject the party to disciplinary action. The board shall provide a copy of its inspection results, if applicable, to the Department of Managed Health Care.

SEC. 3. Section 2556.2 of the Business and Professions Code is amended to read:

2556.2. (a) Notwithstanding any other law, subsequent to the effective date of this section and until January 1, 2019, any individual, corporation, or firm operating as a registered dispensing optician under this chapter before the effective date of this section, or an employee of such an entity, shall not be subject to any action for engaging in conduct prohibited by Section 2556 or Section 655 as those sections existed prior to the effective date of this bill, except that a registrant shall be subject to discipline for duplicating or changing lenses without a prescription or order from a person duly licensed to issue the same.

(b) Nothing in this section shall be construed to imply or suggest that a person registered under this chapter is in violation of or in compliance with the law.

(c) This section shall not apply to any business relationships prohibited by Section 2556 commencing registration or operations on or after the effective date of this section.

(d) Subsequent to the effective date of this section and until January 1, 2019, nothing in this section shall prohibit an individual,

corporation, or firm operating as a registered dispensing optician from engaging in a business relationship with an optometrist licensed pursuant to Chapter 7 (commencing with Section 3000) before the effective date of this section at locations registered with the Medical Board of California before the effective date of this section.

(e) This section does not apply to any administrative action pending, litigation pending, cause for discipline, or cause of action accruing prior to September 1, 2015.

(f) Any registered dispensing optician or optical company that owns a health plan that employs optometrists, subject to this section, shall comply with the following milestones:

(1) By January 1, 2017, 15 percent of its locations shall no longer employ an optometrist.

(2) By August 1, 2017, 45 percent of its locations shall no longer employ an optometrist.

(3) By January 1, 2019, 100 percent of its locations shall no longer employ an optometrist.

(g) Any registered dispensing optician or optical company that owns a health plan that employs optometrists shall report to the State Board of Optometry in writing as to whether it has met each of the milestones in subdivision (f) within 30 days of each milestone. The State Board of Optometry shall provide those reports as soon as it receives them to the director and the Legislature. The report to the Legislature shall be submitted in compliance with Section 9795 of the Government Code.

(h) (1) Notwithstanding any other law and in addition to any action available to the State Board of Optometry, the State Board of Optometry may issue a citation containing an order of abatement, an order to pay an administrative fine, or both, to an optical company, an optometrist, or a registered dispensing optician for a violation of this section. The administrative fine shall not exceed fifty thousand dollars ($50,000). In assessing the amount of the fine, the board shall give due consideration to all of the following:

(A) The gravity of the violation.

(B) The good faith of the cited person or entity.

(C) The history of previous violations of the same or similar nature.

(D) Evidence that the violation was or was not willful.

(E) The extent to which the cited person or entity has cooperated with the board's investigation.

(F) The extent to which the cited person or entity has mitigated or attempted to mitigate any damage or injury caused by the violation.

(G) Any other factors as justice may require.

(2) A citation or fine assessment issued pursuant to a citation shall inform the cited person or entity that if a hearing is desired to contest the finding of a violation, that hearing shall be requested by written notice to the board within 30 days of the date of issuance of the citation or assessment. If a hearing is not requested pursuant to this section, payment of any fine shall not constitute an admission of the violation charged. Hearings shall be held pursuant to Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code.

(3) The board shall adopt regulations to implement a system for the issuance of citations, administrative fines, and orders of abatement authorized by this section. The regulations shall include provisions for both of the following:

(A) The issuance of a citation without an administrative fine.

(B) The opportunity for a cited person or entity to have an informal conference with the executive officer of the board in addition to the hearing described in paragraph (2).

(4) The failure of a licensee to pay a fine within 30 days of the date of assessment, unless the citation is being appealed, may result in disciplinary action being taken by the board. In making these adjustments, the board of governors may round the per unit fee and the per term or per session fee to the nearest dollar.

(c) For the purposes of computing apportionments to community college districts pursuant to Section 84750.5, the board of governors shall subtract, from the total revenue owed to each district, 98 percent of the revenues received by districts from charging a fee pursuant to this section.

(2) California State University or University of California students enrolled in remedial classes provided by a community college district on a campus of the University of California or a campus of the California State University, for whom the district claims an attendance apportionment pursuant to an agreement between the district and the California State University or the University of California.

(f) The governing board of a community college district may exempt special part-time students admitted pursuant to Section 76001 from the fee requirement.

(iii) A process for reestablishing fee waiver eligibility that provides a student with a reasonable opportunity to continue or resume his or her enrollment at a community college.

(B) To ensure that students are not unfairly impacted by the requirements of subparagraph (A) of paragraph (1), the board of governors shall establish a reasonable implementation period that commences no sooner than one year from adoption of the minimum academic and progress standards, or any subsequent changes to these standards, pursuant to subparagraph (A) of paragraph (1) and that is phased in to provide students adequate notification of this requirement and information about available support resources.

(3) It is the intent of the Legislature that minimum academic and progress standards adopted pursuant to subparagraph (A) of paragraph (1) be implemented only as campuses develop and implement the student support services and interventions necessary to ensure no disproportionate impact to students based on ethnicity, gender, disability, or socioeconomic status. The board of governors shall consider the ability of community college districts to meet the requirements of this paragraph before adopting minimum academic and progress standards, or any subsequent changes to these standards, pursuant to subparagraph (A) of paragraph (1).

(4) It is the intent of the Legislature to ensure that a student shall not lose fee waiver eligibility without a community college campus first demonstrating a reasonable effort to provide a student with adequate notification and assistance in maintaining his or her fee waiver eligibility. (2) The individual killed in the attacks was a resident of California on September 11, 2001.

(k) A determination of whether a person is a resident of California on September 11, 2001, for purposes of subdivision (j) shall be based on the criteria set forth in Chapter 1 (commencing with Section 68000) of Part 41 of Division 5 for determining nonresident and resident tuition.

(*l*) (1) "Dependent," for purposes of subdivision (j), is a person who, because of his or her relationship to an individual killed as a result of injuries sustained during the terrorist attacks of September 11, 2001, qualifies for compensation under the federal September 11th Victim Compensation Fund of 2001 (Title IV (commencing with Section 401) of Public Law 107-42).

(2) A dependent who is the surviving spouse of an individual killed in the terrorist attacks of September 11, 2001, is entitled to the waivers provided in this section until January 1, 2013.

(3) A dependent who is the surviving child, natural or adopted, of an individual killed in the terrorist attacks of September 11, 2001, is entitled to the waivers under subdivision (j) until that person attains 30 years of age.

(4) A dependent of an individual killed in the terrorist attacks of September 11, 2001, who is determined to be eligible by the

California Victim Compensation Board, is also entitled to the waivers provided in this section until January 1, 2013.

(2) From funds provided in the annual Budget Act, the board of governors shall allocate to community college districts, pursuant to this subdivision, an amount equal to 2 percent of the fees waived pursuant to subdivisions (g) to (j), inclusive. From funds provided in the annual Budget Act, the board of governors shall allocate to community college districts, pursuant to this subdivision, an amount equal to ninety-one cents ($0.91) per credit unit waived pursuant to subdivisions (g) to (j), inclusive. It is the intent of the Legislature that funds provided pursuant to this subdivision be used to support the determination of financial need and delivery of student financial aid services, on the basis of the number of students for whom fees are waived. It also is the intent of the Legislature that the funds provided pursuant to this subdivision directly offset mandated costs claimed by community college districts pursuant to Commission on State Mandates consolidated Test Claims 99-TC-13 (Enrollment Fee Collection) and 00-TC-15 (Enrollment Fee Waivers). Funds allocated to a community college district for determination of financial need and delivery of student financial aid services shall supplement, and shall not supplant, the level of funds allocated for the administration of student financial aid programs during the 1992–93 fiscal year.

(n) The board of governors shall adopt regulations implementing this section.

(o) This section shall become operative on May 1, 2012, only if subdivision (b) of Section 3.94 of the Budget Act of 2011 is operative.

SEC. 25. Section 81133 of the Education Code is amended to read:

81133. (a) The Department of General Services shall pass upon, and approve or reject, all plans for the construction or, if the estimated cost exceeds one hundred thousand dollars ($100,000), the alteration of any school building. To enable it to do so, the governing board of each community college district and any other school authority before adopting any plans for the school building

shall submit the plans to the Department of General Services for approval, and shall pay the fees prescribed in this article.

(b) Notwithstanding subdivision (a), where the estimated cost of reconstruction or alteration of, or addition to, a school building exceeds one hundred thousand dollars ($100,000), but does not exceed two hundred twenty-five thousand dollars ($225,000), a licensed structural engineer shall examine the proposed project to determine if it is a nonstructural alteration or a structural alteration. If he or she determines that the project is a nonstructural alteration, he or she shall prepare a statement so indicating. If he or she determines that the project is structural, he or she shall prepare plans and specifications for the project which shall be submitted to the Department of General Services for review and approval. A copy of the engineer's report stating that the work does not affect structural elements shall be filed with the Department of General Services.

(c) If a licensed structural engineer submits a report to the Department of General Services stating that the plans or activities authorized pursuant to subdivision (b) do not involve structural elements, then all of the following shall apply to that project:

(1) The design professional in responsible charge of the project undertaken pursuant to this subdivision shall certify that the plans and specifications for the project meet any applicable fire and life safety standards, and do not affect the disabled access requirements of Section 4450 of the Government Code, and shall submit this certification to the Department of General Services. The letter of certification shall bear the identifying licensing stamp or seal of the design professional. This paragraph does not preclude a design professional from submitting plans and specifications to the Department of General Services along with the appropriate fee for review.

(2) Within 10 days of the completion of any project authorized pursuant to subdivision (b), the school construction inspector of record on the project, who is certified by the Department of General Services to inspect school buildings, shall certify in writing to the Department of General Services that the reconstruction, alteration, or addition has been completed in compliance with the plans and specifications.

(3) The dollar amounts cited in this section shall be increased on an annual basis, commencing January 1, 2018, by the

Department of General Services according to an inflationary index governing construction costs that is selected and recognized by the Department of General Services.

(4) No community college district shall subdivide a project for the purpose of evading the limitation on amounts cited in this section.

(5) Before letting any contract for any construction or alteration of any school building, the written approval of the plans, as to safety of design and construction, by the Department of General Services, shall first be had and obtained.

(6) In each case the application for approval of the plans shall be accompanied by the plans and full, complete, and accurate specifications, and structural design computations, and estimates of cost, which shall comply in every respect with any and all requirements prescribed by the Department of General Services.

(7) (A) The application shall be accompanied by a filing fee in amounts as determined by the Department of General Services based on the estimated cost according to the following schedule:

(i) For the first one million dollars ($1,000,000), a fee of not more than 0.7 percent of the estimated cost.

(ii) For all costs in excess of one million dollars ($1,000,000), a fee of not more than 0.6 percent of the estimated cost.

(B) The minimum fee in any case shall be two hundred fifty dollars ($250). If the actual cost exceeds the estimated cost by more than 5 percent, a further fee shall be paid to the Department of General Services, based on the above schedule and computed on the amount by which the actual cost exceeds the amount of the estimated cost.

(8) (A) All fees collected under this article shall be paid into the State Treasury and credited to the Public School Planning, Design, and Construction Review Revolving Fund, and are continuously appropriated, without regard to fiscal years, for the use of the Department of General Services, subject to approval of the Department of Finance, in carrying out this article.

(B) Adjustments in the amounts of the fees, as determined by the Department of General Services and approved by the Department of Finance, shall be made within the limits set in paragraph (7) in order to maintain a reasonable working balance in the fund.

(9) No contract for the construction or alteration of any school building, made or executed by the governing board of any community college district or other public board, body, or officer otherwise vested with authority to make or execute this contract, is valid, and no public money shall be paid for any work done under this contract or for any labor or materials furnished in constructing or altering the building, unless the plans, specifications, and estimates comply in every particular with the provisions of this article and the requirements prescribed by the Department of General Services and unless the approval thereof in writing has first been had and obtained from the Department of General Services.

(d) For purposes of this section, "design professional in responsible charge" or "design professional" means the licensed architect, licensed structural engineer, or licensed civil engineer who is responsible for the completion of the design work involved with the project.

SEC. 26. Section 89750.5 of the Education Code is amended to read:

89750.5. (a) Notwithstanding Sections 948 and 965.2 of the Government Code or any other law, the trustees may settle, adjust, or compromise any pending action or final judgment, without the need for a recommendation, certification, or approval from any other state officer or entity. The Controller shall draw a warrant for the payment of any settlement, adjustment, or compromise, or final judgment against the trustees if the trustees certify that a sufficient appropriation for the payment of the settlement, adjustment, compromise, or final judgment exists.

(b) Notwithstanding paragraph (3) of subdivision (b) of Section 905.2 of the Government Code or any other law, the trustees may pay any claim for money or damages on express contract or for an injury for which the trustees or their officers or employees are liable, without approval of the Department of General Services, if the trustees determine that payment of the claim is in the best interests of the California State University and that funds are available to pay the claim. The authority of the trustees conferred by this subdivision does not alter any other requirements governing claims in the Government Claims Act (Division 3.6 (commencing with Section 810) of Title 1 of the Government Code), except to grant the trustees authority to pay these claims.

(c) Notwithstanding Chapter 3 (commencing with Section 13940) of Part 4 of Division 3 of Title 2 of the Government Code, the trustees may discharge from accountability the sum of one thousand dollars ($1,000) or less, owing to the California State University, if the trustees determine that the money is uncollectible or the amount does not justify the cost of collection. A discharge of accountability by the trustees does not release any person from the payment of any moneys due the California State University.

If the replacement value is not settled between the owner and the department, the replacement value shall be determined by an appraiser appointed by the director and an appraiser appointed by the owner. Appraiser's fees shall be paid by the appointing party. Disputes between these two appraisers shall be submitted to arbitration under the Commercial Arbitration Rules of the American Arbitration Association.

(b) If the department provides replacement stock to an aquaculturist whose plants or animals are destroyed pursuant to subdivision (e) of Section 15505, the amount to be paid to the aquaculturist pursuant to this section shall be reduced by the value of the replacement stock, as determined by the department.

(c) The result of the arbitration or the amount settled between the owner and the department, reduced by the value determined

(b) This section is ancillary only, and shall not be construed to create a new cause of action.

(c) The refusal by a public entity or officer thereof to admit liability pursuant to a contract of insurance shall not be considered arbitrary or capricious action or conduct within the meaning of this section.

SEC. 33. Section 850.6 of the Government Code is amended to read:

850.6. (a) Whenever a public entity provides fire protection or firefighting service outside of the area regularly served and protected by the public entity providing that service, the public entity providing the service is liable for any injury for which liability is imposed by statute caused by its act or omission or the act or omission of its employee occurring in the performance of that fire protection or firefighting service. However, the department shall not request an amount that shall be submitted for legislative approval pursuant to Section 13928.

If in the judgment of the Director of Finance, a state agency has not transferred the funds on a timely basis, the Department of Finance may certify to the Controller the amount that the agency should have transferred to the Central Service Cost Recovery Fund or the General Fund, and the Controller shall transfer the funds to the Central Service Cost Recovery Fund or the General Fund.

(e) General use mobile equipment having an original purchase price of twenty-five thousand dollars ($25,000) or more shall not be rented or leased from a nonstate source and payment therefor shall not be made from any appropriation for the use of the Department of Transportation, without the prior approval of the Department of General Services after a determination that comparable state-owned equipment is not available, unless obtaining approval would endanger life or property, in which case the transaction and the justification for not having sought prior approval shall be reported immediately thereafter to the Department of General Services.

(f) As used in this section:

(1) "General use mobile equipment" means equipment that is listed in the Mobile Equipment Inventory of the State Equipment Council and capable of being used by more than one state agency, and shall not be deemed to refer to equipment having a practical use limited to the controlling state agency only. Adjustments to correct any other errors in payments to or by the board, including adjustments of contributions, with interest, that are found to be erroneous as the result of corrections of dates of birth, may be made in the same manner. Adjustments to correct overpayment of a retirement allowance may also be made by adjusting the allowance so that the retired person or the retired person and his or her beneficiary, as the case may be, will receive the actuarial equivalent of the allowance to which the member is entitled. Losses or gains resulting from error in amounts within the limits set by the Department of General Services for automatic writeoff, and losses or gains in greater amounts specifically approved for writeoff by the Department of General Services, shall be debited or credited, as the case may be, to the reserve against deficiencies in interest earned in other years, losses under investments, and other contingencies.

(b) No adjustment shall be made because less than the correct amount of normal contributions was paid by a member if the board finds that the error was not known to the member and was not the result of erroneous information provided by him or her to this system or to his or her employer. The failure to adjust shall not

preclude action under Section 20160 correcting the date upon which the person became a member.

(c) The actuarial equivalent under this section shall be computed on the basis of the mortality tables and actuarial interest rate in effect under this system on December 1, 1970, for retirements effective through December 31, 1979. Commencing with retirements effective January 1, 1980, and at corresponding 10-year intervals thereafter, or more frequently at the board's discretion, the board shall change the basis for calculating actuarial equivalents under this article to agree with the interest rate and mortality tables in effect at the commencement of each 10-year or succeeding interval.

SEC. 149. Section 21223 of the Government Code is amended to read:

21223. A retired person may serve without reinstatement from retirement or loss or interruption of benefits provided under this system upon approval of the Director of Human Resources or the governing body of a contracting agency, as the case may be, under employment by any state or contracting agency in which he or she previously served while a member of this system, where by reason of actual litigation, or a proceeding before the Department of General Services or the governing body of a contracting agency, as the case may be, or where the state or contracting agency desires to perpetuate testimony in connection with any anticipated litigation involving the state or contracting agency, and adverse interests, the services of the person are or may be necessary in preparing for trial or in testifying as to matters within or based upon his or her knowledge acquired while employed. He or she may be paid a per diem and actual and necessary traveling expenses, but he or she shall not be paid at a greater rate of compensation per diem than the rate ordinarily paid other persons by state agencies or the contracting agency for similar services. However, there shall be deducted from the per diem compensation sums equal to the retirement annuity allocable to the days of actual employment under this section.

SEC. 150. Section 21265 of the Government Code is amended to read:

21265. Retired members of this system, and beneficiaries who are entitled to receive allowances or benefits under this part, may authorize deductions to be made from their retirement allowance

payments or from the allowances and benefits, respectively, or from either or both when both are being received in accordance with regulations established by the board for the payment of charitable contributions under any plan approved by the board. In lieu of approving individual plans, the board, at its discretion, may adopt by reference those plans approved by the Department of General Services under Section 13923. The board shall determine the additional cost involved in making deductions under this section, and the agency to receive the contributions shall pay the amount of the additional cost to the board for deposit in the retirement fund.

SEC. 151. Section 22910 of the Government Code is amended to read:

22910. (a) There shall be maintained in the State Treasury the Public Employees' Contingency Reserve Fund. The board may invest funds in the Public Employees' Contingency Reserve Fund in accordance with the law governing its investment of the retirement fund.

(b) (1) An account shall be maintained within the Public Employees' Contingency Reserve Fund with respect to the health benefit plans the board has approved or that have entered into a contract with the board. The account shall be credited, from time to time and in amounts as determined by the board, with moneys contributed under Section 22885 or 22901 to provide an adequate contingency reserve. The income derived from any dividends, rate adjustments, or other funds received from a health benefit plan shall be credited to the account. The board may deposit, in the same manner as provided in paragraph (4), up to one-half of 1 percent of premiums in the account for purposes of cost containment programs, subject to approval as provided in paragraph (2) of subdivision (c).

(2) The account for health benefit plans may be utilized to defray increases in future rates, to reduce the contributions of employees and annuitants and employers, to implement cost containment programs, or to increase the benefits provided by a health benefit plan, as determined by the board. The board may use penalties and interest deposited pursuant to subdivision (c) of Section 22899 to pay any difference between the adjusted rate set by the board pursuant to Section 22864 and the applicable health benefit plan contract rates.

