An act to add *and repeal* Article 4 (commencing with Section 18735) ~~to~~ of Chapter 3 of Part 10.2 of Division 2 of the Revenue and Taxation Code, relating to the Salton Sea.

LEGISLATIVE COUNSEL'S DIGEST

SB 1416, as amended, Stone. ~~Personal income taxes: voluntary~~ *Voluntary contribution: Revive the Salton Sea. Sea Fund.*

Existing law ~~allows~~ *authorizes* an individual taxpayer to contribute amounts in excess of his or her personal income tax liability for the support of specified funds. *Existing law also contains administrative provisions that are generally applicable to voluntary contributions.*

This bill would allow an individual to designate on his or her tax return that a specified amount in excess of his or her tax liability be transferred to the Revive the Salton Sea Fund, which would be created by this bill. The bill would ~~require the Franchise Tax Board to revise the tax return form to include a space for the designation of contributions to the fund~~ *prohibit a voluntary contribution designation for the Revive the Salton Sea Fund from being added on the tax return until another voluntary contribution designation is removed or a space is available and to include* would require, once the designation is added, specified ~~information~~, *information to be on the tax form*, including the purposes for which the contribution would be used.

This bill would require money contributed to the fund, upon appropriation by the Legislature, to be allocated to the Franchise Tax

Board and the Controller for reimbursement of costs, as provided, and to the ~~nonprofit corporation Revive the Salton Sea to fund or supplement~~ *Natural Resources Agency for distributions of grants to provide funds or supplement* funding of the state, ~~county, county and local agencies~~ *local agencies, nonprofit, and projects identified as necessary for the restoration and maintenance of the Salton Sea and to develop a mechanism to provide ongoing public awareness, as specified.*

*The bill would provide that these provisions would remain in effect only until January 1 of the 5th taxable year following the first appearance of the fund on the tax return, but would further provide for an earlier repeal if the Franchise Tax Board determines that the amount of contributions estimated to be received during a calendar year will not equal or exceed the minimum contribution amount, as defined, for that calendar year, in which case these provisions would be repealed on December 1 of that year.*

Vote: majority. Appropriation: no. Fiscal committee: yes.  
 State-mandated local program: no.

*The people of the State of California do enact as follows:*
