This bill would add dance and theatre to the list of authorized subjects.

Existing law authorizes the Commission on Teacher Credentialing to authorize a person who holds a certain teaching credential and who has completed 20 semester hours of coursework or 10 semester hours of upper division or graduate coursework approved by the commission at an accredited institution in any subject commonly taught in grades 7 to 12, inclusive, other than the subject for which he or she is already certificated to teach, to have this subject appear on the credential as an authorization to teach this subject.

This bill would provide that a person issued a single subject teaching credential in physical education or English before the establishment of a single subject teaching credential in dance or theatre, respectively, is authorized to teach in dance or theatre, respectively.