(3) The total credited to the account for health benefit plans at any time shall be limited, in the manner and to the extent the board may find to be most practical, to a maximum of 10 percent of the total of the contributions of the employers and employees and annuitants in any fiscal year. The board may undertake any action to ensure that the maximum amount prescribed for the fund is approximately maintained.

(4) Board rules and regulations adopted pursuant to Section 22831 to minimize the impact of adverse selection or contracts entered into pursuant to Section 22864 to implement health benefit plan performance incentives may provide for deposit in and disbursement to carriers or to Medicare from the account the portion of the contributions otherwise payable directly to the carriers by the Controller under Section 22913 as may be required for that purpose. The deposits shall not be included in applying the limitations, prescribed in paragraph (3), on total amounts that may be deposited in or credited to the fund.

(5) Notwithstanding Section 13340, all moneys in the account for health benefit plans are continuously appropriated without regard to fiscal year for the purposes provided in this subdivision.

Administrative expenses deposited in this account shall be credited to the account provided by subdivision (c).

(g) Amounts received by the board for retiree drug subsidy payments that are attributed to contracting agencies and their annuitants and employees pursuant to subdivision (c) of Section 22910.5 shall be deposited in the Public Employees' Contingency Reserve Fund. Notwithstanding Section 13340, these amounts are continuously appropriated, without regard to fiscal year, for the payment of premiums, costs, contributions, or other benefits related to contracting agencies and their employees and annuitants, and as consistent with the Medicare Prescription Drug Improvement and Modernization Act, as amended.

(h) The Account for Retiree Drug Subsidy Payments is hereby established in the Public Employees' Contingency Reserve Fund and funds in that account shall, upon appropriation by the Legislature, be used for the purposes described in Section 22910.5.

(i) Notwithstanding any other law, the Controller may use the moneys in the Public Employees' Contingency Reserve Fund for loans to the General Fund as provided in Sections 16310 and 16381. However, interest shall be paid on all moneys loaned to the General Fund from the Public Employees' Contingency Reserve Fund. Interest payable shall be computed at a rate determined by the Pooled Money Investment Board to be the current earning rate of the fund from which loaned. This subdivision does not authorize any transfer that will interfere with the carrying out of the object

for which the Public Employees' Contingency Reserve Fund was created.

The certification shall be made by hospitals, physicians, or other qualified medical authorities.

(e) The claimant's income as reported on the claimant's federal income tax return for the preceding three years in order to compute lost wages or income.

SEC. 167. Section 25375 of the Health and Safety Code is amended to read:

25375. (a) If the Department of General Services makes the determination, specified in subdivision (b), that losses resulted from the claimant's damages, injury, or disease, only the following losses are compensable pursuant to this article:

(1) One hundred percent of uninsured, out-of-pocket medical expenses, for up to three years from the onset of treatment.

(2) Eighty percent of any uninsured, actual lost wages, or business income in lieu of wages, caused by injury to the claimant or the claimant's property, not to exceed fifteen thousand dollars ($15,000) per year for three years.

(3) One hundred percent of uninsured, out-of-pocket expenses for remedial action on the claimant's property undertaken to address a release of a hazardous substance when all of the following apply:

(A) The claimant's property is an owner-occupied single-family residence.

(B) The remedial action was ordered by federal, state, or local authorities due to a release of a hazardous substance.

(C) The department makes one of the following determinations:

(i) The release of the hazardous substance originated outside the boundaries of the property.

(ii) The release of the hazardous substance occurred on the property, was the result of an action which violated state or federal law, and the responsible party cannot be identified or cannot be located, or a judgment against the responsible party cannot be satisfied.

The maximum compensation under this paragraph is limited to twenty-five thousand dollars ($25,000) per residence and to one

hundred thousand dollars ($100,000) for five contiguous residential properties. Any compensation provided shall be reduced by the amount that the remedial action results in a capital improvement to the claimant's residence.

(4) One hundred percent of the fair market value of owner-occupied real property that is rendered permanently unfit for occupancy because of the release of a hazardous substance. For purposes of this paragraph, real property is rendered permanently unfit for occupancy only if a state or federal agency requires that it be evacuated for a period of six or more months because of the release of a hazardous substance. The fair market value of the real property shall be determined by an independent appraiser, and shall be considered by the independent appraiser as being equal to the value of the real property prior to the release of the hazardous substance that caused the evacuation of the property. Where compensation is made by the Department of General Services pursuant to this paragraph, sole ownership of the real property shall be transferred to the state and any proceeds resulting from the final disposition of the real property shall be deposited into the state account, for expenditure by the department upon appropriation by the Legislature. To be eligible for compensation pursuant to this paragraph, claims for compensation shall be made within 12 months of the date on which the evacuation was ordered.

(5) One hundred percent of the expenses incurred due to the evacuation of a residence ordered by a state or federal agency. For purposes of this paragraph, "evacuation expenses" include the cost of shelter and any other emergency expenditures incurred due to an evacuation ordered by a state or federal agency. The Department of General Services may provide compensation, pursuant to this paragraph, only if it finds that the evacuation expenses represent reasonable costs for the goods or services purchased, and would not have been incurred if an evacuation caused by a hazardous substance release had not occurred. The Department of General Services may provide compensation for these evacuation expenses only if they were incurred within 12 months from the date on which evacuation was ordered.

(b) A loss specified in subdivision (a) is compensable if the Department of General Services makes all of the following findings, based upon a preponderance of the evidence:

(1) A release of a hazardous substance occurred.

(2) The claimant or the claimant's property was exposed to the release of the hazardous substance.

(3) The exposure of the claimant to the release of the hazardous substance was of such a duration, and to such a quantity of the hazardous substance, that the exposure caused the damages, injury, or disease which resulted in the claimant's loss.

(4) For purposes of paragraphs (4) and (5) of subdivision (a), the hazardous substance release, or the order which resulted in the claim for compensation occurred on or after January 1, 1986.

(5) The conditions and requirements of this article including, but not limited to, the conditions of Sections 25372 and 25373, have been met.

(c) No money shall be used for the payment of any claim authorized by this chapter, where the claim is the result of long-term exposure to ambient concentrations of air pollutants.

(k) The fund is subrogated to any right or claim that any injured person may have who receives compensation pursuant to this section, or any right or claim that the person's personal representative, legal guardian, estate, or survivor may have, against any third party who is liable for the personal injuries caused by the AIDS vaccine, and the fund shall be entitled to indemnity from

that third party. The fund shall also be entitled to a lien on the judgment, award, or settlement in the amount of any payments made to the injured person.

(*l*) In the event that the injured person, or his or her guardian, personal representative, estate, or survivors, or any of them, bring an action for damages against the person or persons liable for the injury or death giving rise to an award by the Department of General Services under this section, notice of institution of legal proceedings and notice of any settlement shall be given to the Department of General Services in Sacramento except in cases where the Department of General Services specifies that notice shall be given to the Attorney General. All notices shall be given by the attorney employed to bring the action for damages or by the injured person, or his or her guardian, personal representative, estate, or survivors, if no attorney is employed.

(m) This section is not intended to affect the right of any individual to pursue claims against the fund and lawsuits against manufacturers concurrently, except that the fund shall be entitled to a lien on the judgment, award, or settlement in the amount of any payments made to the injured party by the fund.

(n) There is hereby created the AIDS Vaccine Injury Compensation Policy Review Task Force consisting of 14 members. The task force shall be composed of 10 members appointed by the Governor, of which two shall be from a list provided by the California Trial Lawyers Association, one from the department, the Director of Finance, one unspecified member, and one attorney with experience and expertise in products liability and negligence defense work, two representing recognized groups that represent victims of vaccine induced injuries or AIDS victims, or both, and two representing manufacturers actively engaged in developing an AIDS vaccine. In addition four Members of the Legislature or their designees shall be appointed to the task force, two of which shall be appointed by the Speaker of the Assembly and two of which shall be appointed by the Senate Committee on Rules. The chairperson of the task force shall be appointed by the Governor from the membership of the task force. The task force shall study and make recommendations on the legislative implementation of the fund created by subdivision (a). These recommendations shall at least address the following issues:

(1) The process by which victims are to be compensated through the fund.

(2) The procedures by which the fund will operate and the governance of the fund.

(3) The method by which manufacturers are to pay into the fund and the amount of that payment.

(4) The procedural relationship between a potential victim's claim through the fund and a court claim made against the manufacturer.

(5) Other issues deemed appropriate by the task force.

The task force shall make its recommendations to the Legislature on or before June 30, 1987.

(o) The fund shall be funded wholly by a surcharge on the sale of an AIDS vaccine, that has been approved by the FDA, or by the department pursuant to Part 5 (commencing with Section 109875) of Division 104, in California in an amount to be determined by the department. The surcharge shall be levied on the sale of each unit of the vaccine sold or delivered, administered, or dispensed in California. The appropriate amount of the surcharge shall be studied by the AIDS Vaccine Injury Compensation Policy Review Task Force, which shall recommend the appropriate amount as part of its report, with the amount of the surcharge not to exceed ten dollars ($10) per unit of vaccine. Expenditures of the task force shall be made at the discretion of the Director of Finance or the director's designee.

(p) For purposes of this section, claims against the fund are contingent upon the existing resources of the fund as provided in subdivision (o), and in no case shall the state be liable for any claims in excess of the resources in the fund.

SEC. 176. Section 11580.1 of the Insurance Code is amended to read:

11580.1. (a) No policy of automobile liability insurance described in Section 16054 of the Vehicle Code covering liability arising out of the ownership, maintenance, or use of any motor vehicle shall be issued or delivered in this state on or after the effective date of this section unless it contains the provisions set forth in subdivision (b). However, none of the requirements of subdivision (b) shall apply to the insurance afforded under the policy (1) to the extent that the insurance exceeds the limits specified in subdivision (a) of Section 16056 of the Vehicle Code,

or (2) if the policy contains an underlying insurance requirement, or provides for a retained limit of self-insurance, equal to or greater than the limits specified in subdivision (a) of Section 16056 of the Vehicle Code.

(b) Every policy of automobile liability insurance to which subdivision (a) applies shall contain all of the following provisions:

(1) Coverage limits not less than the limits specified in subdivision (a) of Section 16056 of the Vehicle Code.

(2) Designation by explicit description of, or appropriate reference to, the motor vehicles or class of motor vehicles to which coverage is specifically granted.

(3) Designation by explicit description of the purposes for which coverage for those motor vehicles is specifically excluded.

(4) Provision affording insurance to the named insured with respect to any owned or leased motor vehicle covered by the policy, and to the same extent that insurance is afforded to the named insured, to any other person using the motor vehicle, provided the use is by the named insured or with his or her permission, express or implied, and within the scope of that permission, except that: (A) with regard to insurance afforded for the loading or unloading of the motor vehicle, the insurance may be limited to apply only to the named insured, a relative of the named insured who is a resident of the named insured's household, a lessee or bailee of the motor vehicle, or an employee of any of those persons; and (B) the insurance afforded to any person other than the named insured need not apply to: (i) any employee with respect to bodily injury sustained by a fellow employee injured in the scope and course of his or her employment, or (ii) any person, or to any agent or employee thereof, employed or otherwise engaged in the business of selling, repairing, servicing, delivering, testing, road-testing, parking, or storing automobiles with respect to any accident arising out of the maintenance or use of a motor vehicle in connection therewith. As used in this chapter, "owned motor vehicle" includes all motor vehicles described and rated in the policy.

(c) In addition to any exclusion provided in paragraph (3) of subdivision (b), the insurance afforded by any policy of automobile liability insurance to which subdivision (a) applies, including the insurer's obligation to defend, may, by appropriate policy provision, be made inapplicable to any or all of the following:

(1) Liability assumed by the insured under contract.

(2) Liability for bodily injury or property damage caused intentionally by or at the direction of the insured.

(3) Liability imposed upon or assumed by the insured under any workers' compensation law.

(4) Liability for bodily injury to any employee of the insured arising out of and in the course of his or her employment.

(5) Liability for bodily injury to an insured or liability for bodily injury to an insured whenever the ultimate benefits of that indemnification accrue directly or indirectly to an insured.

(6) Liability for damage to property owned, rented to, transported by, or in the charge of, an insured. A motor vehicle operated by an insured shall be considered to be property in the charge of an insured.

(7) Liability for any bodily injury or property damage with respect to which insurance is or can be afforded under a nuclear energy liability policy.

(8) Any motor vehicle or class of motor vehicles, as described or designated in the policy, with respect to which coverage is explicitly excluded, in whole or in part.

"The insured" as used in paragraphs (1), (2), (3), and (4) shall mean only that insured under the policy against whom the particular claim is made or suit brought. "An insured" as used in paragraphs (5) and (6) shall mean any insured under the policy including those persons who would have otherwise been included within the policy's definition of an insured but, by agreement, are subject to the limitations of paragraph (1) of subdivision (d).

(d) Notwithstanding paragraph (4) of subdivision (b), or Article 2 (commencing with Section 16450) of Chapter 3 of Division 7 of, or Article 2 (commencing with Section 17150) of Chapter 1 of Division 9 of, the Vehicle Code, the insurer and any named insured may, by the terms of any policy of automobile liability insurance to which subdivision (a) applies, or by a separate writing relating thereto, agree as to either or both of the following limitations, the agreement to be binding upon every insured to whom the policy applies and upon every third-party claimant:

(1) That coverage and the insurer's obligation to defend under the policy shall not apply nor accrue to the benefit of any insured or any third-party claimant while any motor vehicle is being used or operated by a natural person or persons designated by name.

These limitations shall apply to any use or operation of a motor vehicle, including the negligent or alleged negligent entrustment of a motor vehicle to that designated person or persons. This agreement applies to all coverage provided by that policy and is sufficient to comply with the requirements of paragraph (2) of subdivision (a) of Section 11580.2 to delete coverage when a motor vehicle is operated by a natural person or persons designated by name. The insurer shall have an obligation to defend the named insured when all of the following apply to that designated natural person:

(A) He or she is a resident of the same household as the named insured.

(B) As a result of operating the insured motor vehicle of the named insured, he or she is jointly sued with the named insured.

(C) He or she is an insured under a separate automobile liability insurance policy issued to him or her as a named insured, which policy does not provide a defense to the named insured.

An agreement made by the insurer and any named insured more than 60 days following the inception of the policy excluding a designated person by name shall be effective from the date of the agreement and shall, with the signature of a named insured, be conclusive evidence of the validity of the agreement.

That agreement shall remain in force as long as the policy remains in force, and shall apply to any continuation, renewal, or replacement of the policy by the named insured, or reinstatement of the policy within 30 days of any lapse thereof.

(2) That with regard to a policy issued to a named insured engaged in the business of leasing vehicles for those vehicles that are leased for a term in excess of six months, or selling, repairing, servicing, delivering, testing, road-testing, parking, or storing automobiles, coverage shall not apply to any person other than the named insured or his or her agent or employee, except to the extent that the limits of liability of any other valid and collectible insurance available to that person are not equal to the limits of liability specified in subdivision (a) of Section 16056 of the Vehicle Code. If the policy is issued to a named insured engaged in the business of leasing vehicles, which business includes the lease of vehicles for a term in excess of six months, and the lessor includes in the lease automobile liability insurance, the terms and limits of which are not otherwise specified in the lease, the named insured

shall incorporate a provision in each vehicle lease contract advising the lessee of the provisions of this subdivision and the fact that this limitation is applicable except as otherwise provided for by statute or federal law.

(e) Nothing in this section or in Section 16054 or 16450 of the Vehicle Code shall be construed to constitute a homeowner's policy, personal and residence liability policy, personal and farm liability policy, general liability policy, comprehensive personal liability policy, manufacturers' and contractors' policy, premises liability policy, special multiperil policy, or any policy or endorsement where automobile liability coverage is offered as incidental to some other basic coverage as an "automobile liability policy" within the meaning of Section 16054 of the Vehicle Code, or as a "motor vehicle liability policy" within the meaning of Section 16450 of the Vehicle Code, nor shall this section apply to a policy that provides insurance covering liability arising out of the ownership, maintenance, or use of any motor vehicle in the Republic of Mexico issued or delivered in this state by a nonadmitted Mexican insurer, notwithstanding that the policy may provide automobile or motor vehicle liability coverage on insured premises or the ways immediately adjoining.

(f) (1) On and after January 1, 1976, no policy of automobile liability insurance described in subdivision (a) shall be issued, amended, or renewed in this state if it contains any provision that expressly or impliedly excludes from coverage under the policy the operation or use of an insured motor vehicle by the named insured in the performance of volunteer services for a nonprofit charitable organization or governmental agency by providing social service transportation. This subdivision shall not apply in any case in which the named insured receives any remuneration of any kind other than reimbursement for actual mileage driven in the performance of those services at a rate not to exceed the following:

(A) For the 1980–81 fiscal year, the maximum rate authorized by the California Victim Compensation and Government Claims Board shall also be known as the "base rate."

(B) For each fiscal year thereafter, the greater of either (A) the maximum rate authorized by the Department of General Services or (B) the base rate as adjusted by the California Consumer Price Index.

(2) No policy of insurance issued under this section may be canceled by an insurer solely for the reason that the named insured is performing volunteer services for a nonprofit charitable organization or governmental agency consisting of providing social service transportation.

(3) For the purposes of this section, "social service transportation" means transportation services provided by private nonprofit organizations or individuals to either individuals who are senior citizens or individuals or groups of individuals who have special transportation needs because of physical or mental conditions and supported in whole or in part by funding from private or public agencies.

(g) Notwithstanding paragraph (4) of subdivision (b), or Article 2 (commencing with Section 16450) of Chapter 3 of Division 7 of, or Article 2 (commencing with Section 17150) of Chapter 1 of Division 9 of, the Vehicle Code, a Mexican nonadmitted insurer and any named insured may, by the terms of any policy of automobile insurance for use solely in the Republic of Mexico to which subdivision (a) applies, or by a separate writing relating thereto, agree to the limitation that coverage under that policy shall not apply to any person riding in or occupying a vehicle owned by the insured or driven by another person with the permission of the insured. The agreement shall be binding upon every insured to whom the policy applies and upon any third-party claimant.

(h) No policy of automobile insurance that provides insurance covering liability arising out of the ownership, maintenance, or use of any motor vehicle solely in the Republic of Mexico issued by a nonadmitted Mexican insurance company, shall be subject to, or provide coverage for, those coverages provided in Section 11580.2.

SEC. 177. Section 11872 of the Insurance Code is amended to read:

11872. The fund may annually enter into agreements with state agencies for service to be rendered to the fund. These state agencies include, but shall not be limited to: the Department of Finance, Department of General Services, State Personnel Board, and the Public Employees' Retirement System. If these agencies and the fund cannot agree upon the cost of services provided by the agreements, the Department of General Services shall be requested to arrive at an equitable settlement.

SEC. 188. It is the intent of the Legislature that the Labor and Workforce Development Agency shall continue to assign the duties prescribed in the Labor Code Private Attorneys General Act of 2004 (Part 13 (commencing with Section 2698) of Division 2 of the Labor Code) to the departments, divisions, commissions, boards, or agencies where those duties are customarily performed.

SEC. 189. Section 2699 of the Labor Code is amended to read:

2699. (a) Notwithstanding any other provision of law, any provision of this code that provides for a civil penalty to be assessed and collected by the Labor and Workforce Development Agency or any of its departments, divisions, commissions, boards, agencies, or employees, for a violation of this code, may, as an alternative, be recovered through a civil action brought by an aggrieved employee on behalf of himself or herself and other current or former employees pursuant to the procedures specified in Section 2699.3.

(b) For purposes of this part, "person" has the same meaning as defined in Section 18.

