SENATE BILL

No. 1132

Introduced by Senator Galgiani

February 18, 2016

An act to amend Section 5500 of, and to add Section 5500.2 to, *add and repeal Section 5500.2 of the Business and Professions Code*, relating to professions and vocations.

LEGISLATIVE COUNSEL'S DIGEST

SB 1132, as amended, Galgiani. Architects: architects-in-training.

The Architects Practice Act provides for licensing and regulation of persons engaged in the practice of architecture by the California Architects Board, which is within the Department of Consumer Affairs, and defines the term "architect" for those purposes. That act requires an applicant for licensure as an architect to, among other things, take an examination. Existing regulations require an applicant for licensure to take the Architect Registration Examination.

~~This bill would define the term "architect-in-training," for purposes of that act, as a person who has received board confirmation of eligibility for the Architect Registration Examination and is employed under the direct supervision of a licensed architect, and would authorize a person to use the title "architect-in-training" for purposes of employment in the state if he or she meets the definition of that term. authorize a person to use the title "architect-in training" while he or she is enrolled in the National Council of Architectural Registration Board's Architectural Experience Program, as specified. The bill would prohibit the use of an abbreviation or derivative of that title and would prohibit a person from using that title to independently offer or provide services to the public. The bill would authorize the board to disclose a person's~~

authorization to use that title to a member of the public upon request. The bill would provide that the use of that title in violation of these provision may constitute unprofessional conduct and subject the user of the title to administrative action, including, but not limited to, citation. The bill would repeal this provision on January 1, 2020.
