CHAPTER 802

An act relating to public contracts.

[Approved by Governor September 29, 2016. Filed with
Secretary of State September 29, 2016.]

LEGISLATIVE COUNSEL'S DIGEST

SB 1465, De León. Public contracts: 2024 Olympic Games and Paralympic Games.

Existing law provides specified requirements in awarding certain public contracts.

This bill would authorize the Governor to execute games support contracts, not to exceed a specified amount, in connection with the site selection process for the City of Los Angeles to become the host for the 2024 Olympic Games and Paralympic Games, that accept financial liability to provide the state security for amounts owed by the Organizing Committee for the Olympic Games (OCOG), as specified, and for any financial deficit accruing to the OCOG as a result of the hosting of the games by the endorsing municipality, as defined.

This bill would make legislative findings and declarations that, among other things, the endorsing municipality has developed a self-sufficient bid for financing the games.

The people of the State of California do enact as follows:

SECTION 1. This act is known, and may be cited, as the 2024 Olympic Games and Paralympic Games Act.

SEC. 3. The Legislature finds and declares all of the following:

(a) The purpose of this act is to provide assurances required by a site selection organization that will select a city to host the games.

(b) Hosting the games in California is expected to generate billions of dollars for the state's economy. The OCOG, on behalf of the endorsing municipality, has developed a self-sufficient bid and plan for financing the games that is based on realistic and conservative revenue scenarios and has budgeted sufficient funds to reimburse local and regional governments for services provided during the games.

(c) The endorsing municipality plans to host a sustainable and environmentally responsible games, has committed to sports and recreational opportunities for young people throughout each area by planning to generate a legacy for youth programs and other sports purposes in this state with excess revenues from the games, and plans to develop and implement a unique and broad-based, cultural program.

(d) The endorsing municipality will involve athletes, sports professionals, environmentalists, business and financial experts, nonprofit organizations, youth service leaders, and individuals who represent the entire diversity of the endorsing municipality's state in its bid.

(e) The endorsing municipality expects that if it is chosen as the host city, and once the games have concluded, there will be net revenue exceeding expenses that can be devoted to legacy programs for youth and citizens of California.

SEC. 4. (a) The Governor may execute games support contracts on behalf of the state that, in accordance with law and subject to the requirements and limitations set forth in Sections 5, 6, and 7 of this act, accept financial liability, funded solely by means of the funding mechanism established by Sections 5, 6, and 7 of this act, and in an aggregate amount that under no circumstance shall exceed two hundred fifty million dollars (\$250,000,000), to provide the state security for the following:

It is the intent of the Legislature that the funding mechanism for the fund shall be determined on or about the time of the selection of the endorsing municipality as the host city by the site selection organizations.

(c) The funds in the trust fund may be used only for the sole purpose of fulfilling the obligations of the state under a games support contract to provide the state security. Notwithstanding any other law, the Controller may use the funds in the trust fund for cashflow loans to the General Fund as provided in Sections 16310 and 16381 of the Government Code.

(d) No additional state funds shall be deposited into the Olympic Games Trust Fund once the Director of Finance determines that the account has achieved, or is reasonably expected to otherwise accrue, the balance necessary to provide the state security pursuant to a games support contract.

(e) If the endorsing municipality is selected by the site selection organization as the host city for the games, the Olympic Games Trust Fund shall be maintained until the Director of Finance makes a determination that the state’s obligation to provide the state security under a games support contract has been satisfied and concluded, at which time the trust fund shall be terminated.

(f) If the endorsing municipality in the State of California is not selected by the site selection organization as the host city for the games, the Olympic Games Trust Fund shall be immediately terminated.

(g) Upon the termination of the Olympic Games Trust Fund, all sums earmarked, transferred, or contained in the fund, along with any investment earnings retained in the fund, shall immediately revert to the General Fund.

SEC. 6. (a) Any moneys deposited, transferred, or otherwise contained in the Olympic Games Trust Fund established in Section 5 shall be, upon appropriation by the Legislature, used for the sole purpose of providing the state security under a games support contract. The state security may be provided by moneys contained in the trust fund established in Section 5 of this act, or by insurance coverage, letters of credit, or other secured instruments purchased or secured by the moneys, or by any combination thereof as specified in a games support contract. In no event may the liability of the state under all games support contracts, any other agreements related to the conduct of the games, and all financial obligations of the state otherwise arising under this act, exceed two hundred fifty million dollars (\$250,000,000) in the aggregate.