(c) For purposes of this part, "aggrieved employee" means any person who was employed by the alleged violator and against whom one or more of the alleged violations was committed.

(d) For purposes of this part, "cure" means that the employer abates each violation alleged by any aggrieved employee, the employer is in compliance with the underlying statutes as specified in the notice required by this part, and any aggrieved employee is made whole. A violation of paragraph (6) or (8) of subdivision (a) of Section 226 shall only be considered cured upon a showing that the employer has provided a fully compliant, itemized wage statement to each aggrieved employee for each pay period for the three-year period prior to the date of the written notice sent pursuant to paragraph (1) of subdivision (c) of Section 2699.3.

(e) (1) For purposes of this part, whenever the Labor and Workforce Development Agency, or any of its departments, divisions, commissions, boards, agencies, or employees, has discretion to assess a civil penalty, a court is authorized to exercise the same discretion, subject to the same limitations and conditions, to assess a civil penalty.

(2) In any action by an aggrieved employee seeking recovery of a civil penalty available under subdivision (a) or (f), a court may award a lesser amount than the maximum civil penalty amount specified by this part if, based on the facts and circumstances of the particular case, to do otherwise would result in an award that is unjust, arbitrary and oppressive, or confiscatory.

(f) For all provisions of this code except those for which a civil penalty is specifically provided, there is established a civil penalty for a violation of these provisions, as follows:

(1) If, at the time of the alleged violation, the person does not employ one or more employees, the civil penalty is five hundred dollars ($500).

(2) If, at the time of the alleged violation, the person employs one or more employees, the civil penalty is one hundred dollars ($100) for each aggrieved employee per pay period for the initial violation and two hundred dollars ($200) for each aggrieved employee per pay period for each subsequent violation.

(3) If the alleged violation is a failure to act by the Labor and Workplace Development Agency, or any of its departments,

divisions, commissions, boards, agencies, or employees, there shall be no civil penalty.

(g) (1) Except as provided in paragraph (2), an aggrieved employee may recover the civil penalty described in subdivision (f) in a civil action pursuant to the procedures specified in Section 2699.3 filed on behalf of himself or herself and other current or former employees against whom one or more of the alleged violations was committed. Any employee who prevails in any action shall be entitled to an award of reasonable attorney's fees and costs, including any filing fee paid pursuant to subparagraph (B) of paragraph (1) of subdivision (a) or subparagraph (B) of paragraph (1) of subdivision (c) of Section 2699.3. Nothing in this part shall operate to limit an employee's right to pursue or recover other remedies available under state or federal law, either separately or concurrently with an action taken under this part.

(2) No action shall be brought under this part for any violation of a posting, notice, agency reporting, or filing requirement of this code, except where the filing or reporting requirement involves mandatory payroll or workplace injury reporting.

(h) No action may be brought under this section by an aggrieved employee if the agency or any of its departments, divisions, commissions, boards, agencies, or employees, on the same facts and theories, cites a person within the timeframes set forth in Section 2699.3 for a violation of the same section or sections of the Labor Code under which the aggrieved employee is attempting to recover a civil penalty on behalf of himself or herself or others or initiates a proceeding pursuant to Section 98.3.

(i) Except as provided in subdivision (j), civil penalties recovered by aggrieved employees shall be distributed as follows: 75 percent to the Labor and Workforce Development Agency for enforcement of labor laws, including the administration of this part, and for education of employers and employees about their rights and responsibilities under this code, to be continuously appropriated to supplement and not supplant the funding to the agency for those purposes; and 25 percent to the aggrieved employees.

(j) Civil penalties recovered under paragraph (1) of subdivision (f) shall be distributed to the Labor and Workforce Development Agency for enforcement of labor laws, including the administration of this part, and for education of employers and employees about

their rights and responsibilities under this code, to be continuously appropriated to supplement and not supplant the funding to the agency for those purposes.

(k) Nothing contained in this part is intended to alter or otherwise affect the exclusive remedy provided by the workers' compensation provisions of this code for liability against an employer for the compensation for any injury to or death of an employee arising out of and in the course of employment.

(*l*) (1) For cases filed on or after July 1, 2016, the aggrieved employee or representative shall, within 10 days following commencement of a civil action pursuant to this part, provide the Labor and Workforce Development Agency with a file-stamped copy of the complaint that includes the case number assigned by the court.

(2) The superior court shall review and approve any settlement of any civil action filed pursuant to this part. The proposed settlement shall be submitted to the agency at the same time that it is submitted to the court.

(3) A copy of the superior court's judgment in any civil action filed pursuant to this part and any other order in that action that either provides for or denies an award of civil penalties under this code shall be submitted to the agency within 10 days after entry of the judgment or order.

(4) Items required to be submitted to the Labor and Workforce Development Agency under this subdivision or to the Division of Occupational Safety and Health pursuant to paragraph (4) of subdivision (b) of Section 2699.3, shall be transmitted online through the same system established for the filing of notices and requests under subdivisions (a) and (c) of Section 2699.3.

(m) This section shall not apply to the recovery of administrative and civil penalties in connection with the workers' compensation law as contained in Division 1 (commencing with Section 50) and Division 4 (commencing with Section 3200), including, but not limited to, Sections 129.5 and 132a.

(n) The agency or any of its departments, divisions, commissions, boards, or agencies may promulgate regulations to implement the provisions of this part.

2699.3. (a) A civil action by an aggrieved employee pursuant to subdivision (a) or (f) of Section 2699 alleging a violation of any provision listed in Section 2699.5 shall commence only after the following requirements have been met:

(1) (A) The aggrieved employee or representative shall give written notice by online filing with the Labor and Workforce Development Agency and by certified mail to the employer of the specific provisions of this code alleged to have been violated, including the facts and theories to support the alleged violation.

(B) A notice filed with the Labor and Workforce Development Agency pursuant to subparagraph (A) and any employer response to that notice shall be accompanied by a filing fee of seventy-five dollars ($75). The fees required by this subparagraph are subject to waiver in accordance with the requirements of Sections 68632 and 68633 of the Government Code.

(C) The fees paid pursuant to subparagraph (B) shall be paid into the Labor and Workforce Development Fund and used for the purposes specified in subdivision (j) of Section 2699.

(2) (A) The agency shall notify the employer and the aggrieved employee or representative by certified mail that it does not intend to investigate the alleged violation within 60 calendar days of the postmark date of the notice received pursuant to paragraph (1). Upon receipt of that notice or if no notice is provided within 65 calendar days of the postmark date of the notice given pursuant to paragraph (1), the aggrieved employee may commence a civil action pursuant to Section 2699.

(B) If the agency intends to investigate the alleged violation, it shall notify the employer and the aggrieved employee or representative by certified mail of its decision within 65 calendar days of the postmark date of the notice received pursuant to paragraph (1). Within 120 calendar days of that decision, the agency may investigate the alleged violation and issue any appropriate citation. If the agency, during the course of its investigation, determines that additional time is necessary to complete the investigation, it may extend the time by not more than 60 additional calendar days and shall issue a notice of the extension. If the agency determines that no citation will be issued, it shall notify the employer and aggrieved employee of that decision within five business days thereof by certified mail. Upon receipt of that notice or if no citation is issued by the agency within the

time limits prescribed by subparagraph (A) and this subparagraph or if the agency fails to provide timely or any notification, the aggrieved employee may commence a civil action pursuant to Section 2699.

(C) Notwithstanding any other provision of law, a plaintiff may as a matter of right amend an existing complaint to add a cause of action arising under this part at any time within 60 days of the time periods specified in this part.

(D) The time limits prescribed by this paragraph shall only apply if the notice required by paragraph (1) is filed with the agency on or after July 1, 2016. For notices submitted prior to July 1, 2016, the time limits in effect on the postmark date of the notice shall apply.

(b) A civil action by an aggrieved employee pursuant to subdivision (a) or (f) of Section 2699 alleging a violation of any provision of Division 5 (commencing with Section 6300) other than those listed in Section 2699.5 shall commence only after the following requirements have been met:

(1) The aggrieved employee or representative shall give notice by online filing with the Division of Occupational Safety and Health and by certified mail to the employer, with a copy to the Labor and Workforce Development Agency, of the specific provisions of Division 5 (commencing with Section 6300) alleged to have been violated, including the facts and theories to support the alleged violation.

(2) (A) The division shall inspect or investigate the alleged violation pursuant to the procedures specified in Division 5 (commencing with Section 6300).

(i) If the division issues a citation, the employee may not commence an action pursuant to Section 2699. The division shall notify the aggrieved employee and employer in writing within 14 calendar days of certifying that the employer has corrected the violation.

(ii) If by the end of the period for inspection or investigation provided for in Section 6317, the division fails to issue a citation and the aggrieved employee disputes that decision, the employee may challenge that decision in the superior court. In such an action, the superior court shall follow precedents of the Occupational Safety and Health Appeals Board. If the court finds that the division should have issued a citation and orders the division to issue a

citation, then the aggrieved employee may not commence a civil action pursuant to Section 2699.

(iii) A complaint in superior court alleging a violation of Division 5 (commencing with Section 6300) other than those listed in Section 2699.5 shall include therewith a copy of the notice of violation provided to the division and employer pursuant to paragraph (1).

(iv) The superior court shall not dismiss the action for nonmaterial differences in facts or theories between those contained in the notice of violation provided to the division and employer pursuant to paragraph (1) and the complaint filed with the court.

(B) If the division fails to inspect or investigate the alleged violation as provided by Section 6309, the provisions of subdivision (c) shall apply to the determination of the alleged violation.

(3) (A) Nothing in this subdivision shall be construed to alter the authority of the division to permit long-term abatement periods or to enter into memoranda of understanding or joint agreements with employers in the case of long-term abatement issues.

(B) Nothing in this subdivision shall be construed to authorize an employee to file a notice or to commence a civil action pursuant to Section 2699 during the period that an employer has voluntarily entered into consultation with the division to ameliorate a condition in that particular worksite.

(C) An employer who has been provided notice pursuant to this section may not then enter into consultation with the division in order to avoid an action under this section.

(4) The superior court shall review and approve any proposed settlement of alleged violations of the provisions of Division 5 (commencing with Section 6300) to ensure that the settlement provisions are at least as effective as the protections or remedies provided by state and federal law or regulation for the alleged violation. The provisions of the settlement relating to health and safety laws shall be submitted to the division at the same time that they are submitted to the court. This requirement shall be construed to authorize and permit the division to comment on those settlement provisions, and the court shall grant the division’s commentary the appropriate weight.

(c) A civil action by an aggrieved employee pursuant to subdivision (a) or (f) of Section 2699 alleging a violation of any provision other than those listed in Section 2699.5 or Division 5

(commencing with Section 6300) shall commence only after the following requirements have been met:

(1) (A) The aggrieved employee or representative shall give written notice by online filing with the Labor and Workforce Development Agency and by certified mail to the employer of the specific provisions of this code alleged to have been violated, including the facts and theories to support the alleged violation.

(B) A notice filed with the Labor and Workforce Development Agency pursuant to subparagraph (A) and any employer response to that notice shall be accompanied by a filing fee of seventy-five dollars ($75). The fees required by this subparagraph are subject to waiver in accordance with the requirements of Sections 68632 and 68633 of the Government Code.

(C) The fees paid pursuant to subparagraph (B) shall be paid into the Labor and Workforce Development Fund and used for the purposes specified in subdivision (j) of Section 2699.

(2) (A) The employer may cure the alleged violation within 33 calendar days of the postmark date of the notice sent by the aggrieved employee or representative. The employer shall give written notice within that period of time by certified mail to the aggrieved employee or representative and by online filing with the agency if the alleged violation is cured, including a description of actions taken, and no civil action pursuant to Section 2699 may commence. If the alleged violation is not cured within the 33-day period, the employee may commence a civil action pursuant to Section 2699.

(B) (i) Subject to the limitation in clause (ii), no employer may avail himself or herself of the notice and cure provisions of this subdivision more than three times in a 12-month period for the same violation or violations contained in the notice, regardless of the location of the worksite.

(ii) No employer may avail himself or herself of the notice and cure provisions of this subdivision with respect to alleged violations of paragraph (6) or (8) of subdivision (a) of Section 226 more than once in a 12-month period for the same violation or violations contained in the notice, regardless of the location of the worksite.

(3) If the aggrieved employee disputes that the alleged violation has been cured, the aggrieved employee or representative shall provide written notice by online filing with the agency and by certified mail to the employer, including specified grounds to

support that dispute, to the employer and the agency. Within 17 calendar days of the receipt of that notice, the agency shall review the actions taken by the employer to cure the alleged violation, and provide written notice of its decision by certified mail to the aggrieved employee and the employer. The agency may grant the employer three additional business days to cure the alleged violation. If the agency determines that the alleged violation has not been cured or if the agency fails to provide timely or any notification, the employee may proceed with the civil action pursuant to Section 2699. If the agency determines that the alleged violation has been cured, but the employee still disagrees, the employee may appeal that determination to the superior court.

(d) The periods specified in this section are not counted as part of the time limited for the commencement of the civil action to recover penalties under this part.

(e) This section shall remain in effect only until July 1, 2021, and as of that date is repealed, unless a later enacted statute, that is enacted before July 1, 2021, deletes or extends that date.

Within 120 calendar days of that decision, the agency may investigate the alleged violation and issue any appropriate citation. If the agency determines that no citation will be issued, it shall notify the employer and aggrieved employee of that decision within five business days thereof by certified mail. Upon receipt of that notice or if no citation is issued by the agency within the time limits prescribed by subparagraph (A) and this subparagraph or if the agency fails to provide timely or any notification, the aggrieved employee may commence a civil action pursuant to Section 2699.

(ii) If by the end of the period for inspection or investigation provided for in Section 6317, the division fails to issue a citation and the aggrieved employee disputes that decision, the employee may challenge that decision in the superior court. (B) If the division fails to inspect or investigate the alleged violation as provided by Section 6309, the provisions of subdivision (c) shall apply to the determination of the alleged violation.

(C) An employer who has been provided notice pursuant to this section may not then enter into consultation with the division in order to avoid an action under this section.

(4) The superior court shall review and approve any proposed settlement of alleged violations of the provisions of Division 5 (commencing with Section 6300) to ensure that the settlement provisions are at least as effective as the protections or remedies

provided by state and federal law or regulation for the alleged violation. The provisions of the settlement relating to health and safety laws shall be submitted to the division at the same time that they are submitted to the court. This requirement shall be construed to authorize and permit the division to comment on those settlement provisions, and the court shall grant the division's commentary the appropriate weight.

A violation of this subdivision shall be punishable by imprisonment in a county jail not exceeding one year, or by a fine of not less than two thousand five hundred dollars ($2,500) nor more than five thousand dollars ($5,000), or both. The court shall consider the costs ordered pursuant to subdivision (d) when determining the amount of any fines.

(d) In any case in which a defendant is convicted of a violation of this section, the defendant shall be ordered to make restitution to the person with a disability who has custody or ownership of the guide, signal, or service dog for any veterinary bills and replacement costs of the dog if it is disabled or killed, or other reasonable costs deemed appropriate by the court. The costs ordered pursuant to this subdivision shall be paid prior to any fines. The person with the disability may apply for compensation by the California Victim Compensation Board pursuant to Chapter 5 (commencing with Section 13950) of Part 4 of Division 3 of Title 2 of the Government Code, in an amount not to exceed ten thousand dollars ($10,000).

SEC. 234. Section 600.5 of the Penal Code is amended to read:

600.5. (a) Any person who intentionally causes injury to or the death of any guide, signal, or service dog, as defined by Section 54.1 of the Civil Code, while the dog is in discharge of its duties, is guilty of a misdemeanor, punishable by imprisonment in a county jail not exceeding one year, or by a fine not exceeding ten thousand dollars ($10,000), or by both a fine and imprisonment. The court shall consider the costs ordered pursuant to subdivision (b) when determining the amount of any fines.

(b) In any case in which a defendant is convicted of a violation of this section, the defendant shall be ordered to make restitution to the person with a disability who has custody or ownership of

the dog for any veterinary bills and replacement costs of the dog if it is disabled or killed, or other reasonable costs deemed appropriate by the court. The costs ordered pursuant to this subdivision shall be paid prior to any fines. The person with the disability may apply for compensation by the California Victim Compensation Board pursuant to Chapter 5 (commencing with Section 13950) of Part 4 of Division 3 of Title 2 of the Government Code, in an amount not to exceed ten thousand dollars ($10,000).

SEC. 235. Section 851.8 of the Penal Code is amended to read:

851.8. (a) In any case where a person has been arrested and no accusatory pleading has been filed, the person arrested may petition the law enforcement agency having jurisdiction over the offense to destroy its records of the arrest. A copy of the petition shall be served upon the prosecuting attorney of the county or city having jurisdiction over the offense. The law enforcement agency having jurisdiction over the offense, upon a determination that the person arrested is factually innocent, shall, with the concurrence of the prosecuting attorney, seal its arrest records, and the petition for relief under this section for three years from the date of the arrest and thereafter destroy its arrest records and the petition. The law enforcement agency having jurisdiction over the offense shall notify the Department of Justice, and any law enforcement agency that arrested the petitioner or participated in the arrest of the petitioner for an offense for which the petitioner has been found factually innocent under this subdivision, of the sealing of the arrest records and the reason therefor. The Department of Justice and any law enforcement agency so notified shall forthwith seal their records of the arrest and the notice of sealing for three years from the date of the arrest, and thereafter destroy their records of the arrest and the notice of sealing. The law enforcement agency having jurisdiction over the offense and the Department of Justice shall request the destruction of any records of the arrest which they have given to any local, state, or federal agency or to any other person or entity. Each agency, person, or entity within the State of California receiving the request shall destroy its records of the arrest and the request, unless otherwise provided in this section.

(b) If, after receipt by both the law enforcement agency and the prosecuting attorney of a petition for relief under subdivision (a), the law enforcement agency and prosecuting attorney do not respond to the petition by accepting or denying the petition within

60 days after the running of the relevant statute of limitations or within 60 days after receipt of the petition in cases where the statute of limitations has previously lapsed, then the petition shall be deemed to be denied. In any case where the petition of an arrestee to the law enforcement agency to have an arrest record destroyed is denied, petition may be made to the superior court that would have had territorial jurisdiction over the matter. A copy of the petition shall be served on the law enforcement agency and the prosecuting attorney of the county or city having jurisdiction over the offense at least 10 days prior to the hearing thereon. The prosecuting attorney and the law enforcement agency through the district attorney may present evidence to the court at the hearing. Notwithstanding Section 1538.5 or 1539, any judicial determination of factual innocence made pursuant to this section may be heard and determined upon declarations, affidavits, police reports, or any other evidence submitted by the parties which is material, relevant, and reliable. A finding of factual innocence and an order for the sealing and destruction of records pursuant to this section shall not be made unless the court finds that no reasonable cause exists to believe that the arrestee committed the offense for which the arrest was made. In any court hearing to determine the factual innocence of a party, the initial burden of proof shall rest with the petitioner to show that no reasonable cause exists to believe that the arrestee committed the offense for which the arrest was made. If the court finds that this showing of no reasonable cause has been made by the petitioner, then the burden of proof shall shift to the respondent to show that a reasonable cause exists to believe that the petitioner committed the offense for which the arrest was made. If the court finds the arrestee to be factually innocent of the charges for which the arrest was made, then the court shall order the law enforcement agency having jurisdiction over the offense, the Department of Justice, and any law enforcement agency which arrested the petitioner or participated in the arrest of the petitioner for an offense for which the petitioner has been found factually innocent under this section to seal their records of the arrest and the court order to seal and destroy the records, for three years from the date of the arrest and thereafter to destroy their records of the arrest and the court order to seal and destroy those records. The court shall also order the law enforcement agency having jurisdiction over the offense and the Department of Justice to

request the destruction of any records of the arrest which they have given to any local, state, or federal agency, person or entity. Each state or local agency, person or entity within the State of California receiving such a request shall destroy its records of the arrest and the request to destroy the records, unless otherwise provided in this section. The court shall give to the petitioner a copy of any court order concerning the destruction of the arrest records.

(c) In any case where a person has been arrested, and an accusatory pleading has been filed, but where no conviction has occurred, the defendant may, at any time after dismissal of the action, petition the court that dismissed the action for a finding that the defendant is factually innocent of the charges for which the arrest was made. A copy of the petition shall be served on the prosecuting attorney of the county or city in which the accusatory pleading was filed at least 10 days prior to the hearing on the petitioner's factual innocence. The prosecuting attorney may present evidence to the court at the hearing. The hearing shall be conducted as provided in subdivision (b). If the court finds the petitioner to be factually innocent of the charges for which the arrest was made, then the court shall grant the relief as provided in subdivision (b).

(d) In any case where a person has been arrested and an accusatory pleading has been filed, but where no conviction has occurred, the court may, with the concurrence of the prosecuting attorney, grant the relief provided in subdivision (b) at the time of the dismissal of the accusatory pleading.

(e) Whenever any person is acquitted of a charge and it appears to the judge presiding at the trial at which the acquittal occurred that the defendant was factually innocent of the charge, the judge may grant the relief provided in subdivision (b).

(f) In any case where a person who has been arrested is granted relief pursuant to subdivision (a) or (b), the law enforcement agency having jurisdiction over the offense or court shall issue a written declaration to the arrestee stating that it is the determination of the law enforcement agency having jurisdiction over the offense or court that the arrestee is factually innocent of the charges for which the person was arrested and that the arrestee is thereby exonerated. Thereafter, the arrest shall be deemed not to have occurred and the person may answer accordingly any question relating to its occurrence.

(g) The Department of Justice shall furnish forms to be utilized by persons applying for the destruction of their arrest records and for the written declaration that one person was found factually innocent under subdivisions (a) and (b).

(h) Documentation of arrest records destroyed pursuant to subdivision (a), (b), (c), (d), or (e) that are contained in investigative police reports shall bear the notation "Exonerated" whenever reference is made to the arrestee. The arrestee shall be notified in writing by the law enforcement agency having jurisdiction over the offense of the sealing and destruction of the arrest records pursuant to this section.

(i) (1) Any finding that an arrestee is factually innocent pursuant to subdivision (a), (b), (c), (d), or (e) shall not be admissible as evidence in any action.

(2) Notwithstanding paragraph (1), a finding that an arrestee is factually innocent pursuant to subdivisions (a) to (e), inclusive, shall be admissible as evidence at a hearing before the California Victim Compensation Board.

(j) Destruction of records of arrest pursuant to subdivision (a), (b), (c), (d), or (e) shall be accomplished by permanent obliteration of all entries or notations upon the records pertaining to the arrest, and the record shall be prepared again so that it appears that the arrest never occurred. However, where (1) the only entries on the record pertain to the arrest and (2) the record can be destroyed without necessarily affecting the destruction of other records, then the document constituting the record shall be physically destroyed.

(k) No records shall be destroyed pursuant to subdivision (a), (b), (c), (d), or (e) if the arrestee or a codefendant has filed a civil action against the peace officers or law enforcement jurisdiction which made the arrest or instituted the prosecution and if the agency which is the custodian of the records has received a certified copy of the complaint in the civil action, until the civil action has been resolved. Any records sealed pursuant to this section by the court in the civil actions, upon a showing of good cause, may be opened and submitted into evidence. The records shall be confidential and shall be available for inspection only by the court, jury, parties, counsel for the parties, and any other person authorized by the court. Immediately following the final resolution of the civil action, records subject to subdivision (a), (b), (c), (d),

or (e) shall be sealed and destroyed pursuant to subdivision (a), (b), (c), (d), or (e).

(*l*) For arrests occurring on or after January 1, 1981, and for accusatory pleadings filed on or after January 1, 1981, petitions for relief under this section may be filed up to two years from the date of the arrest or filing of the accusatory pleading, whichever is later. Until January 1, 1983, petitioners can file for relief under this section for arrests which occurred or accusatory pleadings which were filed up to five years prior to the effective date of the statute. Any time restrictions on filing for relief under this section may be waived upon a showing of good cause by the petitioner and in the absence of prejudice.

(m) Any relief which is available to a petitioner under this section for an arrest shall also be available for an arrest which has been deemed to be or described as a detention under Section 849.5 or 851.6.

(n) This section shall not apply to any offense which is classified as an infraction.

(o) (1) This section shall be repealed on the effective date of a final judgment based on a claim under the California or United States Constitution holding that evidence that is relevant, reliable, and material may not be considered for purposes of a judicial determination of factual innocence under this section. For purposes of this subdivision, a judgment by the appellate division of a superior court is a final judgment if it is published and if it is not reviewed on appeal by a court of appeal. A judgment of a court of appeal is a final judgment if it is published and if it is not reviewed by the California Supreme Court.

(2) Any decision referred to in this subdivision shall be stayed pending appeal.

(3) If not otherwise appealed by a party to the action, any decision referred to in this subdivision which is a judgment by the appellate division of the superior court shall be appealed by the Attorney General.

(p) A judgment of the court under subdivision (b), (c), (d), or (e) is subject to the following appeal path:

(1) In a felony case, appeal is to the court of appeal.

(2) In a misdemeanor case, or in a case in which no accusatory pleading was filed, appeal is to the appellate division of the superior court.

SEC. 236. Section 851.865 of the Penal Code is amended to read:

851.865. (a) If a person has secured a declaration of factual innocence from the court pursuant to Section 851.8 or 851.86, the finding shall be sufficient grounds for payment of compensation for a claim made pursuant to Section 4900. Upon application by the person, the California Victim Compensation Board shall, without a hearing, recommend to the Legislature that an appropriation be made and the claim paid pursuant to Section 4904.

(b) If the declaration of factual innocence is granted pursuant to a stipulation of the prosecutor, the duty of the board to, without a hearing, recommend to the Legislature payment of the claim, shall apply.

SEC. 237. Section 987.9 of the Penal Code is amended to read:

987.9. (a) In the trial of a capital case or a case under subdivision (a) of Section 190.05, the indigent defendant, through the defendant's counsel, may request the court for funds for the specific payment of investigators, experts, and others for the preparation or presentation of the defense. The application for funds shall be by affidavit and shall specify that the funds are reasonably necessary for the preparation or presentation of the defense. The fact that an application has been made shall be confidential and the contents of the application shall be confidential. Upon receipt of an application, a judge of the court, other than the trial judge presiding over the case in question, shall rule on the reasonableness of the request and shall disburse an appropriate amount of money to the defendant's attorney. The ruling on the reasonableness of the request shall be made at an in camera hearing. In making the ruling, the court shall be guided by the need to provide a complete and full defense for the defendant.

(b) (1) The Controller shall not reimburse any county for costs that exceed Department of General Services' standards for travel and per diem expenses. The Controller may reimburse extraordinary costs in unusual cases if the county provides sufficient documentation of the need for those expenditures.

(2) At the termination of the proceedings, the attorney shall furnish to the court a complete accounting of all moneys received and disbursed pursuant to this section.

(c) The Controller shall adopt regulations pursuant to Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of

Title 2 of the Government Code, controlling reimbursements under this section. The regulations shall consider compensation for investigators, expert witnesses, and other expenses that may or may not be reimbursable pursuant to this section. Notwithstanding the provisions of Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code, the Controller shall follow any regulations adopted until final approval by the Office of Administrative Law.

(d) The confidentiality provided in this section shall not preclude any court from providing the Attorney General with access to documents protected by this section when the defendant raises an issue on appeal or collateral review where the recorded portion of the record, created pursuant to this section, relates to the issue raised. When the defendant raises that issue, the funding records, or relevant portions thereof, shall be provided to the Attorney General at the Attorney General's request. In this case, the documents shall remain under seal and their use shall be limited solely to the pending proceeding.

SEC. 238. Section 1191.15 of the Penal Code is amended to read:

1191.15. (a) The court may permit the victim of any crime, his or her parent or guardian if the victim is a minor, or the next of kin of the victim if the victim has died, to file with the court a written, audiotaped, or videotaped statement, or statement stored on a CD-ROM, DVD, or any other recording medium acceptable to the court, expressing his or her views concerning the crime, the person responsible, and the need for restitution, in lieu of or in addition to the person personally appearing at the time of judgment and sentence. The court shall consider the statement filed with the court prior to imposing judgment and sentence.

Whenever an audio or video statement or statement stored on a CD-ROM, DVD, or other medium is filed with the court, a written transcript of the statement shall also be provided by the person filing the statement, and shall be made available as a public record of the court after the judgment and sentence have been imposed.

(b) Whenever a written, audio, or video statement or statement stored on a CD-ROM, DVD, or other medium is filed with the court, it shall remain sealed until the time set for imposition of judgment and sentence except that the court, the probation officer, and counsel for the parties may view and listen to the statement

not more than two court days prior to the date set for imposition of judgment and sentence.

(c) A person or a court shall not permit any person to duplicate, copy, or reproduce by audio or visual means a statement submitted to the court under the provisions of this section.

(d) Nothing in this section shall be construed to prohibit the prosecutor from representing to the court the views of the victim, his or her parent or guardian, the next of kin, or the California Victim Compensation Board.

(e) In the event the court permits an audio or video statement or statement stored on a CD-ROM, DVD, or other medium to be filed, the court shall not be responsible for providing any equipment or resources needed to assist the victim in preparing the statement.

SEC. 239. Section 1191.2 of the Penal Code is amended to read:

1191.2. In providing notice to the victim pursuant to Section 1191.1, the probation officer shall also provide the victim with information concerning the victim's right to civil recovery against the defendant, the requirement that the court order restitution for the victim, the victim's right to receive a copy of the restitution order from the court and to enforce the restitution order as a civil judgment, the victim's responsibility to furnish the probation department, district attorney, and court with information relevant to his or her losses, and the victim's opportunity to be compensated from the Restitution Fund if eligible under Article 1 (commencing with Section 13959) of Chapter 5 of Part 4 of Division 3 of Title 2 of the Government Code. This information shall be in the form of written material prepared by the Judicial Council in consultation with the California Victim Compensation Board, shall include the relevant sections of the Penal Code, and shall be provided to each victim for whom the probation officer has a current mailing address.

SEC. 240. Section 1202.4 of the Penal Code is amended to read:

1202.4. (a) (1) It is the intent of the Legislature that a victim of crime who incurs an economic loss as a result of the commission of a crime shall receive restitution directly from a defendant convicted of that crime.

(2) Upon a person being convicted of a crime in the State of California, the court shall order the defendant to pay a fine in the form of a penalty assessment in accordance with Section 1464.

(3) The court, in addition to any other penalty provided or imposed under the law, shall order the defendant to pay both of the following:

(A) A restitution fine in accordance with subdivision (b).

(B) Restitution to the victim or victims, if any, in accordance with subdivision (f), which shall be enforceable as if the order were a civil judgment.

(b) In every case where a person is convicted of a crime, the court shall impose a separate and additional restitution fine, unless it finds compelling and extraordinary reasons for not doing so and states those reasons on the record.

(1) The restitution fine shall be set at the discretion of the court and commensurate with the seriousness of the offense. If the person is convicted of a felony, the fine shall not be less than two hundred forty dollars ($240) starting on January 1, 2012, two hundred eighty dollars ($280) starting on January 1, 2013, and three hundred dollars ($300) starting on January 1, 2014, and not more than ten thousand dollars ($10,000). If the person is convicted of a misdemeanor, the fine shall not be less than one hundred twenty dollars ($120) starting on January 1, 2012, one hundred forty dollars ($140) starting on January 1, 2013, and one hundred fifty dollars ($150) starting on January 1, 2014, and not more than one thousand dollars ($1,000).

(2) In setting a felony restitution fine, the court may determine the amount of the fine as the product of the minimum fine pursuant to paragraph (1) multiplied by the number of years of imprisonment the defendant is ordered to serve, multiplied by the number of felony counts of which the defendant is convicted.

(c) The court shall impose the restitution fine unless it finds compelling and extraordinary reasons for not doing so and states those reasons on the record. A defendant’s inability to pay shall not be considered a compelling and extraordinary reason not to impose a restitution fine. Inability to pay may be considered only in increasing the amount of the restitution fine in excess of the minimum fine pursuant to paragraph (1) of subdivision (b). The court may specify that funds confiscated at the time of the defendant’s arrest, except for funds confiscated pursuant to Section

11469 of the Health and Safety Code, be applied to the restitution fine if the funds are not exempt for spousal or child support or subject to any other legal exemption.

(d) In setting the amount of the fine pursuant to subdivision (b) in excess of the minimum fine pursuant to paragraph (1) of subdivision (b), the court shall consider any relevant factors, including, but not limited to, the defendant's inability to pay, the seriousness and gravity of the offense and the circumstances of its commission, any economic gain derived by the defendant as a result of the crime, the extent to which any other person suffered losses as a result of the crime, and the number of victims involved in the crime. Those losses may include pecuniary losses to the victim or his or her dependents as well as intangible losses, such as psychological harm caused by the crime. Consideration of a defendant's inability to pay may include his or her future earning capacity. A defendant shall bear the burden of demonstrating his or her inability to pay. Express findings by the court as to the factors bearing on the amount of the fine shall not be required. A separate hearing for the fine shall not be required.

(e) The restitution fine shall not be subject to penalty assessments authorized in Section 1464 or Chapter 12 (commencing with Section 76000) of Title 8 of the Government Code, or the state surcharge authorized in Section 1465.7, and shall be deposited in the Restitution Fund in the State Treasury.

(f) Except as provided in subdivisions (q) and (r), in every case in which a victim has suffered economic loss as a result of the defendant's conduct, the court shall require that the defendant make restitution to the victim or victims in an amount established by court order, based on the amount of loss claimed by the victim or victims or any other showing to the court. If the amount of loss cannot be ascertained at the time of sentencing, the restitution order shall include a provision that the amount shall be determined at the direction of the court. The court shall order full restitution unless it finds compelling and extraordinary reasons for not doing so and states them on the record. The court may specify that funds confiscated at the time of the defendant's arrest, except for funds confiscated pursuant to Section 11469 of the Health and Safety Code, be applied to the restitution order if the funds are not exempt for spousal or child support or subject to any other legal exemption.

(1) The defendant has the right to a hearing before a judge to dispute the determination of the amount of restitution. The court may modify the amount, on its own motion or on the motion of the district attorney, the victim or victims, or the defendant. If a motion is made for modification of a restitution order, the victim shall be notified of that motion at least 10 days prior to the proceeding held to decide the motion. A victim at a restitution hearing or modification hearing described in this paragraph may testify by live, two-way audio and video transmission, if testimony by live, two-way audio and video transmission is available at the court.

(2) Determination of the amount of restitution ordered pursuant to this subdivision shall not be affected by the indemnification or subrogation rights of a third party. Restitution ordered pursuant to this subdivision shall be ordered to be deposited to the Restitution Fund to the extent that the victim, as defined in subdivision (k), has received assistance from the California Victim Compensation Board pursuant to Chapter 5 (commencing with Section 13950) of Part 4 of Division 3 of Title 2 of the Government Code.

(3) To the extent possible, the restitution order shall be prepared by the sentencing court, shall identify each victim and each loss to which it pertains, and shall be of a dollar amount that is sufficient to fully reimburse the victim or victims for every determined economic loss incurred as the result of the defendant's criminal conduct, including, but not limited to, all of the following:

(A) Full or partial payment for the value of stolen or damaged property. The value of stolen or damaged property shall be the replacement cost of like property, or the actual cost of repairing the property when repair is possible.

(B) Medical expenses.

(C) Mental health counseling expenses.

(D) Wages or profits lost due to injury incurred by the victim, and if the victim is a minor, wages or profits lost by the minor's parent, parents, guardian, or guardians, while caring for the injured minor. Lost wages shall include commission income as well as base wages. Commission income shall be established by evidence of commission income during the 12-month period prior to the date of the crime for which restitution is being ordered, unless good cause for a shorter time period is shown.

(E) Wages or profits lost by the victim, and if the victim is a minor, wages or profits lost by the minor's parent, parents, guardian, or guardians, due to time spent as a witness or in assisting the police or prosecution. Lost wages shall include commission income as well as base wages. Commission income shall be established by evidence of commission income during the 12-month period prior to the date of the crime for which restitution is being ordered, unless good cause for a shorter time period is shown.

(F) Noneconomic losses, including, but not limited to, psychological harm, for felony violations of Section 288.

(G) Interest, at the rate of 10 percent per annum, that accrues as of the date of sentencing or loss, as determined by the court.

(H) Actual and reasonable attorney's fees and other costs of collection accrued by a private entity on behalf of the victim.

(I) Expenses incurred by an adult victim in relocating away from the defendant, including, but not limited to, deposits for utilities and telephone service, deposits for rental housing, temporary lodging and food expenses, clothing, and personal items. Expenses incurred pursuant to this section shall be verified by law enforcement to be necessary for the personal safety of the victim or by a mental health treatment provider to be necessary for the emotional well-being of the victim.

(J) Expenses to install or increase residential security incurred related to a violent felony, as defined in subdivision (c) of Section 667.5, including, but not limited to, a home security device or system, or replacing or increasing the number of locks.

(K) Expenses to retrofit a residence or vehicle, or both, to make the residence accessible to or the vehicle operational by the victim, if the victim is permanently disabled, whether the disability is partial or total, as a direct result of the crime.

(L) Expenses for a period of time reasonably necessary to make the victim whole, for the costs to monitor the credit report of, and for the costs to repair the credit of, a victim of identity theft, as defined in Section 530.5.

(4) (A) If, as a result of the defendant's conduct, the Restitution Fund has provided assistance to or on behalf of a victim or derivative victim pursuant to Chapter 5 (commencing with Section 13950) of Part 4 of Division 3 of Title 2 of the Government Code, the amount of assistance provided shall be presumed to be a direct

result of the defendant's criminal conduct and shall be included in the amount of the restitution ordered.

(B) The amount of assistance provided by the Restitution Fund shall be established by copies of bills submitted to the California Victim Compensation Board reflecting the amount paid by the board and whether the services for which payment was made were for medical or dental expenses, funeral or burial expenses, mental health counseling, wage or support losses, or rehabilitation. Certified copies of these bills provided by the board and redacted to protect the privacy and safety of the victim or any legal privilege, together with a statement made under penalty of perjury by the custodian of records that those bills were submitted to and were paid by the board, shall be sufficient to meet this requirement.

(C) If the defendant offers evidence to rebut the presumption established by this paragraph, the court may release additional information contained in the records of the board to the defendant only after reviewing that information in camera and finding that the information is necessary for the defendant to dispute the amount of the restitution order.

(5) Except as provided in paragraph (6), in any case in which an order may be entered pursuant to this subdivision, the defendant shall prepare and file a disclosure identifying all assets, income, and liabilities in which the defendant held or controlled a present or future interest as of the date of the defendant's arrest for the crime for which restitution may be ordered. The financial disclosure statements shall be made available to the victim and the board pursuant to Section 1214. The disclosure shall be signed by the defendant upon a form approved or adopted by the Judicial Council for the purpose of facilitating the disclosure. A defendant who willfully states as true a material matter that he or she knows to be false on the disclosure required by this subdivision is guilty of a misdemeanor, unless this conduct is punishable as perjury or another provision of law provides for a greater penalty.

(6) A defendant who fails to file the financial disclosure required in paragraph (5), but who has filed a financial affidavit or financial information pursuant to subdivision (c) of Section 987, shall be deemed to have waived the confidentiality of that affidavit or financial information as to a victim in whose favor the order of restitution is entered pursuant to subdivision (f). The affidavit or information shall serve in lieu of the financial disclosure required

in paragraph (5), and paragraphs (7) to (10), inclusive, shall not apply.

(7) Except as provided in paragraph (6), the defendant shall file the disclosure with the clerk of the court no later than the date set for the defendant's sentencing, unless otherwise directed by the court. The disclosure may be inspected or copied as provided by subdivision (b), (c), or (d) of Section 1203.05.

(8) In its discretion, the court may relieve the defendant of the duty under paragraph (7) of filing with the clerk by requiring that the defendant's disclosure be submitted as an attachment to, and be available to, those authorized to receive the following:

(A) A report submitted pursuant to subparagraph (C) of paragraph (2) of subdivision (b) of Section 1203 or subdivision (g) of Section 1203.

(B) A stipulation submitted pursuant to paragraph (4) of subdivision (b) of Section 1203.

(C) A report by the probation officer, or information submitted by the defendant applying for a conditional sentence pursuant to subdivision (d) of Section 1203.

(9) The court may consider a defendant's unreasonable failure to make a complete disclosure pursuant to paragraph (5) as any of the following:

(A) A circumstance in aggravation of the crime in imposing a term under subdivision (b) of Section 1170.

(B) A factor indicating that the interests of justice would not be served by admitting the defendant to probation under Section 1203.

(C) A factor indicating that the interests of justice would not be served by conditionally sentencing the defendant under Section 1203.

(D) A factor indicating that the interests of justice would not be served by imposing less than the maximum fine and sentence fixed by law for the case.

(10) A defendant's failure or refusal to make the required disclosure pursuant to paragraph (5) shall not delay entry of an order of restitution or pronouncement of sentence. In appropriate cases, the court may do any of the following:

(A) Require the defendant to be examined by the district attorney pursuant to subdivision (h).

(B) If sentencing the defendant under Section 1170, provide that the victim shall receive a copy of the portion of the probation

report filed pursuant to Section 1203.10 concerning the defendant's employment, occupation, finances, and liabilities.

(C) If sentencing the defendant under Section 1203, set a date and place for submission of the disclosure required by paragraph (5) as a condition of probation or suspended sentence.

(11) If a defendant has any remaining unpaid balance on a restitution order or fine 120 days prior to his or her scheduled release from probation or 120 days prior to his or her completion of a conditional sentence, the defendant shall prepare and file a new and updated financial disclosure identifying all assets, income, and liabilities in which the defendant holds or controls or has held or controlled a present or future interest during the defendant's period of probation or conditional sentence. The financial disclosure shall be made available to the victim and the board pursuant to Section 1214. The disclosure shall be signed and prepared by the defendant on the same form as described in paragraph (5). A defendant who willfully states as true a material matter that he or she knows to be false on the disclosure required by this subdivision is guilty of a misdemeanor, unless this conduct is punishable as perjury or another provision of law provides for a greater penalty. The financial disclosure required by this paragraph shall be filed with the clerk of the court no later than 90 days prior to the defendant's scheduled release from probation or completion of the defendant's conditional sentence.

(12) In cases where an employer is convicted of a crime against an employee, a payment to the employee or the employee's dependent that is made by the employer's workers' compensation insurance carrier shall not be used to offset the amount of the restitution order unless the court finds that the defendant substantially met the obligation to pay premiums for that insurance coverage.

(g) The court shall order full restitution unless it finds compelling and extraordinary reasons for not doing so and states those reasons on the record. A defendant's inability to pay shall not be considered a compelling and extraordinary reason not to impose a restitution order, nor shall inability to pay be a consideration in determining the amount of a restitution order.

(h) The district attorney may request an order of examination pursuant to the procedures specified in Article 2 (commencing with Section 708.110) of Chapter 6 of Division 2 of Title 9 of Part

2 of the Code of Civil Procedure, in order to determine the defendant's financial assets for purposes of collecting on the restitution order.

(i) A restitution order imposed pursuant to subdivision (f) shall be enforceable as if the order were a civil judgment.

(j) The making of a restitution order pursuant to subdivision (f) shall not affect the right of a victim to recovery from the Restitution Fund as otherwise provided by law, except to the extent that restitution is actually collected pursuant to the order. Restitution collected pursuant to this subdivision shall be credited to any other judgments for the same losses obtained against the defendant arising out of the crime for which the defendant was convicted.

(k) For purposes of this section, "victim" shall include all of the following:

(1) The immediate surviving family of the actual victim.

(2) A corporation, business trust, estate, trust, partnership, association, joint venture, government, governmental subdivision, agency, or instrumentality, or any other legal or commercial entity when that entity is a direct victim of a crime.

(3) A person who has sustained economic loss as the result of a crime and who satisfies any of the following conditions:

(A) At the time of the crime was the parent, grandparent, sibling, spouse, child, or grandchild of the victim.

(B) At the time of the crime was living in the household of the victim.

(C) At the time of the crime was a person who had previously lived in the household of the victim for a period of not less than two years in a relationship substantially similar to a relationship listed in subparagraph (A).

(D) Is another family member of the victim, including, but not limited to, the victim's fiancé or fiancée, and who witnessed the crime.

(E) Is the primary caretaker of a minor victim.

(4) A person who is eligible to receive assistance from the Restitution Fund pursuant to Chapter 5 (commencing with Section 13950) of Part 4 of Division 3 of Title 2 of the Government Code.

(5) A governmental entity that is responsible for repairing, replacing, or restoring public or privately owned property that has been defaced with graffiti or other inscribed material, as defined in subdivision (e) of Section 594, and that has sustained an

economic loss as the result of a violation of Section 594, 594.3, 594.4, 640.5, 640.6, or 640.7.

(*l*) At its discretion, the board of supervisors of a county may impose a fee to cover the actual administrative cost of collecting the restitution fine, not to exceed 10 percent of the amount ordered to be paid, to be added to the restitution fine and included in the order of the court, the proceeds of which shall be deposited in the general fund of the county.

(m) In every case in which the defendant is granted probation, the court shall make the payment of restitution fines and orders imposed pursuant to this section a condition of probation. Any portion of a restitution order that remains unsatisfied after a defendant is no longer on probation shall continue to be enforceable by a victim pursuant to Section 1214 until the obligation is satisfied.

(n) If the court finds and states on the record compelling and extraordinary reasons why a restitution fine or full restitution order should not be required, the court shall order, as a condition of probation, that the defendant perform specified community service, unless it finds and states on the record compelling and extraordinary reasons not to require community service in addition to the finding that restitution should not be required. Upon revocation of probation, the court shall impose restitution pursuant to this section.

(o) The provisions of Section 13963 of the Government Code shall apply to restitution imposed pursuant to this section.

(p) The court clerk shall notify the California Victim Compensation Board within 90 days of an order of restitution being imposed if the defendant is ordered to pay restitution to the board due to the victim receiving compensation from the Restitution Fund. Notification shall be accomplished by mailing a copy of the court order to the board, which may be done periodically by bulk mail or email.

(q) Upon conviction for a violation of Section 236.1, the court shall, in addition to any other penalty or restitution, order the defendant to pay restitution to the victim in a case in which a victim has suffered economic loss as a result of the defendant's conduct. The court shall require that the defendant make restitution to the victim or victims in an amount established by court order, based on the amount of loss claimed by the victim or victims or another

showing to the court. In determining restitution pursuant to this section, the court shall base its order upon the greater of the following: the gross value of the victim's labor or services based upon the comparable value of similar services in the labor market in which the offense occurred, or the value of the victim's labor as guaranteed under California law, or the actual income derived by the defendant from the victim's labor or services or any other appropriate means to provide reparations to the victim.

(r) (1) In addition to any other penalty or fine, the court shall order a person who has been convicted of a violation of Section 350, 653h, 653s, 653u, 653w, or 653aa that involves a recording or audiovisual work to make restitution to an owner or lawful producer, or trade association acting on behalf of the owner or lawful producer, of a phonograph record, disc, wire, tape, film, or other device or article from which sounds or visual images are derived that suffered economic loss resulting from the violation. The order of restitution shall be based on the aggregate wholesale value of lawfully manufactured and authorized devices or articles from which sounds or visual images are devised corresponding to the number of nonconforming devices or articles involved in the offense, unless a higher value can be proved in the case of (A) an unreleased audio work, or (B) an audiovisual work that, at the time of unauthorized distribution, has not been made available in copies for sale to the general public in the United States on a digital versatile disc. For purposes of this subdivision, possession of nonconforming devices or articles intended for sale constitutes actual economic loss to an owner or lawful producer in the form of displaced legitimate wholesale purchases. The order of restitution shall also include reasonable costs incurred as a result of an investigation of the violation undertaken by the owner, lawful producer, or trade association acting on behalf of the owner or lawful producer. "Aggregate wholesale value" means the average wholesale value of lawfully manufactured and authorized sound or audiovisual recordings. Proof of the specific wholesale value of each nonconforming device or article is not required.

(2) As used in this subdivision, "audiovisual work" and "recording" shall have the same meaning as in Section 653w.

SEC. 241. Section 1202.41 of the Penal Code is amended to read:

1202.41. (a) (1) Notwithstanding Section 977 or any other law, if a defendant is currently incarcerated in a state prison with two-way audiovideo communication capability, the Department of Corrections, at the request of the California Victim Compensation Board, may collaborate with a court in any county to arrange for a hearing to impose or amend a restitution order, if the victim has received assistance pursuant to Article 5 (commencing with Section 13959) of Chapter 5 of Part 4 of Division 3 of Title 2 of the Government Code, to be conducted by two-way electronic audiovideo communication between the defendant and the courtroom in lieu of the defendant's physical presence in the courtroom, provided the county has agreed to make the necessary equipment available.

(2) Nothing in this subdivision shall be interpreted to eliminate the authority of the court to issue an order requiring the defendant to be physically present in the courtroom in those cases where the court finds circumstances that require the physical presence of the defendant in the courtroom.

(3) In lieu of the physical presence of the defendant's counsel at the institution with the defendant, the court and the Department of Corrections shall establish a confidential telephone and facsimile transmission line between the court and the institution for communication between the defendant's counsel in court and the defendant at the institution. In this case, counsel for the defendant shall not be required to be physically present at the institution during the hearing via electronic audiovideo communication. Nothing in this subdivision shall be construed to prohibit the physical presence of the defense counsel with the defendant at the state prison.

(b) If an inmate who is not incarcerated in a state prison with two-way audiovideo communication capability or ward does not waive his or her right to attend a restitution hearing for the amendment of a restitution order, the California Victim Compensation Board shall determine if the cost of holding the hearing is justified. If the board determines that the cost of holding the hearing is not justified, the amendment of the restitution order affecting that inmate or ward shall not be pursued at that time.

(c) Nothing in this section shall be construed to prohibit an individual or district attorney's office from independently pursuing the imposition or amendment of a restitution order that may result

in a hearing, regardless of whether the victim has received assistance pursuant to Article 1 (commencing with Section 13959) of Chapter 5 of Part 4 of Division 3 of Title 2 of the Government Code.

SEC. 242. Section 1214 of the Penal Code is amended to read:

1214. (a) If the judgment is for a fine, including a restitution fine ordered pursuant to Section 1202.4, 1202.44, or 1202.45, or Section 1203.04 as operative on or before August 2, 1995, or Section 13967 of the Government Code, as operative on or before September 28, 1994, with or without imprisonment, or a diversion restitution fee ordered pursuant to Section 1001.90, the judgment may be enforced in the manner provided for the enforcement of money judgments generally. Any portion of a restitution fine or restitution fee that remains unsatisfied after a defendant is no longer on probation, parole, postrelease community supervision pursuant to Section 3451, or mandatory supervision pursuant to subparagraph (B) of paragraph (5) of subdivision (h) of Section 1170, after a term in custody pursuant to subparagraph (A) of paragraph (5) of subdivision (h) of Section 1170, or after completing diversion is enforceable by the California Victim Compensation Board pursuant to this section. Notwithstanding any other provision of law prohibiting disclosure, the state, as defined in Section 900.6 of the Government Code, a local public entity, as defined in Section 900.4 of the Government Code, or any other entity, may provide the California Victim Compensation Board any and all information to assist in the collection of unpaid portions of a restitution fine for terminated probation or parole cases, or of a restitution fee for completed diversion cases. For purposes of the preceding sentence, "state, as defined in Section 900.6 of the Government Code," and "any other entity" shall not include the Franchise Tax Board. A local collection program may continue to collect restitution fines and restitution orders once a defendant is no longer on probation, postrelease community supervision, or mandatory supervision or after a term in custody pursuant to subparagraph (A) of paragraph (5) of subdivision (h) of Section 1170.

(b) In any case in which a defendant is ordered to pay restitution, the order to pay restitution (1) is deemed a money judgment if the defendant was informed of his or her right to have a judicial determination of the amount and was provided with a hearing,

waived a hearing, or stipulated to the amount of the restitution ordered, and (2) shall be fully enforceable by a victim as if the restitution order were a civil judgment, and enforceable in the same manner as is provided for the enforcement of any other money judgment. Upon the victim's request, the court shall provide the victim in whose favor the order of restitution is entered with a certified copy of that order and a copy of the defendant's disclosure pursuant to paragraph (5) of subdivision (f) of Section 1202.4, affidavit or information pursuant to paragraph (6) of subdivision (f) of Section 1202.4, or report pursuant to paragraph (8) of subdivision (f) of Section 1202.4. The court also shall provide this information to the district attorney upon request in connection with an investigation or prosecution involving perjury or the veracity of the information contained within the defendant's financial disclosure. In addition, upon request, the court shall provide the California Victim Compensation Board with a certified copy of any order imposing a restitution fine or order and a copy of the defendant's disclosure pursuant to paragraph (5) of subdivision (f) of Section 1202.4, affidavit or information pursuant to paragraph (6) of subdivision (f) of Section 1202.4, or report pursuant to paragraph (8) of subdivision (f) of Section 1202.4. A victim shall have access to all resources available under the law to enforce the restitution order, including, but not limited to, access to the defendant's financial records, use of wage garnishment and lien procedures, information regarding the defendant's assets, and the ability to apply for restitution from any fund established for the purpose of compensating victims in civil cases. Any portion of a restitution order that remains unsatisfied after a defendant is no longer on probation, parole, postrelease community supervision under Section 3451, or mandatory supervision imposed pursuant to subparagraph (B) of paragraph (5) of subdivision (h) of Section 1170 or after a term in custody pursuant to subparagraph (A) of paragraph (5) of subdivision (h) of Section 1170 is enforceable by the victim pursuant to this section. Victims and the California Victim Compensation Board shall inform the court whenever an order to pay restitution is satisfied. A local collection program may continue to enforce victim restitution orders once a defendant is no longer on probation, postrelease community supervision, or mandatory supervision or after completion of a term in custody

pursuant to subparagraph (A) of paragraph (5) of subdivision (h) of Section 1170.

(c) A defendant who owes a restitution fine, a restitution order, or any portion thereof, and who is released from the custody of a county jail facility after a term in custody pursuant to subparagraph (A) of paragraph (5) of subdivision (h) of Section 1170 shall have a continuing obligation to pay the restitution fine or restitution order in full.

(d) Except as provided in subdivision (d), and notwithstanding the amount in controversy limitation of Section 85 of the Code of Civil Procedure, a restitution order or restitution fine that was imposed pursuant to Section 1202.4 in any of the following cases may be enforced in the same manner as a money judgment in a limited civil case:

(1) In a misdemeanor case.

(2) In a case involving violation of a city or town ordinance.

(3) In a noncapital criminal case where the court has received a plea of guilty or nolo contendere.

(e) Chapter 3 (commencing with Section 683.010) of Division 1 of Title 9 of Part 2 of the Code of Civil Procedure shall not apply to any of the following:

(1) A judgment for court-ordered fines, forfeitures, penalties, fees, or assessments.

(2) A restitution fine or restitution order imposed pursuant to Section 1202.4, 1202.44, or 1202.45, or Section 1203.04, as operative on or before August 2, 1995, or Section 13967 of the Government Code, as operative on or before September 28, 1994.

(3) A diversion restitution fee ordered pursuant to Section 1001.90.

(10) A county public defender and a city attorney appointed by the Speaker of the Assembly.

(11) A defense attorney in private practice and a district attorney appointed by the Senate Committee on Rules.

(b) The Judicial Council shall designate a chairperson for the task force. The task force shall, among other duties, do all of the following:

(1) Identify all criminal and traffic-related court-ordered fees, fines, forfeitures, penalties, and assessments imposed under law.

(2) Identify the distribution of revenue derived from those debts and the expenditures made by those entities that benefit from the revenues.

(3) Consult with state and local entities that would be affected by a simplification and consolidation of criminal and traffic-related court-ordered debts.

(4) Evaluate and make recommendations to the Judicial Council and the Legislature for consolidating and simplifying the imposition of criminal and traffic-related court-ordered debts and the distribution of the revenue derived from those debts with the goal of improving the process for those entities that benefit from the revenues, and recommendations, if any, for adjustment to the court-ordered debts.

(c) The task force also shall document recent annual revenues from the various penalty assessments and surcharges and, to the extent feasible, evaluate the extent to which the amount of each penalty assessment and surcharge impacts total annual revenues, imposition of criminal sentences, and the actual amounts assessed.

(d) The task force also shall evaluate and make recommendations to the Judicial Council and the Legislature on or before June 30, 2011, regarding the priority in which court-ordered debts should be satisfied and the use of

comprehensive collection programs authorized pursuant to Section 1463.007, including associated cost-recovery practices.

SEC. 244. Section 1485.5 of the Penal Code is amended to read:

1485.5. (a) If the district attorney or Attorney General stipulates to or does not contest the factual allegations underlying one or more of the grounds for granting a writ of habeas corpus or a motion to vacate a judgment, the facts underlying the basis for the court's ruling or order shall be binding on the Attorney General, the factfinder, and the California Victim Compensation Board.

(b) The district attorney shall provide notice to the Attorney General prior to entering into a stipulation of facts that will be the basis for the granting of a writ of habeas corpus or a motion to vacate a judgment.

(c) The express factual findings made by the court, including credibility determinations, in considering a petition for habeas corpus, a motion to vacate judgment pursuant to Section 1473.6, or an application for a certificate of factual innocence, shall be binding on the Attorney General, the factfinder, and the California Victim Compensation Board.

(d) For the purposes of this section, "express factual findings" are findings established as the basis for the court's ruling or order.

(e) For purposes of this section, "court" is defined as a state or federal court.

SEC. 245. Section 1485.55 of the Penal Code is amended to read:

1485.55. (a) In a contested proceeding, if the court grants a writ of habeas corpus concerning a person who is unlawfully imprisoned or restrained, or when, pursuant to Section 1473.6, the court vacates a judgment on the basis of new evidence concerning a person who is no longer unlawfully imprisoned or restrained, and if the court finds that new evidence on the petition points unerringly to innocence, that finding shall be binding on the California Victim Compensation Board for a claim presented to the board, and upon application by the person, the board shall, without a hearing, recommend to the Legislature that an appropriation be made and the claim paid pursuant to Section 4904.

(b) If the court grants a writ of habeas corpus concerning a person who is unlawfully imprisoned or restrained on any ground

other than new evidence that points unerringly to innocence or actual innocence, the petitioner may move for a finding of innocence by a preponderance of the evidence that the crime with which he or she was charged was either not committed at all or, if committed, was not committed by him or her.

(c) If the court vacates a judgment pursuant to Section 1473.6, on any ground other than new evidence that points unerringly to innocence or actual innocence, the petitioner may move for a finding of innocence by a preponderance of the evidence that the crime with which he or she was charged was either not committed at all or, if committed, was not committed by him or her.

(d) If the court makes a finding that the petitioner has proven his or her innocence by a preponderance of the evidence pursuant to subdivision (b) or (c), the board shall, without a hearing, recommend to the Legislature that an appropriation be made and the claim paid pursuant to Section 4904.

