SENATE BILL

No. 1170

Introduced by Senator Wieckowski
(Coauthor: Senator Hill)
(Coauthor: Assembly Member Alejo)

February 18, 2016

An act to add Section 7107.5 to the Public Contract Code, relating to public contracts.

LEGISLATIVE COUNSEL'S DIGEST

SB 1170, as amended, Wieckowski. Public contracts: water pollution prevention plans: delegation.

Existing law prohibits a local public entity, charter city, or charter county from requiring a bidder on a public works contract to assume responsibility for the completeness and accuracy of architectural or engineering plans and specifications on public works projects, except as specified.

Existing law requires the State Water Resources Control Board and the 9 California regional water quality control boards to prescribe waste discharge requirements in accordance with the National Pollutant Discharge Elimination System (NPDES) permit program established by the federal Clean Water Act and the Porter-Cologne Water Quality Control Act. Existing law regulates the discharge of pollutants in stormwater associated with construction activity to waters of the United States from construction sites that disturbs one or more acres of land surface, or that is part of a common plan of development or sale that disturbs more than one acre of land surface.

This ~~bill~~ *bill, except as specified*, would prohibit a public entity, charter city, or charter county from delegating to a contractor the development of a plan, as defined, used to prevent or reduce water pollution or runoff on a public works ~~contract, except as provided.~~ *contract*. The bill would also prohibit a public entity, charter city, or charter county from requiring a contractor on a public works contract that includes compliance with a plan to assume responsibility for the completeness and accuracy of a plan developed by that entity. The bill would provide that these prohibitions do not apply to contracts that use specified procurement ~~methods.~~ *methods if the contractor or construction manager at risk is required by the bid or procurement documents to retain a plan developer for the project owners*. The bill would also declare that this is a matter of statewide concern. The bill would state that its provisions are declaratory of existing law, as specified.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that the Legislature finds there is no mandate contained in the bill that will result in costs incurred by a local agency or school district for a new program or higher level of service which require reimbursement pursuant to these constitutional and statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

2 2009-0009-DWQ.

3 (b) (1) (A) A public entity, charter city, or charter county shall
4 not delegate to a contractor the development of a plan on a public
5 works contract.

6 (B) *Subparagraph (A) shall not apply to any department or*
7 *agency of this state.*

10 architectural or engineering services relating to the development
11 of a plan on a public works contract.

21 except contracts that use the following statutorily authorized

34 or its plan developer. The review by the contractor shall be limited
35 to the contractor's capacity as a contractor and not as a licensed
36 design professional or plan developer.

37 SEC. 2. The Legislature finds and declares that it is of statewide
38 concern to require a public entity, charter city, or charter county
39 to be responsible for the development of, and completeness and

1 accuracy of, a plan to prevent or reduce water pollution or runoff
2 on a public works project.

3 SEC. 3. The addition of Section 7107.5 to the Public Contract

7 and Professions Code, Title 12 (commencing with Section 2772)
8 of Part 4 of Division 3 of the Civil Code, and Section 1104 of the

10 SEC. 4. The Legislature finds that there is no mandate
11 contained in this act that will result in costs incurred by a local
12 agency or school district for a new program or higher level of
13 service which require reimbursement pursuant to Section 6 of
14 Article XIII B of the California Constitution and Part 7
15 (commencing with Section 17500) of Division 4 of Title 2 of the
