CHAPTER 59

An act to amend Sections 290.06, 290.46, 830.3, 1203.10, 1203e, 1328, 1424.5, and 13823.11 of the Penal Code, to amend Section 40800 of the Vehicle Code, and to repeal Section 882 of the Welfare and Institutions Code, relating to public safety.

[Approved by Governor July 1, 2016. Filed with Secretary
of State July 1, 2016.]

LEGISLATIVE COUNSEL'S DIGEST

SB 1474, Committee on Public Safety. Public Safety Omnibus.

(1) Existing law requires that persons required to register as sex offenders be subject to assessment by the State-Authorized Risk Assessment Tool for Sex Offenders (SARATSO), as specified. Existing law requires the Department of Corrections and Rehabilitation and the State Department of State Hospitals to perform a risk assessment of every eligible person under their jurisdiction, as specified, requires those departments to send the scores obtained in accordance with those provisions to the Department of Justice Sex Offender Tracking Program not later than 30 days after the date of the assessment, and requires that the risk assessment score of an offender be made part of his or her file maintained by the Department of Justice Sex Offender Tracking Program as soon as possible without financial impact.

Existing law requires the State Department of State Hospitals to provide to the Department of Justice Sex Offender Tracking Program the names of all persons committed to its custody pursuant to specified provisions of law within 30 days of commitment, and requires that department to provide the names of all of those persons released from its custody within 5 working days of release.

Existing law requires the probation department to compile and include in the probation officer's report a Facts of Offense Sheet for every person convicted of an offense that requires him or her to register as a sex offender, as specified. Existing law requires the probation officer to send a copy of the Facts of Offense Sheet to the Department of Justice High Risk Sex Offender Program within 30 days of the person's sex offense conviction, and requires that the Facts of Offense Sheet be made part of the registered sex offender's file maintained by the Sex Offender Tracking Program.

This bill would delete the references to the Department of Justice Sex Offender Tracking Program and the Department of Justice High Risk Sex Offender Program from the provisions described above, and would instead include references to the Department of Justice in those provisions.

(2) Existing law provides that certain persons are peace officers whose authority extends to any place in the state for the purpose of performing

their primary duty or when making an arrest, as specified, including, among others, the Chief of the Bureau of Fraudulent Claims of the Department of Insurance and those investigators designated by the chief.

This bill would delete the reference to the chief and those investigators designated by him or her and would instead specify that the Deputy Commissioner, Enforcement Branch of, or the Fraud Division Chief of, the Department of Insurance and those investigators designated by the deputy or the chief, are peace officers, as specified.

(3) Existing law authorizes probation, which is a period of time when a defendant is released from incarceration and is subject to specified conditions and supervision by county probation authorities. Existing law requires the probation officer, at the time of the plea or verdict of guilty of a person over 18 years of age, to make a report to the court, as specified, recommending for or against the person's release on probation. Existing law requires the probation officer, if the person is released on probation, to keep a complete and accurate record of the supervision of the person, as specified. Existing law makes this record part of the court records and requires it to be open to inspection by the court or any person appointed by the court. Existing law requires the probation officer's record to be paid for out of the county treasury.

This bill would expand access to the probation officer's record to anyone allowed access by order of the court, or other probation agencies. The bill would delete the requirement that the probation officer's record be paid for out of the county treasury. The bill would make additional conforming changes.

(4) Existing law authorizes, in those counties where the local agencies have consented with the marshal's office or the sheriff's office to participate, a criminal subpoena requiring a peace officer as a witness to be served by sending a copy by electronic means to the peace officer's immediate superior or an agent designated by the immediate superior to receive the service. Existing law requires the peace officer's immediate superior or the designated agent to acknowledge receipt of the subpoena by telephone or electronic means if service is made by electronic means.

This bill would also authorize a criminal subpoena to be served by electronic means in counties that have consented to participate with the district attorney's office and would allow electronic service to be made by sending a copy to the peace officer personally. The bill would also permit the peace officer to acknowledge receipt of the subpoena if service is made by electronic means.

(5) Existing law authorizes a court, upon receiving information that a prosecuting attorney may have deliberately and intentionally withheld relevant or material exculpatory evidence or information in violation of law, to make a finding, supported by clear and convincing evidence that a violation occurred.

This bill would instead authorize a court to make that finding upon receiving information that a prosecuting attorney deliberately and

intentionally withheld relevant, material exculpatory evidence or information in violation of law.

(6) Existing law requires that each victim of sexual assault who consents to an examination for the collection of evidence shall have collected, except where he or she specifically objects, among other things, swabs and slides from specified locations to determine the presence or absence of sperm and sperm motility, and for genetic marker typing. Existing law also requires that those victims of sexual assault, except when he or she specifically objects, have reference specimens collected, including, for example, pubic and head hair, blood, and saliva for genetic marker testing.

This bill would instead specify that the swabs and slides would be taken to determine the presence or absence of semen and that reference specimens include, for example, pubic and head hair, blood, and saliva for DNA comparison and analysis. The bill would also authorize reference specimens to be collected at a later time.

(7) Existing law requires a traffic officer on duty for the exclusive or main purpose of enforcing specified provisions of the Vehicle Code relating to accidents and accident reports and rules of the road to wear a full distinctive uniform, and if the officer uses a motor vehicle while on duty, requires the vehicle to be painted a distinctive color specified by the Commissioner of the California Highway Patrol.

This bill would delete the requirement that the motor vehicle be painted, but would continue to require the vehicle be a distinctive color.

(8) Existing law requires that juvenile ranches, camps, or forestry camps be under the charge of a superintendent or director, authorizes those facilities to be established in conjunction with the probation department, or in any manner determined by the county board of supervisors, and requires the superintendent or director and other persons employed at those facilities to be appointed by the probation officer, subject to confirmation by the board of supervisors, of the county establishing the facilities.

This bill would repeal those provisions.

The people of the State of California do enact as follows:

SECTION 1. Section 290.06 of the Penal Code is amended to read:

290.06. The static SARATSO, as set forth in Section 290.04, shall be administered as follows:

(a) (1) The Department of Corrections and Rehabilitation shall assess every eligible person who is incarcerated in state prison. Whenever possible, the assessment shall take place at least four months, but no sooner than 10 months, prior to release from incarceration.

(2) The department shall assess every eligible person who is on parole if the person was not assessed prior to release from state prison. Whenever possible, the assessment shall take place at least four months, but no sooner than 10 months, prior to termination of parole. The department shall record in a database the risk assessment scores of persons assessed pursuant to this

paragraph and paragraph (1), and any risk assessment score that was submitted to the department by a probation officer pursuant to Section 1203.

(3) The department shall assess every person on parole transferred from any other state or by the federal government to this state who has been, or is hereafter convicted in any other court, including any state, federal, or military court, of any offense that, if committed or attempted in this state, would have been punishable as one or more of the offenses described in subdivision (c) of Section 290. The assessment required by this paragraph shall occur no later than 60 days after a determination by the Department of Justice that the person is required to register as a sex offender in California pursuant to Section 290.005.

(4) The State Department of State Hospitals shall assess every eligible person who is committed to that department. Whenever possible, the assessment shall take place at least four months, but no sooner than 10 months, prior to release from commitment. The State Department of State Hospitals shall record in a database the risk assessment scores of persons assessed pursuant to this paragraph and any risk assessment score that was submitted to the department by a probation officer pursuant to Section 1203.

(5) Commencing January 1, 2010, the Department of Corrections and Rehabilitation and the State Department of State Hospitals shall send the scores obtained in accordance with paragraphs (2), (3), and (4) to the Department of Justice not later than 30 days after the date of the assessment. The risk assessment score of an offender shall be made part of his or her file maintained by the Department of Justice as soon as possible without financial impact, but no later than January 1, 2012.

(6) Each probation department shall, prior to sentencing, assess every eligible person as defined in subdivision (c), whether or not a report is prepared pursuant to Section 1203.

(7) Each probation department shall assess every eligible person under its supervision who was not assessed pursuant to paragraph (6). The assessment shall take place prior to the termination of probation, but no later than January 1, 2010.

(b) Eligible persons not assessed pursuant to subdivision (a) may be assessed as follows:

(1) Upon request of the law enforcement agency in the jurisdiction in which the person is registered pursuant to Sections 290 to 290.023, inclusive, the person shall be assessed. The law enforcement agency may enter into a memorandum of understanding with a probation department to perform the assessment. In the alternative, the law enforcement agency may arrange to have personnel trained to perform the risk assessment in accordance with subdivision (d) of Section 290.05.

(2) Eligible persons not assessed pursuant to subdivision (a) may request that a risk assessment be performed. A request form shall be available at registering law enforcement agencies. The person requesting the assessment shall pay a fee for the assessment that shall be sufficient to cover the cost of the assessment. The risk assessment so requested shall be performed either by the probation department, if a memorandum of understanding is

established between the law enforcement agency and the probation department, or by personnel who have been trained to perform risk assessment in accordance with subdivision (d) of Section 290.05.

(c) For purposes of this section, “eligible person” means a person who was convicted of an offense that requires him or her to register as a sex offender pursuant to the Sex Offender Registration Act and who is eligible for assessment, pursuant to the official Coding Rules designated for use with the risk assessment instrument by the author of any risk assessment instrument (SARATSO) selected by the SARATSO Review Committee.

(d) Persons authorized to perform risk assessments pursuant to this section, Section 1203, and Section 706 of the Welfare and Institutions Code shall be immune from liability for good faith conduct under this act.

However, no year of conviction shall be made available to the public unless the department also is able to make available the corresponding year of release of incarceration for that offense, and the required notation regarding any subsequent felony.

(B) (i) Any state facility that releases from incarceration a person who was incarcerated because of a crime for which he or she is required to register as a sex offender pursuant to Section 290 shall, within 30 days of release, provide the year of release for his or her most recent offense requiring registration to the Department of Justice in a manner and format approved by the department.

(J) Section 647.6.

(K) Section 653c.

(L) Any person required to register pursuant to Section 290 based upon an out-of-state conviction, unless that person is excluded from the Internet Web site pursuant to subdivision (e). However, if the Department of Justice has determined that the out-of-state crime, if committed or attempted in this state, would have been punishable in this state as a crime described in subdivision (c) of Section 290, the person shall be placed on the Internet Web site as provided in subdivision (b) or (c), as applicable to the crime.

(e) (1) If a person has been convicted of the commission or the attempted commission of any of the offenses listed in this subdivision, and he or she has been convicted of no other offense listed in subdivision (b), (c), or (d) other than those listed in this subdivision, that person may file an application with the Department of Justice, on a form approved by the department, for exclusion from the Internet Web site. If the department determines that the person meets the requirements of this subdivision, the department shall grant the exclusion and no information concerning the person shall be made available via the Internet Web site described in this section. He or she bears the burden of proving the facts that make him or her eligible for exclusion from the Internet Web site. However, a person who has filed for or been granted an exclusion from the Internet Web site is not relieved of his or her duty to register as a sex offender pursuant to Section 290 nor from any otherwise applicable provision of law.

(2) This subdivision shall apply to the following offenses:

(A) A felony violation of subdivision (a) of Section 243.4.

(B) Section 647.6, if the offense is a misdemeanor.

(C) A felony violation of Section 311.1, subdivision (b), (c), or (d) of Section 311.2, or Section 311.3, 311.4, 311.10, or 311.11 if the person submits to the department a certified copy of a probation report filed in court that clearly states that all victims involved in the commission of the

offense were at least 16 years of age or older at the time of the commission of the offense.

(D) (i) An offense for which the offender successfully completed probation, provided that the offender submits to the department a certified copy of a probation report, presentencing report, report prepared pursuant to Section 288.1, or other official court document that clearly demonstrates that the offender was the victim's parent, stepparent, sibling, or grandparent and that the crime did not involve either oral copulation or penetration of the vagina or rectum of either the victim or the offender by the penis of the other or by any foreign object.

(ii) An offense for which the offender is on probation at the time of his or her application, provided that the offender submits to the department a certified copy of a probation report, presentencing report, report prepared pursuant to Section 288.1, or other official court document that clearly demonstrates that the offender was the victim's parent, stepparent, sibling, or grandparent and that the crime did not involve either oral copulation or penetration of the vagina or rectum of either the victim or the offender by the penis of the other or by any foreign object.

