SENATE BILL

No. 1190

Introduced by Senator Jackson
(Coauthor: Assembly Member Williams)

February 18, 2016

An act to amend Section 30324 of, and to add Section 30327.2 to, the Public Resources Code, relating to the California Coastal Commission.

LEGISLATIVE COUNSEL'S DIGEST

SB 1190, as amended, Jackson. California Coastal Commission: ex parte communications: staff communications.

The California Coastal Act of 1976, for purposes of the act, defines an "ex parte communication" as any oral or written communication between a member of the California Coastal Commission and an interested person, as defined, about a matter within the commission's jurisdiction, as defined, that does not occur in a public hearing, workshop, or other official proceeding or on the official record of the proceeding on the matter, but excludes from that definition certain communications, including communications between a staff member acting in his or her official capacity and any commission member or interested person, as prescribed. The act prohibits a commission member and an interested person from conducting an ex parte communication unless the member fully discloses and makes public the ex parte communication, as specified, and prohibits a commission member or alternate from making, participating in making, or in any other way

attempting to use his or her official position to influence a commission decision about which the member or alternate has knowingly had an ex parte communication that has not been reported.

This bill would require certain ex parte communications to be reported in writing, and included in the record of the applicable proceeding. The bill would prohibit a commission member or an interested person from *intentionally* conducting any ex parte communication concerning an adjudicative or enforcement proceeding before the ~~commission,~~ *commission* and would prohibit a commission member from voting on or otherwise participating in any commission proceeding to which one of these communications applies, even if the communication is reported.

This bill would also prohibit a commission member or alternate from attempting to use his or her official position to ~~influence commission staff or in any way alter~~ *place undue influence, as defined, on commission staff for the purpose of altering the contents or conclusions* of a commission staff report, analysis, or recommendation prior to a public hearing on that matter to which the report, analysis, or recommendation applies. The bill would forever disqualify a commission member or alternate who willfully violates that provision from holding ~~any office in this state.~~ *position at the commission.*

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:
