

AMENDED IN ASSEMBLY JUNE 1, 2016

AMENDED IN SENATE MAY 5, 2016

SENATE BILL

No. 1255

Introduced by Senator Moorlach

February 18, 2016

An act to amend Sections 771, 910, 914, and ~~4438~~ 4338 of, and to add Section 70 to, the Family Code, relating to family law.

LEGISLATIVE COUNSEL'S DIGEST

SB 1255, as amended, Moorlach. Dissolution of marriage: date of separation.

Existing law regulates the characterization and division of property upon the dissolution of marriage or the legal separation of the parties. Under existing law, debt incurred by a spouse after the date of separation is generally confirmed to that spouse. Existing law similarly provides that the earnings of a spouse are separate property if the spouse is living separate and apart from the other spouse.

Under existing case law, a spouse is required to be living in a separate residence in order to be considered living separate and apart from the other spouse for purposes of characterizing the earnings of the spouse.

This bill would define "date of separation" for purposes of the Family Code to mean the date that a complete and final break in the marital relationship has occurred, as evidenced by the spouse's expression of his or her intent to end the marriage and conduct that is consistent with that intent. The bill would direct a court to take into account all relevant evidence in determining the date of separation. ~~The bill would specify that its provisions apply to all cases filed on or after January 1, 2017. The bill would also make related, conforming changes.~~
