AMENDED IN SENATE MARCH 31, 2016

SENATE BILL

No. 947

Introduced by Senator Pan

February 3, 2016

An act to amend Section 11052.5 of the Welfare and Institutions Code, relating to public social services.

LEGISLATIVE COUNSEL'S DIGEST

SB 947, as amended, Pan. Public assistance: personal interviews.

Existing law provides for protection, care, and assistance for people of the state by providing appropriate aid and services to the needy and distressed. Programs established for this purpose include the California Work Opportunity and Responsibility to Kids program (CalWORKs), which provides cash assistance and other social services to needy families, using federal Temporary Assistance for Needy Families (TANF) block grant program, state, and county funds. Existing law prohibits an applicant from being granted public assistance under CalWORKs until he or she is personally interviewed by the county human services agency or state hospital staff. Existing law also requires the county department to verify if an applicant is incapable of acting on his or her own behalf by personal contact with the applicant before aid is authorized.

This bill would authorize the county human services agency to conduct this personal interview telephonically or through electronic means. The bill would require a county, if that county elects to conduct the personal

interview telephonically or through other electronic means, to conduct an in-person personal interview if requested by an applicant.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.
