

AMENDED IN SENATE APRIL 26, 2016
AMENDED IN SENATE MARCH 17, 2016

SENATE BILL

No. 951

Introduced by Senator McGuire

February 4, 2016

An act to amend Section 39719 of the Health and Safety Code, and to add and repeal Part 4 (commencing with Section 75240) of Division 44 of the Public Resources Code, relating to transportation, and making an appropriation therefor: *transportation*.

LEGISLATIVE COUNSEL'S DIGEST

SB 951, as amended, McGuire. Transportation: Golden State Patriot Passes Program.

~~Existing law requires all moneys, except for fines and penalties, collected by the State Air Resources Board from the auction or sale of allowances as part of a market-based compliance mechanism relative to reduction of greenhouse gas emissions to be deposited in the Greenhouse Gas Reduction Fund. Existing law continuously appropriates 10% of the annual proceeds of the fund to the Transit and Intereity Rail Capital Program and 5% of the annual proceeds of the fund to the Low Carbon Transit Operations Program.~~

Existing law creates various state transportation agencies, including the Department of Transportation, with specified powers and duties, including, but not limited to, coordinating and assisting, upon request of, the various public and private transportation entities to strengthen their development and operation of balanced integrated mass transportation, highway, aviation, maritime, railroad, and other transportation facilities and services in support of statewide and regional goals.

This bill would ~~appropriate \$3,000,000 annually until the 2020-21 fiscal year from the Greenhouse Gas Reduction Fund for the Golden State Patriot Passes Program, which the bill would create, create the Golden State Patriot Passes Program~~ to be administered by the Department of Transportation to provide veterans with free access to transit services. The bill would require the ~~department, in coordination with the State Air Resources Board,~~ department to develop guidelines that describe the methodologies that a participating transit operator would use to demonstrate that proposed expenditures would ~~reduce greenhouse gas emissions, increase veteran mobility,~~ mobility and fulfill specified requirements. The bill would require the department to select 3 transit operators to participate, and would require a transit operator selected to participate in the program to match any state moneys that it receives through the program with local moneys. The bill would require the participating transit operators and the department to report on the program. The bill would repeal the program on January 1, 2022.

Vote: majority. Appropriation: ~~yes~~-no. Fiscal committee: yes. State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. This act shall be known and may be cited as the
- 2 Golden State Patriot Passes Program.
- 3 ~~SEC. 2. Section 39719 of the Health and Safety Code is~~
- 4 ~~amended to read:~~
- 5 ~~39719. (a) The Legislature shall appropriate the annual~~
- 6 ~~proceeds of the fund for the purpose of reducing greenhouse gas~~
- 7 ~~emissions in this state in accordance with the requirements of~~
- 8 ~~Section 39712.~~
- 9 ~~(b) To carry out a portion of the requirements of subdivision~~
- 10 ~~(a), annual proceeds are continuously appropriated for the~~
- 11 ~~following:~~
- 12 ~~(1) Beginning in the 2015-16 fiscal year, and notwithstanding~~
- 13 ~~Section 13340 of the Government Code, 35 percent of annual~~

10 increase veteran mobility.

11 (b) The Department of Transportation shall administer the
12 program.

13 (c) Moneys appropriated by the Legislature for this part shall
14 be allocated by the Controller, upon a determination by the
15 Department of Transportation that the expenditures proposed by
16 a participating transit operator meet the requirements of this part
17 and guidelines developed pursuant to subdivision (d).

18 (d) (1) ~~The Department of Transportation, in coordination with~~
19 ~~the State Air Resources Board, Transportation~~ shall develop
20 guidelines that describe the methodologies that a participating
21 transit operator shall use to demonstrate that proposed expenditures
22 would ~~reduce greenhouse gas emissions, increase veteran mobility,~~
23 ~~mobility~~ and fulfill the requirements specified in subdivisions (e)
24 and (f).

25 (2) Chapter 3.5 (commencing with Section 11340) of Part 1 of
26 Division 3 of Title 2 of the Government Code does not apply to
27 the development of guidelines for the program pursuant to this
28 part.

29 (e) (1) By January 1, 2018, the Department of Transportation
30 shall select three transit operator applicants to receive moneys
31 through the pilot program.

32 (2) If there are sufficient applicants, all of the following
33 requirements shall apply to the selection of transit operator
34 applicants:

35 (A) The Department of Transportation shall not select a transit
36 operator applicant that, at that time, provides veterans with free
37 access to transit services in its service area.

38 (B) The Department of Transportation shall select applicants
39 that serve entirely different counties.

1 (C) The Department of Transportation shall select one applicant
2 that primarily serves an urban area, one applicant that primarily
3 serves a suburban area, and one applicant that primarily serves a
4 rural area. For purposes of this part, the department shall determine
5 which areas are urban, suburban, and rural, based on United States
6 Census data.

7 (3) Only a public agency, including, but not limited to, a transit
8 operator within a city or county or city and county, shall be eligible
9 to participate in any manner in the program.

10 (f) (1) A transit operator selected to participate in the program
11 shall match any state moneys that it receives through the program
12 with local moneys made available to it for purposes consistent
13 with the program.

14 (2) The participating transit operator primarily serving an urban
15 area shall not receive more than two million dollars (\$2,000,000)
16 in state moneys per fiscal year under the program.

17 (3) The participating transit operator primarily serving a
18 suburban area shall not receive more than nine hundred thousand
19 dollars (\$900,000) in state moneys per fiscal year under the
20 program.

21 (4) The participating transit operator primarily serving a rural
22 area shall not receive more than one hundred thousand dollars
23 (\$100,000) in state moneys per fiscal year under the program.

24 (g) In order to receive free access to the transit services offered
25 pursuant to this part, a veteran shall provide a veterans
26 identification card issued by a veterans service organization, or a
27 driver's license or identification card, identifying the holder as a
28 veteran and issued by the Department of Motor Vehicles pursuant
29 to paragraph (5) of subdivision (c) of Section 12811 of the Vehicle
30 Code.

31 ~~(h) In selecting applicants, the Department of Transportation~~
32 ~~shall ensure that benefits are provided by the pilot program to~~
33 ~~disadvantaged communities consistent with the requirements of~~
34 ~~Section 39713 of the Health and Safety Code.~~

35 75245. (a) Each participating transit operator shall prepare
36 and submit a report regarding the pilot program to the Department
37 of Transportation by February 1, 2021.

38 (b) The Department of Transportation shall prepare and submit
39 a report based on the reports of the participating transit operators
40 to the Legislature by August 1, 2021.

- 1 (c) The reports specified in subdivisions (a) and (b) shall include,
2 but not be limited to, a discussion of all of the following issues:
3 (1) Cost.
4 (2) Use of moneys.
5 ~~(3) Estimated reduction in greenhouse gas emissions.~~
6 ~~(4)~~
7 (3) Ridership.
8 75249. This part shall remain in effect only until January 1,
9 2022, and as of that date is repealed, unless a later enacted statute,
10 that is enacted before January 1, 2022, deletes or extends that date.
