

AMENDED IN SENATE MARCH 29, 2016

SENATE BILL

No. 1385

Introduced by Senator Leyva

February 19, 2016

An act to ~~amend Section 85304 of the Education Code, relating to community colleges.~~ *add Section 8686.5 to the Government Code, relating to emergency assistance.*

LEGISLATIVE COUNSEL'S DIGEST

SB 1385, as amended, Leyva. ~~Community colleges: optional method for registering warrants.~~ *California Disaster Assistance Act: Inland Regional Center.*

The California Disaster Assistance Act generally provides that the state share for disaster project allocations to local agencies is no more than 75% of total state eligible costs, except for specified events for which the state share is up to 100% of state eligible costs.

This bill would add the December 2, 2015, shooting that occurred at the Inland Regional Center to the list of events for which the state share of state eligible cost is up to 100%, and would make findings and declarations as to the necessity of a special law.

~~When an order on community college district funds is received by the county superintendent of schools, and there is insufficient money in the fund or funds against which the order is drawn to pay the orders in full, existing law requires the order to be registered as a warrant on the county treasurer and transmitted to the governing board of the community college district, as specified. Existing law requires county auditors, within 10 days after the end of each month, to report to the superintendent of schools the amount of interest added to registered warrants and paid during the preceding month.~~

~~This bill would make a nonsubstantive change to that provision relating to reports by county auditors.~~

Vote: majority. Appropriation: no. Fiscal committee: ~~no~~-yes.
State-mandated local program: no.