(iii) If, subsequent to his or her application, the offender commits a violation of probation resulting in his or her incarceration in county jail or state prison, his or her exclusion, or application for exclusion, from the Internet Web site shall be terminated.

(iv) For the purposes of this subparagraph, "successfully completed probation" means that during the period of probation the offender neither received additional county jail or state prison time for a violation of probation nor was convicted of another offense resulting in a sentence to county jail or state prison.

(3) If the department determines that a person who was granted an exclusion under a former version of this subdivision would not qualify for an exclusion under the current version of this subdivision, the department shall rescind the exclusion, make a reasonable effort to provide notification to the person that the exclusion has been rescinded, and, no sooner than 30 days after notification is attempted, make information about the offender available to the public on the Internet Web site as provided in this section.

(4) Effective January 1, 2012, no person shall be excluded pursuant to this subdivision unless the offender has submitted to the department documentation sufficient for the department to determine that he or she has a SARATSO risk level of low or moderate-low.

(f) The Department of Justice shall make a reasonable effort to provide notification to persons who have been convicted of the commission or attempted commission of an offense specified in subdivision (b), (c), or (d), that on or before July 1, 2005, the department is required to make information about specified sex offenders available to the public via an Internet Web site as specified in this section. The Department of Justice shall also make a reasonable effort to provide notice that some offenders are eligible to apply for exclusion from the Internet Web site.

(g) (1) A designated law enforcement entity, as defined in subdivision (f) of Section 290.45, may make available information concerning persons who are required to register pursuant to Section 290 to the public via an Internet Web site as specified in paragraph (2).

(2) The law enforcement entity may make available by way of an Internet Web site the information described in subdivision (c) if it determines that the public disclosure of the information about a specific offender by way of the entity's Internet Web site is necessary to ensure the public safety based upon information available to the entity concerning that specific offender.

(3) The information that may be provided pursuant to this subdivision may include the information specified in subdivision (b) of Section 290.45. However, that offender's address may not be disclosed unless he or she is a person whose address is on the Department of Justice's Internet Web site pursuant to subdivision (b) or (c).

(h) For purposes of this section, "offense" includes the statutory predecessors of that offense, or any offense committed in another jurisdiction that, if committed or attempted to be committed in this state, would have been punishable in this state as an offense listed in subdivision (c) of Section 290.

(i) Notwithstanding Section 6254.5 of the Government Code, disclosure of information pursuant to this section is not a waiver of exemptions under Chapter 3.5 (commencing with Section 6250) of Title 1 of Division 7 of the Government Code and does not affect other statutory restrictions on disclosure in other situations.

(j) (1) Any person who uses information disclosed pursuant to this section to commit a misdemeanor shall be subject to, in addition to any other penalty or fine imposed, a fine of not less than ten thousand dollars (\$10,000) and not more than fifty thousand dollars (\$50,000).

(2) Any person who uses information disclosed pursuant to this section to commit a felony shall be punished, in addition and consecutive to any other punishment, by a five-year term of imprisonment pursuant to subdivision (h) of Section 1170.

(k) Any person who is required to register pursuant to Section 290 who enters an Internet Web site established pursuant to this section shall be punished by a fine not exceeding one thousand dollars (\$1,000), imprisonment in a county jail for a period not to exceed six months, or by both that fine and imprisonment.

(l) (1) A person is authorized to use information disclosed pursuant to this section only to protect a person at risk.

(2) Except as authorized under paragraph (1) or any other provision of law, use of any information that is disclosed pursuant to this section for purposes relating to any of the following is prohibited:

- (A) Health insurance.
- (B) Insurance.
- (C) Loans.
- (D) Credit.

(E) Employment.

(F) Education, scholarships, or fellowships.

(G) Housing or accommodations.

(H) Benefits, privileges, or services provided by any business establishment.

(3) This section shall not affect authorized access to, or use of, information pursuant to, among other provisions, Sections 11105 and 11105.3, Section 8808 of the Family Code, Sections 777.5 and 14409.2 of the Financial Code, Sections 1522.01 and 1596.871 of the Health and Safety Code, and Section 432.7 of the Labor Code.

