An act to add Section 13012.7 to the Penal Code, relating to crime statistics.

LEGISLATIVE COUNSEL'S DIGEST

SB 1075, as introduced, Runner. Department of Justice: crime statistics reporting.

Existing law requires the Department of Justice to present a report to the Governor annually containing the statewide criminal statistics of the preceding year. Existing law also requires specified local agencies, including chiefs of police and sheriffs, to report statistical data to the department at the time and in the manner the department prescribes.

This bill would require that report to include statistics on child molestation, as defined, in the same format and within the same tables that report on the number, rate per 100,000 population, and percentage change in other violent crimes, including rape.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: no.