(e) No presumption shall exist in any other proceeding for failure to make a motion or obtain a favorable ruling pursuant to subdivision (b) or (c).

(f) If a federal court, after granting a writ of habeas corpus, pursuant to a nonstatutory motion or request, finds a petitioner innocent by no less than a preponderance of the evidence that the crime with which he or she was charged was either not committed at all or, if committed, was not committed by him or her, the board shall, without a hearing, recommend to the Legislature that an appropriation be made and the claim paid pursuant to Section 4904.

(g) For the purposes of this section, "new evidence" means evidence that was not available or known at the time of trial that completely undermines the prosecution case and points unerringly to innocence.

SEC. 246. Section 1557 of the Penal Code is amended to read:

1557. (a) This section shall apply when this state or a city, county, or city and county employs a person to travel to a foreign jurisdiction outside this state for the express purpose of returning a fugitive from justice to this state when the Governor of this state, in the exercise of the authority conferred by Section 2 of Article IV of the United States Constitution, or by the laws of this state, has demanded the surrender of the fugitive from the executive authority of any state of the United States, or of any foreign government.

(b) Upon the approval of the Governor, the Controller shall audit and pay out of the State Treasury as provided in subdivision (c) or (d) the accounts of the person employed to bring back the fugitive, including any money paid by that person for all of the following:

(1) Money paid to the authorities of a sister state for statutory fees in connection with the detention and surrender of the fugitive.

(2) Money paid to the authorities of the sister state for the subsistence of the fugitive while detained by the sister state without payment of which the authorities of the sister state refuse to surrender the fugitive.

(3) Where it is necessary to present witnesses or evidence in the sister state, without which the sister state would not surrender the fugitive, the cost of producing the witnesses or evidence in the sister state.

(4) Where the appearance of witnesses has been authorized in advance by the Governor, who may authorize the appearance in unusual cases where the interests of justice would be served, the cost of producing witnesses to appear in the sister state on behalf of the fugitive in opposition to his or her extradition.

(c) No amount shall be paid out of the State Treasury to a city, county, or city and county except as follows:

(1) When a warrant has been issued by any magistrate after the filing of a complaint or the finding of an indictment and its presentation to the court and filing by the clerk, and the person named therein as defendant is a fugitive from justice who has been found and arrested in any state of the United States or in any foreign government, the county auditor shall draw his or her warrant and the county treasurer shall pay to the person designated to return the fugitive, the amount of expenses estimated by the district attorney to be incurred in the return of the fugitive.

(2) If the person designated to return the fugitive is a city officer, the city officer authorized to draw warrants on the city treasury shall draw his or her warrant and the city treasurer shall pay to that person the amount of expenses estimated by the district attorney to be incurred in the return of the fugitive.

(3) The person designated to return the fugitive shall make no disbursements from any funds advanced without a receipt being obtained therefor showing the amount, the purpose for which the sum is expended, the place, the date, and to whom paid.

(4) A receipt obtained pursuant to paragraph (3) shall be filed by the person designated to return the fugitive with the county auditor or appropriate city officer or the Controller, as the case may be, together with an affidavit by the person that the expenditures represented by the receipts were necessarily made in the performance of duty, and when the advance has been made by the county or city treasurer to the person designated to return the fugitive, and has thereafter been audited by the Controller, the payment thereof shall be made by the State Treasurer to the county or city treasury that has advanced the funds.

(5) In every case where the expenses of the person employed to bring back the fugitive as provided in this section, are less than the amount advanced on the recommendation of the district attorney, the person employed to bring back the fugitive shall return to the county or city treasurer, as appropriate, the difference in amount between the aggregate amount of receipts so filed by him or her, as herein employed, and the amount advanced to the person upon the recommendation of the district attorney.

(6) When no advance has been made to the person designated to return the fugitive, the sums expended by him or her, when audited by the Controller, shall be paid by the State Treasurer to the person so designated.

(7) Any payments made out of the State Treasury pursuant to this section shall be made from appropriations for the fiscal year in which those payments are made.

(d) Payments to state agencies will be made in accord with the rules of the Department of General Services. No city, county, or other jurisdiction may file, and the state may not reimburse, a claim pursuant to this section that is presented to the Department of Corrections and Rehabilitation or to any other agency or department of the state more than six months after the close of the month in which the costs were incurred.

minimum of 20 percent or the balance owing on the fine amount, whichever is less, up to a maximum of 50 percent from the wages and trust account deposits of a prisoner, unless prohibited by federal law, and shall transfer that amount to the California Victim Compensation Board for deposit in the Restitution Fund in the State Treasury. The amount deducted shall be credited against the amount owing on the fine. The sentencing court shall be provided a record of the payments.

The secretary shall transfer that amount to the California Victim Compensation Board for direct payment to the victim, or payment shall be made to the Restitution Fund to the extent that the victim has received assistance pursuant to that

program. The sentencing court shall be provided a record of the payments made to victims and of the payments deposited to the Restitution Fund pursuant to this subdivision.

(d) When a prisoner is punished by imprisonment in a county jail pursuant to subdivision (h) of Section 1170, in any case in which a prisoner owes a restitution order imposed pursuant to subdivision (c) of Section 13967 of the Government Code, as operative prior to September 29, 1994, subdivision (h) of Section 730.6 of the Welfare and Institutions Code, or subdivision (b) of Section 1202.4, the agency designated by the board of supervisors in the county where the prisoner is incarcerated is authorized to deduct a minimum of 20 percent or the balance owing on the order amount, whichever is less, up to a maximum of 50 percent from the county jail equivalent of wages and trust account deposits of a prisoner, unless prohibited by federal law. The agency shall transfer that amount to the California Victim Compensation Board for direct payment to the victim, or payment shall be made to the Restitution Fund to the extent that the victim has received assistance pursuant to that program, or may pay the victim directly. The sentencing court shall be provided a record of the payments made to the victims and of the payments deposited to the Restitution Fund pursuant to this subdivision.

(e) The secretary shall deduct and retain from the wages and trust account deposits of a prisoner, unless prohibited by federal law, an administrative fee that totals 10 percent of any amount transferred to the California Victim Compensation Board pursuant to subdivision (a) or (c). The secretary shall deduct and retain from any prisoner settlement or trial award, an administrative fee that totals 5 percent of any amount paid from the settlement or award to satisfy an outstanding restitution order or fine pursuant to subdivision (n), unless prohibited by federal law. The secretary shall deposit the administrative fee moneys in a special deposit account for reimbursing administrative and support costs of the restitution program of the Department of Corrections and Rehabilitation. The secretary, at his or her discretion, may retain any excess funds in the special deposit account for future reimbursement of the department’s administrative and support costs for the restitution program or may transfer all or part of the excess funds for deposit in the Restitution Fund.

(f) When a prisoner is punished by imprisonment in a county jail pursuant to subdivision (h) of Section 1170, the agency designated by the board of supervisors in the county where the prisoner is incarcerated is authorized to deduct and retain from the county jail equivalent of wages and trust account deposits of a prisoner, unless prohibited by federal law, an administrative fee that totals 10 percent of any amount transferred to the California Victim Compensation Board pursuant to subdivision (b) or (d). The agency is authorized to deduct and retain from a prisoner settlement or trial award an administrative fee that totals 5 percent of any amount paid from the settlement or award to satisfy an outstanding restitution order or fine pursuant to subdivision (n), unless prohibited by federal law. Upon release from custody pursuant to subdivision (h) of Section 1170, the agency is authorized to charge a fee to cover the actual administrative cost of collection, not to exceed 10 percent of the total amount collected. The agency shall deposit the administrative fee moneys in a special deposit account for reimbursing administrative and support costs of the restitution program of the agency. The agency is authorized to retain any excess funds in the special deposit account for future reimbursement of the agency's administrative and support costs for the restitution program or may transfer all or part of the excess funds for deposit in the Restitution Fund.

The secretary or the agency shall transfer that amount to the California Victim Compensation Board for deposit in the Restitution Fund in the State Treasury. The amount deducted shall be credited against the amount owing on the fine. The sentencing court shall be provided a record of the payments.

(h) In any case in which a parolee owes a direct order of restitution, imposed pursuant to subdivision (c) of Section 13967 of the Government Code, as operative prior to September 29, 1994, subdivision (h) of Section 730.6 of the Welfare and Institutions Code, or paragraph (3) of subdivision (a) of Section 1202.4, the secretary, or, when a prisoner is punished by imprisonment in a county jail pursuant to subdivision (h) of Section 1170, the agency designated by the board of supervisors in the county where the prisoner is incarcerated or a local collection program, may collect from the parolee or, pursuant to Section 2085.6, from a person previously imprisoned in county jail any moneys owing, unless prohibited by federal law. The secretary or the agency shall transfer that amount to the California Victim Compensation Board for direct payment to the victim, or payment shall be made to the Restitution Fund to the extent that the victim has received assistance pursuant to that program, or the agency may pay the victim directly. The sentencing court shall be provided a record of the payments made by the offender pursuant to this subdivision.

(i) The secretary, or, when a prisoner is punished by imprisonment in a county jail pursuant to subdivision (h) of Section 1170, the agency designated by the board of supervisors in the county where the prisoner is incarcerated, may deduct and retain from moneys collected from parolees or persons previously imprisoned in county jail an administrative fee that totals 10 percent of any amount transferred to the California Victim Compensation Board pursuant to subdivision (g) or (h), unless prohibited by federal law. The secretary shall deduct and retain from any settlement or trial award of a parolee an administrative fee that totals 5 percent of an amount paid from the settlement or award to satisfy an outstanding restitution order or fine pursuant to subdivision (n), unless prohibited by federal law. The agency is authorized to deduct and retain from any settlement or trial award of a person previously imprisoned in county jail an administrative fee that totals 5 percent of any amount paid from the settlement or award to satisfy an outstanding restitution order or fine pursuant to subdivision (n). The secretary or the agency shall deposit the administrative fee moneys in a special deposit account for reimbursing administrative and support costs of the restitution program of the Department of Corrections and Rehabilitation or the agency, as applicable. The secretary, at his or her discretion,

or the agency may retain any excess funds in the special deposit account for future reimbursement of the department's or agency's administrative and support costs for the restitution program or may transfer all or part of the excess funds for deposit in the Restitution Fund.

(j) When a prisoner has both a restitution fine and a restitution order from the sentencing court, the Department of Corrections and Rehabilitation shall collect the restitution order first pursuant to subdivision (c).

(k) When a prisoner is punished by imprisonment in a county jail pursuant to subdivision (h) of Section 1170 and that prisoner has both a restitution fine and a restitution order from the sentencing court, if the agency designated by the board of supervisors in the county where the prisoner is incarcerated collects the fine and order, the agency shall collect the restitution order first pursuant to subdivision (d).

(*l*) When a parolee has both a restitution fine and a restitution order from the sentencing court, the Department of Corrections and Rehabilitation, or, when the prisoner is punished by imprisonment in a county jail pursuant to subdivision (h) of Section 1170, the agency designated by the board of supervisors in the county where the prisoner is incarcerated, may collect the restitution order first, pursuant to subdivision (h).

(m) If an inmate is housed at an institution that requires food to be purchased from the institution canteen for unsupervised overnight visits, and if the money for the purchase of this food is received from funds other than the inmate's wages, that money shall be exempt from restitution deductions. This exemption shall apply to the actual amount spent on food for the visit up to a maximum of fifty dollars ($50) for visits that include the inmate and one visitor, seventy dollars ($70) for visits that include the inmate and two or three visitors, and eighty dollars ($80) for visits that include the inmate and four or more visitors.

(n) Compensatory or punitive damages awarded by trial or settlement to any inmate, parolee, person placed on postrelease community supervision pursuant to Section 3451, or defendant on mandatory supervision imposed pursuant to subparagraph (B) of paragraph (5) of subdivision (h) of Section 1170, in connection with a civil action brought against a federal, state, or local jail, prison, or correctional facility, or any official or agent thereof,

shall be paid directly, after payment of reasonable attorney's fees and litigation costs approved by the court, to satisfy any outstanding restitution orders or restitution fines against that person. The balance of the award shall be forwarded to the payee after full payment of all outstanding restitution orders and restitution fines, subject to subdivisions (e) and (i). The Department of Corrections and Rehabilitation shall make all reasonable efforts to notify the victims of the crime for which that person was convicted concerning the pending payment of any compensatory or punitive damages. For any prisoner punished by imprisonment in a county jail pursuant to subdivision (h) of Section 1170, the agency is authorized to make all reasonable efforts to notify the victims of the crime for which that person was convicted concerning the pending payment of any compensatory or punitive damages.

(o) (1) Amounts transferred to the California Victim Compensation Board for payment of direct orders of restitution shall be paid to the victim within 60 days from the date the restitution revenues are received by the California Victim Compensation Board. If the restitution payment to a victim is less than twenty-five dollars ($25), then payment need not be forwarded to that victim until the payment reaches twenty-five dollars ($25) or when the victim requests payment of the lesser amount.

(2) If a victim cannot be located, the restitution revenues received by the California Victim Compensation Board on behalf of the victim shall be held in trust in the Restitution Fund until the end of the state fiscal year subsequent to the state fiscal year in which the funds were deposited or until the time that the victim has provided current address information, whichever occurs sooner. Amounts remaining in trust at the end of the specified period of time shall revert to the Restitution Fund.

(3) (A) A victim failing to provide a current address within the period of time specified in paragraph (2) may provide documentation to the Department of Corrections and Rehabilitation, which shall verify that moneys were collected on behalf of the victim. Upon receipt of that verified information from the Department of Corrections and Rehabilitation, the California Victim Compensation Board shall transmit the restitution revenues to the victim in accordance with the provisions of subdivision (c) or (h).

(B) A victim failing to provide a current address within the period of time specified in paragraph (2) may provide documentation to the agency designated by the board of supervisors in the county where the prisoner punished by imprisonment in a county jail pursuant to subdivision (h) of Section 1170 is incarcerated, which may verify that moneys were collected on behalf of the victim. Upon receipt of that verified information from the agency, the California Victim Compensation Board shall transmit the restitution revenues to the victim in accordance with the provisions of subdivision (d) or (h).

SEC. 248. Section 2085.6 of the Penal Code is amended to read:

2085.6. The restitution fine obligation and any portion left unsatisfied upon placement in postrelease community supervision or mandatory supervision is enforceable and may be collected, in a manner to be established by the county board of supervisors, by the department or county agency designated by the board of supervisors in the county where the prisoner is released. If a county elects to collect restitution fines, the department or county agency designated by the county board of supervisors shall transfer the amount collected to the California Victim Compensation Board for deposit in the Restitution Fund in the State Treasury.

(b) When a prisoner who owes payment for a restitution order, or any portion thereof, is released from the custody of the Department of Corrections and Rehabilitation or a county jail facility, and is subject to postrelease community supervision under Section 3451 or mandatory supervision under subdivision (h) of Section 1170, he or she shall have a continuing obligation to pay the restitution order in full. The restitution order obligation and any portion left unsatisfied upon placement in postrelease community supervision or mandatory supervision is enforceable and may be collected, in a manner to be established by the county board of supervisors, by the agency designated by the county board

of supervisors in the county where the prisoner is released. If the county elects to collect the restitution order, the agency designated by the county board of supervisors for collection shall transfer the collected amount to the California Victim Compensation for deposit in the Restitution Fund in the State Treasury or may pay the victim directly. The sentencing court shall be provided a record of payments made to the victim and of the payments deposited into the Restitution Fund.

(c) Any portion of a restitution order or restitution fine that remains unsatisfied after an individual is released from postrelease community supervision or mandatory supervision shall continue to be enforceable by a victim pursuant to Section 1214 until the obligation is satisfied.

(d) At its discretion, a county board of supervisors may impose a fee upon the individual subject to postrelease community supervision or mandatory supervision to cover the actual administrative cost of collecting the restitution fine and the restitution order, not to exceed 10 percent of the amount collected, the proceeds of which shall be deposited into the general fund of the county.

(e) If a county elects to collect both a restitution fine and a restitution order, the amount owed on the restitution order shall be collected before the restitution fine.

(f) If a county elects to collect restitution fines and restitution orders pursuant to this section, the county shall coordinate efforts with the Franchise Tax Board pursuant to Section 19280 of the Revenue and Taxation Code.

(g) Pursuant to Section 1214, the county agency selected by a county board of supervisors to collect restitution fines and restitution orders may collect restitution fines and restitution orders after an individual is no longer on postrelease community supervision or mandatory supervision or after a term in custody pursuant to subparagraph (A) of paragraph (5) of subdivision (h) of Section 1170.

(h) For purposes of this section, the following definitions shall apply:

(1) “Restitution fine” means a fine imposed pursuant to subdivision (a) of Section 13967 of the Government Code, as operative prior to September 29, 1994, subdivision (b) of Section

It is the intent of the Legislature that moneys in this fund only be expended on services other than those that the department is required to provide to inmates.

SEC. 250. Section 4900 of the Penal Code is amended to read:

4900. Any person who, having been convicted of any crime against the state amounting to a felony and imprisoned in the state prison or incarcerated in county jail pursuant to subdivision (h) of Section 1170 for that conviction, is granted a pardon by the Governor for the reason that the crime with which he or she was charged was either not committed at all or, if committed, was not committed by him or her, or who, being innocent of the crime with which he or she was charged for either of the foregoing reasons, shall have served the term or any part thereof for which he or she was imprisoned in state prison or incarcerated in county jail, may, under the conditions provided under this chapter, present a claim against the state to the California Victim Compensation Board for the pecuniary injury sustained by him or her through the erroneous conviction and imprisonment or incarceration.

SEC. 251. Section 4901 of the Penal Code is amended to read:

4901. (a) A claim under Section 4900, accompanied by a statement of the facts constituting the claim, verified in the manner provided for the verification of complaints in civil actions, is required to be presented by the claimant to the California Victim Compensation Board within a period of two years after judgment of acquittal or after pardon granted, or after release from custody,

and no claim not so presented shall be considered by the California Victim Compensation Board.

(b) For purposes of subdivision (a), "release from custody" means release from imprisonment from state prison or from incarceration in county jail when there is no subsequent parole jurisdiction exercised by the Department of Correction and Rehabilitation or postrelease jurisdiction under a community corrections program, or when there is a parole period or postrelease period subject to jurisdiction of a community corrections program, when that period ends.

(c) A person may not file a claim under Section 4900 until 60 days have passed since the date of reversal of conviction or granting of the writ, or while the case is pending upon an initial refiling, or until a complaint or information has been dismissed a single time.

SEC. 252. Section 4902 of the Penal Code is amended to read:

4902. (a) If the provisions of Section 851.865 or 1485.55 apply in any claim, the California Victim Compensation Board shall, within 30 days of the presentation of the claim, calculate the compensation for the claimant pursuant to Section 4904 and recommend to the Legislature payment of that sum. As to any claim to which Section 851.865 or 1485.55 does not apply, the Attorney General shall respond to the claim within 60 days or request an extension of time, upon a showing of good cause.

(b) Upon receipt of a response from the Attorney General, the board shall fix a time and place for the hearing of the claim, and shall mail notice thereof to the claimant and to the Attorney General at least 15 days prior to the time fixed for the hearing. The board shall use reasonable diligence in setting the date for the hearing and shall attempt to set the date for the hearing at the earliest date convenient for the parties and the board.

(c) If the time period for response elapses without a request for extension or a response from the Attorney General pursuant to subdivision (a), the board shall fix a time and place for the hearing of the claim, mail notice thereof to the claimant at least 15 days prior to the time fixed for the hearing, and make a recommendation based on the claimant's verified claim and any evidence presented by him or her.

