CHAPTER 780

An act to add Section 4041 to the Civil Code, relating to common interest developments.

[Approved by Governor September 28, 2016. Filed with
Secretary of State September 28, 2016.]

LEGISLATIVE COUNSEL'S DIGEST

SB 918, Vidak. Common interest developments.

Existing law, the Davis-Stirling Common Interest Development Act, defines and regulates common interest developments, which are managed by homeowners' associations.

This bill would require the owners of the separate interests in a common interest development to annually provide the association with specified written information for the purpose of receiving notices from the association.

The people of the State of California do enact as follows:

SECTION 1. Section 4041 is added to the Civil Code, to read:

4041. (a) An owner of a separate interest shall, on an annual basis, provide written notice to the association of all of the following:

(1) The address or addresses to which notices from the association are to be delivered.

(2) An alternate or secondary address to which notices from the association are to be delivered.

(3) The name and address of his or her legal representative, if any, including any person with power of attorney or other person who can be contacted in the event of the owner's extended absence from the separate interest.

(4) Whether the separate interest is owner-occupied, is rented out, if the parcel is developed but vacant, or if the parcel is undeveloped land.

(b) The association shall solicit these annual notices of each owner and, at least 30 days prior to making its own required disclosure under Section 5300, shall enter the data into its books and records.

(c) If an owner fails to provide the notices set forth in paragraphs (1) and (2) of subdivision (a), the property address shall be deemed to be the address to which notices are to be delivered.