SEC. 253. Section 4904 of the Penal Code is amended to read:

4904. If the evidence shows that the crime with which the claimant was charged was either not committed at all, or, if

committed, was not committed by the claimant, and that the claimant has sustained injury through his or her erroneous conviction and imprisonment, the California Victim Compensation Board shall report the facts of the case and its conclusions to the next Legislature, with a recommendation that the Legislature make an appropriation for the purpose of indemnifying the claimant for the injury. The amount of the appropriation recommended shall be a sum equivalent to one hundred forty dollars ($140) per day of incarceration served, and shall include any time spent in custody, including in a county jail, that is considered to be part of the term of incarceration. That appropriation shall not be treated as gross income to the recipient under the Revenue and Taxation Code.

SEC. 254. Section 4905 of the Penal Code is amended to read:

4905. The California Victim Compensation Board shall make up its report and recommendation and shall give to the Controller a statement showing its recommendations for appropriations under this chapter, as provided by law in cases of other claimants against the state for which no appropriations have been made.

4906. The California Victim Compensation Board is hereby authorized to make all needful rules and regulations consistent with the law for the purpose of carrying into effect this chapter.

SEC. 256. Section 11163 of the Penal Code is amended to read:

11163. (a) The Legislature finds and declares that even though the Legislature has provided for immunity from liability, pursuant to Section 11161.9, for persons required or authorized to report pursuant to this article, that immunity does not eliminate the possibility that actions may be brought against those persons based upon required reports of abuse pursuant to other laws.

In order to further limit the financial hardship that those persons may incur as a result of fulfilling their legal responsibility, it is necessary that they not be unfairly burdened by legal fees incurred in defending those actions.

(b) (1) Therefore, a health practitioner may present a claim to the Department of General Services for reasonable attorney's fees incurred in any action against that person on the basis of that person reporting in accordance with this article if the court dismisses the action upon a demurrer or motion for summary judgment made by that person or if that person prevails in the action.

(2) The Department of General Services shall allow the claim pursuant to paragraph (1) if the requirements of paragraph (1) are met, and the claim shall be paid from an appropriation to be made for that purpose. Attorney's fees awarded pursuant to this section shall not exceed an hourly rate greater than the rate charged by the Attorney General at the time the award is made and shall not exceed an aggregate amount of fifty thousand dollars ($50,000).

(3) This subdivision shall not apply if a public entity has provided for the defense of the action pursuant to Section 995 of the Government Code.

SEC. 257. Section 11172 of the Penal Code is amended to read:

11172. (a) No mandated reporter shall be civilly or criminally liable for any report required or authorized by this article, and this immunity shall apply even if the mandated reporter acquired the knowledge or reasonable suspicion of child abuse or neglect outside of his or her professional capacity or outside the scope of his or her employment. Any other person reporting a known or suspected instance of child abuse or neglect shall not incur civil or criminal liability as a result of any report authorized by this article unless it can be proven that a false report was made and the person knew that the report was false or was made with reckless disregard of the truth or falsity of the report, and any person who makes a report of child abuse or neglect known to be false or with reckless disregard of the truth or falsity of the report is liable for any damages caused. No person required to make a report pursuant to this article, nor any person taking photographs at his or her direction, shall incur any civil or criminal liability for taking photographs of a suspected victim of child abuse or neglect, or causing photographs to be taken of a suspected victim of child abuse or neglect, without parental consent, or for disseminating the photographs, images, or material with the reports required by this article. However, this section shall not be construed to grant immunity from this liability with respect to any other use of the photographs.

(b) Any person, who, pursuant to a request from a government agency investigating a report of suspected child abuse or neglect, provides the requesting agency with access to the victim of a known or suspected instance of child abuse or neglect shall not incur civil or criminal liability as a result of providing that access.

(c) Any commercial computer technician, and any employer of any commercial computer technician, who, pursuant to a warrant from a law enforcement agency investigating a report of suspected child abuse or neglect, provides the law enforcement agency with a computer or computer component which contains possible evidence of a known or suspected instance of child abuse or neglect, shall not incur civil or criminal liability as a result of providing that computer or computer component to the law enforcement agency.

(d) (1) The Legislature finds that even though it has provided immunity from liability to persons required or authorized to make reports pursuant to this article, that immunity does not eliminate the possibility that actions may be brought against those persons based upon required or authorized reports. In order to further limit the financial hardship that those persons may incur as a result of fulfilling their legal responsibilities, it is necessary that they not be unfairly burdened by legal fees incurred in defending those actions. Therefore, a mandated reporter may present a claim to the Department of General Services for reasonable attorney's fees and costs incurred in any action against that person on the basis of making a report required or authorized by this article if the court has dismissed the action upon a demurrer or motion for summary judgment made by that person, or if he or she prevails in the action. The Department of General Services shall allow that claim if the requirements of this subdivision are met, and the claim shall be paid from an appropriation to be made for that purpose. Attorney's fees awarded pursuant to this section shall not exceed an hourly rate greater than the rate charged by the Attorney General of the State of California at the time the award is made and shall not exceed an aggregate amount of fifty thousand dollars ($50,000).

(2) This subdivision shall not apply if a public entity has provided for the defense of the action pursuant to Section 995 of the Government Code.

(e) A court may award attorney's fees and costs to a commercial film and photographic print processor when a suit is brought against the processor because of a disclosure mandated by this article and the court finds this suit to be frivolous.

(1) It provides comprehensive services to victims and witnesses of all types of crime. It is the intent of the Legislature to make funds available only to programs that do not restrict services to victims and witnesses of a particular type of crime, and do not restrict services to victims of crime in which there is a suspect in the case.

(2) It is recognized by the board of supervisors as the major provider of comprehensive services to victims and witnesses in the county.

(3) It is selected by the board of supervisors as the agency to receive funds pursuant to this article.

(4) It assists victims of crime in the preparation, verification, and presentation of their claims to the California Victim Compensation Board for indemnification pursuant to Article 1 (commencing with Section 13959) of Part 4 of Division 3 of Title 2 of the Government Code.

(5) It cooperates with the California Victim Compensation Board in verifying the data required by Article 1 (commencing with Section 13959) of Part 4 of Division 3 of Title 2 of the Government Code.

(b) The Office of Emergency Services shall consider the following factors, together with any other circumstances it deems appropriate, in awarding funds to public or private nonprofit agencies designated as victim and witness assistance centers:

(1) The capability of the agency to provide comprehensive services as defined in this article.

(2) The stated goals and objectives of the center.

(3) The number of people to be served and the needs of the community.

(4) Evidence of community support.

(5) The organizational structure of the agency that will operate the center.

(b) The estate attorney, or if there is no estate attorney, the beneficiary, the personal representative, or the person in possession of property of the decedent shall give the Director of the California Victim Compensation Board notice of a decedent's death not later than 90 days after the date of death in either of the following circumstances:

(3) A copy of the decedent's death certificate.

(4) The probate case number, and the name of the superior court hearing the case.

(d) Nothing in this section shall be interpreted as requiring the estate attorney, the beneficiary, the personal representative, or the person in possession of property of the decedent to conduct an additional investigation to determine whether a decedent has an heir or beneficiary who has been confined in a prison or facility under the jurisdiction of the Department of Corrections and Rehabilitation, or its Division of Juvenile Facilities, or confined in any county or city jail, road camp, industrial farm, or other local correctional facility.

SEC. 261. Section 9202 of the Probate Code is amended to read:

9202. (a) Not later than 90 days after the date letters are first issued to a general personal representative, the general personal representative or estate attorney shall give the Director of Health Care Services notice of the decedent's death in the manner provided in Section 215 if the general personal representative knows or has reason to believe that the decedent received health care under Chapter 7 (commencing with Section 14000) or Chapter 8 (commencing with Section 14200) of Part 3 of Division 9 of the Welfare and Institutions Code, or was the surviving spouse of a person who received that health care. SEC. 262. Section 10301 of the Public Contract Code is amended to read:

10301. Except in cases when the agency and the department agree that an article of a specified brand or trade name is the only article that will properly meet the needs of the agency, or in cases where the Department of General Services has made a determination pursuant to Section 10308, all contracts for the acquisition or lease of goods in an amount of twenty-five thousand dollars ($25,000), or a higher amount as established by the director, shall be made or entered into with the lowest responsible bidder meeting specifications.

For purposes of determining the lowest bid, the amount of sales tax shall be excluded from the total amount of the bid.

SEC. 263. Section 10306 of the Public Contract Code is amended to read:

10306. Whenever a contract or purchase order under this article is not to be awarded to the lowest bidder, the bidder shall be notified 24 hours prior to awarding the contract or purchase order to another bidder. Upon written request by any bidder who has submitted a bid, notice of the proposed award shall be posted in a public place in the offices of the department at least 24 hours prior to awarding the contract or purchase order. If prior to making the award, any bidder who has submitted a bid files a protest with the department against the awarding of the contract or purchase order on the ground that he or she is the lowest responsible bidder meeting specifications, the contract or purchase order shall not be awarded until either the protest has been withdrawn or the

department has made a final decision as to the action to be taken relative to the protest. In computing the 24-hour periods provided for in this section, Saturdays, Sundays, and legal holidays shall be excluded.

Within 10 days after filing a protest, the protesting bidder shall file with the department a full and complete written statement specifying in detail the ground of the protest and the facts in support thereof.

SEC. 264. Section 10308 of the Public Contract Code is amended to read:

10308. Except as provided otherwise in this chapter, every acquisition of goods in excess of one hundred dollars ($100) for any state agency shall be made by or under the supervision of the department. However, the state agency may specify the quality of the goods to be acquired. If the department determines that the quality specified by the agency is inconsistent with the statewide standards established by the director under Section 10307, it shall change the request to make it consistent with the standards, and it shall notify the state agency, within a reasonable time, before a contract is issued. If the agency is of the opinion the interests of the state would not be served by the acquisition of goods of a lesser quality or different than that specified by the agency, the agency may request a hearing before the department and the department shall determine which goods will best serve the interests of the state, whereupon the department shall issue a contract for the goods specified by the department.

SEC. 265. Section 10311 of the Public Contract Code is amended to read:

10311. (a) An estimate or requisition approved by the state agency in control of the appropriation or fund against which an acquisition is to be charged, is full authority for any contract for goods of the quality specified by the agency or determined by the department as provided in this article made pursuant thereto by the department.

(b) The department shall issue a call for bids within 30 days after receiving a requisition for any goods that are regularly acquired within this state. The period of closing time designated in the invitations for bids shall be exclusive of holidays and shall be extended to the next working day after a holiday.

(c) Except as provided in subdivision (d), after the closing date for receiving any bids within or without this state, the contract shall be awarded or the bids shall be rejected within 45 days unless a protest is filed as provided in Section 10306.

(d) After the 45-day time period prescribed by subdivision (c), the department may in its sound discretion either award the contract to the lowest responsible bidder meeting specifications who remains willing to accept the award or else reject all bids.

(e) The amendments made to this section at the 1987–88 Regular Session of the Legislature do not constitute a change in, but are declaratory of, existing law.

SEC. 266. Section 10326.2 of the Public Contract Code is amended to read:

10326.2. (a) As used in this section, "best value procurement" means a contract award determined by objective criteria related to price, features, functions, and life-cycle costs that may include the following:

(2) Product performance, productivity, and safety standards.

(3) The supplier's ability to perform to the contract requirements.

(4) Environmental benefits, including reduction of greenhouse gas emissions, reduction of air pollutant emissions, or reduction of toxic or hazardous materials.

(b) The department may purchase and equip heavy mobile fleet vehicles and special equipment for use by the Department of Transportation by means of best value procurement, using specifications and criteria developed in consultation with the Department of Transportation.

(c) In addition to disclosure of the minimum requirements for qualification, the solicitation document shall specify what business performance measures in addition to price shall be given a weighted value. The department shall use a scoring method based on those factors and price in determining the successful bid. Any evaluation and scoring method shall ensure substantial weight is given to the contract price. The solicitation document shall provide for submission of sealed price information. Evaluation of all criteria other than price shall be completed before the opening of price information.

(d) Upon written request of any bidder who has submitted a bid, notice of the proposed award shall be posted in a public place in the offices of the department at least 24 hours before awarding the contract or purchase order. If, before making an award, any bidder who has submitted a bid files a protest with the department against the awarding of the contract or purchase order on the ground that his or her bid should have been selected in accordance with the selection criteria in the solicitation document, the contract or purchase order shall not be awarded until either the protest has been withdrawn or the department has made a final decision as to the action to be taken relative to the protest. Within 10 days after filing a protest, the protesting bidder shall file with the department a full and complete written statement specifying in detail the ground of the protest and the facts in support thereof.

(e) The total value of vehicles and equipment purchased through best value procurement pursuant to this section shall be limited to twenty million dollars ($20,000,000) annually.

(f) On or before June 1, 2020, the Department of General Services shall prepare an evaluation of the best value procurement pilot authorized by this section, including a recommendation on whether or not the process should be continued. The evaluation shall be posted on the Department of Transportation's Internet Web site on or before June 30, 2020.

(g) This section shall remain in effect only until January 1, 2021, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2021, deletes or extends that date.

SEC. 267. Section 12102.2 of the Public Contract Code is amended to read:

12102.2. (a) Contract awards for all large-scale systems integration projects shall be based on the proposal that provides the most value-effective solution to the state's requirements, as determined by the evaluation criteria contained in the solicitation document. Evaluation criteria for the acquisition of information technology goods and services, including systems integration, shall provide for the selection of a contractor on an objective basis not limited to cost alone.

(1) The Department of Technology shall invite active participation, review, advice, comment, and assistance from the private sector and state agencies in developing procedures to streamline and to make the acquisition process more efficient,

including, but not limited to, consideration of comprehensive statements in the request for proposals of the business needs and governmental functions, access to studies, planning documents, feasibility study reports and draft requests for proposals applicable to solicitations, minimizing the time and cost of the proposal submittal and selection process, and development of a procedure for submission and evaluation of a single proposal rather than multiple proposals.

(2) Solicitations for acquisitions based on evaluation criteria other than cost alone shall provide that sealed cost proposals shall be submitted and that they shall be opened at a time and place designated in the solicitation for bids and proposals. Evaluation of all criteria, other than cost, shall be completed prior to the time designated for public opening of cost proposals, and the results of the completed evaluation shall be published immediately before the opening of cost proposals. The state's contact person for administration of the solicitation shall be identified in the solicitation for bids and proposals, and that person shall execute a certificate under penalty of perjury, which shall be made a permanent part of the official contract file, that all cost proposals received by the state have been maintained sealed and under lock and key until the time cost proposals are opened.

(b) The acquisition of hardware acquired independently of a system integration project may be made on the basis of lowest cost meeting all other specifications.

(c) The 5 percent small business preference provided for in Chapter 6.5 (commencing with Section 14835) of Part 5.5 of Division 3 of Title 2 of the Government Code and the regulations implementing that chapter shall be accorded to all qualifying small businesses.

(d) For all transactions formally advertised, evaluation of bidders' proposals for the purpose of determining contract award for information technology goods shall provide for consideration of a bidder's best financing alternatives, including lease or purchase alternatives, if any bidder so requests, not less than 30 days prior to the date of final bid submission, unless the acquiring agency can prove to the satisfaction of the Department of General Services that a particular financing alternative should not be so considered.

(e) Acquisition authority may be delegated by the Director of General Services to any state agency that has been determined by

the Department of General Services to be capable of effective use of that authority. This authority may be limited by the Department of General Services. Acquisitions conducted under delegated authority shall be reviewed by the Department of General Services on a selective basis.

(f) To the extent practical, the solicitation documents shall provide for a contract to be written to enable acquisition of additional items to avoid essentially redundant acquisition processes when it can be determined that it is economical to do so.

(g) Protest procedures shall be developed to provide bidders an opportunity to protest any formal, competitive acquisition conducted in accordance with this chapter. The procedures shall provide that protests must be filed no later than five working days after the issuance of an intent to award. Authority to protest may be limited to participating bidders. The Director of Technology, or a person designated by the director, may consider and decide on initial protests of bids for information technology projects conducted by the Department of Technology and telecommunications procurement made pursuant to Section 12120. The Director of the Department of General Services, or a person designated by the director, may consider and decide on initial protests of all other information technology acquisitions. A decision regarding an initial protest shall be final. If prior to the last day to protest, any bidder who has submitted an offer files a protest with the department against the awarding of the contract on the ground that his or her bid or proposal should have been selected in accordance with the selection criteria in the solicitation document, the contract shall not be awarded until either the protest has been withdrawn or the Department of General Services has made a final decision as to the action to be taken relating to the protest. Within 10 calendar days after filing a protest, the protesting bidder shall file with the Department of General Services a full and complete written statement specifying in detail the grounds of the protest and the facts in support thereof.

(h) Consistent with the procedures established and administered by the Department of General Services, information technology goods that have been determined to be surplus to state needs shall be disposed of in a manner that will best serve the interests of the

state. Procedures governing the disposal of surplus goods may include auction or transfer to local governmental entities.

(i) A supplier may be excluded from bid processes if the supplier's performance with respect to a previously awarded contract has been unsatisfactory, as determined by the state in accordance with established procedures that shall be maintained in the State Administrative Manual. This exclusion may not exceed 36 months for any one determination of unsatisfactory performance. Any supplier excluded in accordance with this section shall be reinstated as a qualified supplier at any time during this 36-month period, upon demonstrating to the Department of General Services' satisfaction that the problems that resulted in the supplier's exclusion have been corrected.

SEC. 268. Section 4116 of the Public Resources Code is amended to read:

4116. Any claim for damages arising against the state under Section 4114 or 4115 shall be presented to the Department of General Services in accordance with Part 3 (commencing with Section 900) and Part 4 (commencing with Section 940) of Division 3.6 of Title 1 of the Government Code and, if not covered by insurance, shall be payable only out of funds appropriated by the Legislature for that purpose. If the state has elected to acquire liability insurance, the Department of General Services may automatically deny this claim.

SEC. 269. Section 4602.6 of the Public Resources Code is amended to read:

4602.6. (a) If a timber operator believes that a forest officer lacked reasonable cause to issue or extend a stop order pursuant to Section 4602.5, the timber operator may present a claim to the Department of General Services pursuant to Part 3 (commencing with Section 900) of Division 3.6 of Title 1 of the Government Code for compensation and damages resulting from the stopping of timber operations.

(b) If the Department of General Services finds that the forest officer lacked reasonable cause to issue or extend the stop order, the department shall award a sum of not less than one hundred dollars ($100) nor more than one thousand dollars ($1,000) per day for each day the order was in effect.

SEC. 270. Section 5093.68 of the Public Resources Code is amended to read:

5093.68. (a) Within the boundaries of special treatment areas adjacent to wild, scenic, or recreational river segments, all of the following provisions shall apply, in addition to any other applicable provision under this chapter or generally, whether by statute or regulation:

(1) A timber operator, whether licensed or not, is responsible for the actions of his or her employees. The registered professional forester who prepares and signs a timber harvesting plan, a timber management plan, or a notice of timber operations is responsible for its contents, but is not responsible for the implementation or execution of the plan or notice unless employed for that purpose.

(2) A registered professional forester preparing a timber harvesting plan shall certify that he or she or a qualified representative has personally inspected the plan area on the ground.

(b) In order to temporarily suspend timber operations that are being conducted within special treatment areas adjacent to wild, scenic, or recreational rivers designated pursuant to Section 5093.54, while judicial remedies are pursued pursuant to this section, an inspecting forest officer of the Department of Forestry and Fire Protection may issue a written timber operations stop order if, upon reasonable cause, the officer determines that a timber operation is being conducted, or is about to be conducted, in violation of Chapter 8 (commencing with Section 4511) of Part 2 of Division 4, or of rules and regulations adopted pursuant to those provisions, and that the violation or threatened violation would result in imminent and substantial damage to soil, water, or timber resources or to fish and wildlife habitat. A stop order shall apply only to those acts or omissions that are the proximate cause of the violation or that are reasonably foreseen would be the proximate cause of a violation. The stop order shall be effective immediately and throughout the next day.

(c) A supervising forest officer may, after an onsite investigation, extend a stop order issued pursuant to subdivision (b) for up to five days, excluding Saturday and Sunday, if the forest officer finds that the original stop order was issued upon reasonable cause. A stop order shall not be issued or extended for the same act or omission more than one time.

(d) Each stop order shall identify the specific act or omission that constitutes a violation or that, if foreseen, would constitute a

violation, the specific timber operation that is to be stopped, and any corrective or mitigative actions that may be required.

(e) The Department of Forestry and Fire Protection may terminate the stop order if the timber operator enters into a written agreement with the department assuring that the timber operator will resume operations in compliance with the provisions of Chapter 8 (commencing with Section 4511) of Part 2 of Division 4, and with the rules and regulations adopted pursuant to those provisions, and will correct any violation. The department may require a reasonable cash deposit or bond payable to the department as a condition of compliance with the agreement.

(f) Notice of the issuance of a stop order or an extension of a stop order shall be deemed to have been made to all persons working on the timber operation when a copy of the written order is delivered to the person in charge of operations at the time that the order is issued or, if no persons are present at that time, by posting a copy of the order conspicuously on the yarder or log loading equipment at a currently active landing on the timber operations site. If no person is present at the site when the order is issued, the issuing forest officer shall deliver a copy of the order to the timber operator either in person or to the operator's address of record prior to the commencement of the next working day.

(g) As used in this section, "forest officer" means a registered professional forester employed by the Department of Forestry and Fire Protection in a civil service classification of forester II or higher grade.

(h) (1) Failure of the timber operator or an employee of the timber operator, after receiving notice pursuant to this section, to comply with a validly issued stop order is a violation of this section and is a misdemeanor punishable by a fine of not less than five hundred dollars ($500), or by imprisonment for not more than one year in the county jail, or both. The person shall also be subject to civil damages to the state not to exceed ten thousand dollars ($10,000) for each misdemeanor violation. However, in all cases, the timber operator, and not an employee of the operator or any other person, shall be charged with that violation. Each day or portion thereof that the violation continues shall constitute a new and separate offense.

(2) In determining the penalty for a timber operator guilty of violating a validly issued stop order, the court shall take into

consideration all relevant circumstances, including, but not limited to, the following:

(A) The extent of harm to soil, water, or timber resources or to fish and wildlife habitat.

(B) Corrective action, if any, taken by the defendant.

(i) Nothing in this section prevents a timber operator from seeking an alternative writ as prescribed in Chapter 2 (commencing with Section 1084) of Title 1 of Part 3 of the Code of Civil Procedure, or as provided by any other provision of law.

(j) (1) If a timber operator believes that a forest officer lacked reasonable cause to issue or extend a stop order pursuant to this section, the timber operator may present a claim to the Department of General Services pursuant to Part 3 (commencing with Section 900) of Division 3.6 of Title 1 of the Government Code for compensation and damages resulting from the stopping of timber operations.

(2) If the Department of General Services finds that the forest officer lacked reasonable cause to issue or extend the stop order, the board shall award a sum of not less than one hundred dollars ($100), nor more than one thousand dollars ($1,000), per day for each day the order was in effect.

SEC. 271. Chapter 6.7 (commencing with Section 21189.50) is added to Division 13 of the Public Resources Code, to read:

As used in this chapter, "capitol building annex project" means any work of construction of a state capitol building annex or restoration, rehabilitation, renovation, or reconstruction of the State Capitol Building Annex described in Section 9105 of the Government Code that is performed pursuant to Article 5.2 (commencing with Section 9112) of Chapter 1.5 of Part 1 of Division 2 of Title 2 of the Government Code.

21189.51. On or before July 1, 2017, the Judicial Council shall adopt a rule of court to establish procedures applicable to actions or proceedings brought to attack, review, set aside, void, or annul the certification of the environmental impact report for a capitol building annex project or the granting of any project approvals that require the actions or proceedings, including any potential

appeals therefrom, be resolved, to the extent feasible, within 270 days of certification of the record of proceedings pursuant to Section 21189.52.

21189.52. (a) The lead agency shall prepare and certify the record of the proceedings in accordance with this section and in accordance with Rule 3.1365 of the California Rules of Court.

(b) No later than three business days following the date of the release of the draft environmental impact report, the lead agency shall make available to the public in a readily accessible electronic format the draft environmental impact report and all other documents submitted to or relied on by the lead agency in the preparation of the draft environmental impact report. A document prepared by the lead agency after the date of the release of the draft environmental impact report that is a part of the record of the proceedings shall be made available to the public in a readily accessible electronic format within five business days after the document is prepared or received by the lead agency.

(c) Notwithstanding subdivision (b), documents submitted to or relied on by the lead agency that were not prepared specifically for the capitol building annex project and are copyright protected are not required to be made readily accessible in an electronic format. For those copyright protected documents, the lead agency shall make an index of these documents available in an electronic format no later than the date of the release of the draft environmental impact report, or within five business days if the document is received or relied on by the lead agency after the release of the draft environmental impact report. The index must specify the libraries or lead agency offices in which hard copies of the copyrighted materials are available for public review.

(d) The lead agency shall encourage written comments on the capitol building annex project to be submitted in a readily accessible electronic format, and shall make any such comment available to the public in a readily accessible electronic format within five days of its receipt.

(e) Within seven business days after the receipt of any comment that is not in an electronic format, the lead agency shall convert that comment into a readily accessible electronic format and make it available to the public in that format.

(f) The lead agency shall indicate in the record of the proceedings comments received that were not considered by the

lead agency pursuant to subdivision (d) of Section 21189.55 and need not include the content of the comments as a part of the record.

(g) Within five days after the filing of the notice required by subdivision (a) of Section 21152, the lead agency shall certify the record of the proceedings for the approval or determination and shall provide an electronic copy of the record to a party that has submitted a written request for a copy. The lead agency may charge and collect a reasonable fee from a party requesting a copy of the record for the electronic copy, which shall not exceed the reasonable cost of reproducing that copy.

(h) Within 10 days after being served with a complaint or a petition for a writ of mandate, the lead agency shall lodge a copy of the certified record of proceedings with the superior court.

(i) Any dispute over the content of the record of the proceedings shall be resolved by the superior court. Unless the superior court directs otherwise, a party disputing the content of the record shall file a motion to augment the record at the time it files its initial brief.

(j) The contents of the record of proceedings shall be as set forth in subdivision (e) of Section 21167.6.

21189.53. (a) In granting relief in an action or proceeding brought pursuant to this chapter, the court shall not enjoin the capitol building annex project unless the court finds either of the following:

(1) The continuation of the capitol building annex project presents an imminent threat to the public health and safety.

(2) The capitol building annex project site contains unforeseen important Native American artifacts or unforeseen important historical, archaeological, or ecological values that would be materially, permanently, and adversely affected by the continuation of the capitol building annex project unless the court stays or enjoins the capitol building annex project.

(b) If the court finds that either paragraph (1) or (2) of subdivision (a) is satisfied, the court shall only enjoin those specific activities associated with the capitol building annex project that present an imminent threat to public health and safety or that materially, permanently, and adversely affect unforeseen important Native American artifacts or unforeseen important historical, archaeological, or ecological values.

21189.54. (a) The draft and final environmental impact report shall include a notice in not less than 12-point type stating the following:

THIS EIR IS SUBJECT TO CHAPTER 6.7 (COMMENCING WITH SECTION 21189.50) OF DIVISION 13 OF THE PUBLIC RESOURCES CODE, WHICH PROVIDES, AMONG OTHER THINGS, THAT THE LEAD AGENCY NEED NOT CONSIDER CERTAIN COMMENTS FILED AFTER THE CLOSE OF THE PUBLIC COMMENT PERIOD FOR THE DRAFT EIR. ANY JUDICIAL ACTION CHALLENGING THE CERTIFICATION OF THE EIR OR THE APPROVAL OF THE PROJECT DESCRIBED IN THE EIR IS SUBJECT TO THE PROCEDURES SET FORTH IN SECTIONS 21189.51 TO 21189.53, INCLUSIVE, OF THE PUBLIC RESOURCES CODE. A COPY OF CHAPTER 6.7 (COMMENCING WITH SECTION 21189.50) OF DIVISION 13 OF THE PUBLIC RESOURCES CODE IS INCLUDED IN THE APPENDIX TO THIS EIR.

(b) The draft environmental impact report and final environmental impact report shall contain, as an appendix, the full text of this chapter.

(b) Within 10 days before the close of the public comment period, the lead agency shall hold a public hearing to receive testimony on the draft environmental impact report. A transcript of the hearing shall be included as an appendix to the final environmental impact report.

(c) (1) Within five days following the close of the public comment period, a commenter on the draft environmental impact report may submit to the lead agency a written request for nonbinding mediation. The lead agency shall participate in nonbinding mediation with all commenters who submitted timely comments on the draft environmental impact report and who requested the mediation. Mediation conducted pursuant to this paragraph shall end no later than 35 days after the close of the public comment period.

(2) A request for mediation shall identify all areas of dispute raised in the comment submitted by the commenter that are to be mediated.

(3) The lead agency shall select one or more mediators who shall be retired judges or recognized experts with at least five years experience in land use and environmental law or science, or mediation.

(4) A mediation session shall be conducted on each area of dispute with the parties requesting mediation on that area of dispute.

(5) The lead agency shall adopt, as a condition of approval, any measures agreed upon by the lead agency and any commenter who requested mediation. A commenter who agrees to a measure pursuant to this subparagraph shall not raise the issue addressed by that measure as a basis for an action or proceeding challenging the lead agency's decision to certify the environmental impact report or to grant one or more initial project approvals.

(d) The lead agency need not consider written comments submitted after the close of the public comment period, unless those comments address any of the following:

(1) New issues raised in the response to comments by the lead agency.

(2) New information released by the public agency subsequent to the release of the draft environmental impact report, such as new information set forth or embodied in a staff report, proposed permit, proposed resolution, ordinance, or similar documents.

(4) Proposed conditions for approval, mitigation measures, or proposed findings required by Section 21081 or a proposed reporting and monitoring program required by paragraph (1) of subdivision (a) of Section 21081.6, where the lead agency releases those documents subsequent to the release of the draft environmental impact report.

(5) New information that was not reasonably known and could not have been reasonably known during the public comment period.

21189.56. The provisions of this chapter are severable. If any provision of this chapter or its application is held to be invalid, that invalidity shall not affect any other provision or application that can be given effect without the invalid provision or application.

21189.57. Except as otherwise provided expressly in this chapter, nothing in this chapter affects the duty of any party to comply with this division.

SEC. 272. Section 30171.2 of the Public Resources Code is amended to read:

30171.2. (a) Except as provided in subdivision (b), on and after January 1, 1985, no agricultural conversion fees may be levied or collected under the agricultural subsidy program provided in the local coastal program of the City of Carlsbad that was adopted and certified pursuant to Section 30171. All other provisions of that program shall continue to be operative, including the right to develop designated areas as provided in the program.

(b) This section shall not affect any right or obligation under any agreement or contract entered into prior to January 1, 1985, pursuant to that agricultural subsidy program, including the payment of any fees and the right of development in accordance with the provisions of the agreement or contract. As to these properties, the agricultural subsidy fees in existence as of December 31, 1984, shall be paid and allocated within the City of Carlsbad, or on projects outside the city that benefit agricultural programs within the city, in accordance with the provisions of the agricultural subsidy program as it existed on September 30, 1984.

(c) Any agricultural conversion fees collected pursuant to the agricultural subsidy program and not deposited in the agricultural improvement fund in accordance with the local coastal program or that have not been expended in the form of agricultural subsidies assigned to landowners by the local coastal program land use policy plan on January 1, 1985, shall be used by the Department of General Services to reimburse the party that paid the fees if no agreements or contracts have been entered into or to the original parties to the agreements or contracts referred to in subdivision (b) in proportion to the amount of fees paid by the parties. However, if the property subject to the fee was under option at the time that the original agreement or contract was entered into and the optionee was a party to the agricultural subsidy agreement, payments allocable to that property shall be paid to the optionee in the event the optionee has exercised the option. Reimbursements under this section shall be paid within 90 days after January 1, 1985, or payment of the fee, whichever occurs later, and only after

waiver by the party being reimbursed of any potential legal rights resulting from enactment of this section.

(d) (1) Any person entitled to reimbursement of fees under subdivision (c) shall file a claim with the Department of General Services, which shall determine the validity of the claim and pay that person a pro rata share based on the relative amounts of fees paid under the local coastal program or any agreement or contract entered pursuant thereto.

(2) There is hereby appropriated to the Department of General Services the fees referred to in subdivision (c), for the purpose of making refunds under this section.

(e) Notwithstanding any geographical limitation contained in this division, funds deposited pursuant to subdivision (b) may be expended for physical or institutional development improvements needed to facilitate long-term agricultural production within the City of Carlsbad. These funds may be used to construct improvements outside the coastal zone boundaries in San Diego County if the improvements are not inconsistent with the Carlsbad local coastal program and the State Coastal Conservancy determines that the improvements will benefit agricultural production within the coastal zone of the City of Carlsbad.

(A) Terms and conditions that include the taxable year or years for which the credit allocated shall be allowed, a minimum compensation level, and a minimum job retention period.

(B) Provisions indicating whether the credit is to be allocated in full upon approval or in increments based on mutually agreed upon milestones when satisfactorily met by the taxpayer.

(C) Provisions that allow the committee to recapture the credit, in whole or in part, if the taxpayer fails to fulfill the terms and conditions of the written agreement.

(b) For purposes of this section:

(B) The taxpayer's current and prior compliance with federal and state laws.

(C) Current and prior litigation involving the taxpayer.

(D) The reasonableness of the fee arrangement between the taxpayer and any third party providing any services related to the credit allowed pursuant to this section.

(E) Any other factors GO-Biz deems necessary to ensure that the administration of the credit allowed pursuant to this section is a model of accountability and transparency and that the effective use of the limited amount of credit available is maximized.

(d) For purposes of this section, the Franchise Tax Board shall do all of the following:

(1) (A) Except as provided in subparagraph (B), review the books and records of all taxpayers allocated a credit pursuant to this section to ensure compliance with the terms and conditions of the written agreement between the taxpayer and GO-Biz.

(B) In the case of a taxpayer that is a "small business," as defined in Section 17053.73, review the books and records of the taxpayer allocated a credit pursuant to this section to ensure

(f) Any recapture, in whole or in part, of a credit approved by the committee pursuant to Section 18410.2 shall be treated as a mathematical error appearing on the return. Any amount of tax resulting from that recapture shall be assessed by the Franchise Tax Board in the same manner as provided by Section 19051. The amount of tax resulting from the recapture shall be added to the tax otherwise due by the taxpayer for the taxable year in which the committee's recapture determination occurred.

(iii) It is the intent of the Legislature that the reductions specified in this subparagraph of the aggregate amount of credit that may be allocated pursuant to this section and Section 23689 shall continue if the repeal dates of the credits allowed by this section and Section 23689 are removed or extended.

(2) (A) In addition to the other amounts determined pursuant to paragraph (1), the Director of Finance may increase the aggregate amount of credit that may be allocated pursuant to this section and Section 23689 by up to twenty-five million dollars

(c) (1) When it is established upon audit that the provider claimed payments related to services or costs that the department had previously notified the provider in an audit report that the costs or services were not reimbursable, the provider shall pay, in addition to the amount improperly claimed, a penalty of 10 percent of the amount improperly claimed after receipt of the notice, plus the cost of the audit.

(2) In addition to the penalty and costs specified by paragraph (1), interest shall be assessed at the rate specified in subdivision (h) of Section 14171.

(3) Providers that wish to preserve appeal rights or to challenge the department's positions regarding appeal issues may claim the costs or services and not be reimbursed therefor if they are identified and presented separately on the cost report.

(d) (1) When it is established that the provider fraudulently claimed and received payments under this chapter, the provider shall pay, in addition to that portion of the claim that was improperly claimed, a penalty of 300 percent of the amount improperly claimed, plus the cost of the audit.

(2) In addition to the penalty and costs specified by paragraph (1), interest shall be assessed at the rate specified by subdivision (h) of Section 14171.

(3) For purposes of this subdivision, a fraudulent claim is a claim upon which the provider has been convicted of fraud upon the Medi-Cal program.

(e) Nothing in this section shall prevent the imposition of any other civil or criminal penalties to which the provider may be liable.

(f) Any appeal to any action taken pursuant to subdivision (b), (c), or (d) is subject to the administrative appeals process provided by Section 14171.

(g) As used in this section, "cost of the audit" includes actual hourly wages, travel, and incidental expenses at rates allowable by rules adopted by the Department of General Services and applicable overhead costs that are incurred by employees of the state in administering this chapter with respect to the performance of audits.

(h) This section shall not apply to any clinic licensed pursuant to subdivision (a) of Section 1204 of the Health and Safety Code, clinics exempt from licensure under Section 1206 of the Health and Safety Code, health facilities licensed under Chapter 2 (commencing with Section 1250) of Division 2 of the Health and Safety Code, or to any provider that is operated by a city, county, or school district.

SEC. 285. Section 15634 of the Welfare and Institutions Code is amended to read:

15634. (a) No care custodian, clergy member, health practitioner, mandated reporter of suspected financial abuse of an elder or dependent adult, or employee of an adult protective services agency or a local law enforcement agency who reports a known or suspected instance of abuse of an elder or dependent adult shall be civilly or criminally liable for any report required or authorized by this article. Any other person reporting a known or suspected instance of abuse of an elder or dependent adult shall not incur civil or criminal liability as a result of any report authorized by this article, unless it can be proven that a false report was made and the person knew that the report was false. No person required to make a report pursuant to this article, or any person taking photographs at his or her discretion, shall incur any civil or

criminal liability for taking photographs of a suspected victim of abuse of an elder or dependent adult or causing photographs to be taken of such a suspected victim or for disseminating the photographs with the reports required by this article. However, this section shall not be construed to grant immunity from this liability with respect to any other use of the photographs.

(b) No care custodian, clergy member, health practitioner, mandated reporter of suspected financial abuse of an elder or dependent adult, or employee of an adult protective services agency or a local law enforcement agency who, pursuant to a request from an adult protective services agency or a local law enforcement agency investigating a report of known or suspected abuse of an elder or dependent adult, provides the requesting agency with access to the victim of a known or suspected instance of abuse of an elder or dependent adult, shall incur civil or criminal liability as a result of providing that access.

(c) The Legislature finds that, even though it has provided immunity from liability to persons required to report abuse of an elder or dependent adult, immunity does not eliminate the possibility that actions may be brought against those persons based upon required reports of abuse. In order to further limit the financial hardship that those persons may incur as a result of fulfilling their legal responsibilities, it is necessary that they not be unfairly burdened by legal fees incurred in defending those actions. Therefore, a care custodian, clergy member, health practitioner, or an employee of an adult protective services agency or a local law enforcement agency may present to the Department of General Services a claim for reasonable attorneys' fees incurred in any action against that person on the basis of making a report required or authorized by this article if the court has dismissed the action upon a demurrer or motion for summary judgment made by that person, or if he or she prevails in the action. The Department of General Services shall allow that claim if the requirements of this subdivision are met, and the claim shall be paid from an appropriation to be made for that purpose. Attorneys' fees awarded pursuant to this section shall not exceed an hourly rate greater than the rate charged by the Attorney General at the time the award is made and shall not exceed an aggregate amount of fifty thousand dollars ($50,000). This subdivision shall not apply if a public entity

has provided for the defense of the action pursuant to Section 995 of the Government Code.

SEC. 286. (b) It is further the intent of the Legislature that any state capitol building annex be designed as a working capitol for the public to effectively engage with their elected representatives and their state government.

(c) It is further the intent of the Legislature that the eastern façade of the historic state capitol building be restored as part of any project that includes demolition of the existing capitol building annex.

SEC. 287.