(4) (A) Any use of information disclosed pursuant to this section for purposes other than those provided by paragraph (1) or in violation of paragraph (2) shall make the user liable for the actual damages, and any amount that may be determined by a jury or a court sitting without a jury, not exceeding three times the amount of actual damage, and not less than two hundred fifty dollars (\$250), and attorney's fees, exemplary damages, or a civil penalty not exceeding twenty-five thousand dollars (\$25,000).

(B) Whenever there is reasonable cause to believe that any person or group of persons is engaged in a pattern or practice of misuse of the information available via an Internet Web site established pursuant to this section in violation of paragraph (2), the Attorney General, any district attorney, or city attorney, or any person aggrieved by the misuse is authorized to bring a civil action in the appropriate court requesting preventive relief, including an application for a permanent or temporary injunction, restraining order, or other order against the person or group of persons responsible for the pattern or practice of misuse. The foregoing remedies shall be independent of any other remedies or procedures that may be available to an aggrieved party under other provisions of law, including Part 2 (commencing with Section 43) of Division 1 of the Civil Code.

(m) The public notification provisions of this section are applicable to every person described in this section, without regard to when his or her crimes were committed or his or her duty to register pursuant to Section 290 arose, and to every offense described in this section, regardless of when it was committed.

(n) A designated law enforcement entity and its employees shall be immune from liability for good faith conduct under this section.

(o) The Attorney General, in collaboration with local law enforcement and others knowledgeable about sex offenders, shall develop strategies to assist members of the public in understanding and using publicly available information about registered sex offenders to further public safety. These strategies may include, but are not limited to, a hotline for community inquiries, neighborhood and business guidelines for how to respond to information posted on this Internet Web site, and any other resource that promotes public education about these offenders.

The service is made by delivering a copy of the subpoena to the witness personally.

(b) (1) If service is to be made on a minor, service shall be made on the minor's parent, guardian, conservator, or similar fiduciary, or if one of them cannot be located with reasonable diligence, then service shall be made on any person having the care or control of the minor or with whom the minor resides or by whom the minor is employed, unless the parent, guardian, conservator, or fiduciary or other specified person is the defendant, and on the minor if the minor is 12 years of age or older. The person served shall have the obligation of producing the minor at the time and place designated in the subpoena. A willful failure to produce the minor is punishable as a contempt pursuant to Section 1218 of the Code of Civil Procedure. The person served shall be allowed the fees and expenses that are provided for subpoenaed witnesses.

(2) If the minor is alleged to come within the description of Section 300, 601, or 602 of the Welfare and Institutions Code, and the minor is not residing with a parent or guardian, regardless of the age of the minor, service shall also be made upon the designated agent for service of process at the county child welfare department or the probation department under whose jurisdiction the child has been placed.

If the service is made by electronic means, the peace officer named in the subpoena, or his or her immediate superior or agency designated by his or her immediate superior shall acknowledge receipt of the subpoena by telephone or electronic means to the sender of origin. If

service is made upon the immediate superior or agent designated by the immediate superior, the immediate superior or the agent shall deliver a copy of the subpoena to the peace officer as soon as possible and in no event later than a time which will enable the peace officer to comply with the subpoena.

(e) If the immediate superior or his or her agent is tendered service of a subpoena less than five working days prior to the date of hearing, and he or she is not reasonably certain he or she can complete the service, he or she may refuse acceptance.

The server, so notified, is therewith responsible for preparing the written return of service and for notifying the originator of the subpoena if required.

(g) Notwithstanding subdivision (c), in the case of peace officers employed by the California Highway Patrol, if service is made upon the immediate superior or upon an agent designated by the immediate superior of the peace officer, the immediate superior or the agent shall deliver a copy of the subpoena to the peace officer on the officer's first workday following acceptance of service of process. In this case, failure of the immediate superior or the designated agent to deliver the subpoena shall not constitute a defect in service.

1424.5. (a) (1) Upon receiving information that a prosecuting attorney may have deliberately and intentionally withheld relevant, material exculpatory evidence or information in violation of law, a court may make a finding, supported by clear and convincing evidence, that a violation occurred. If the court finds such a violation, the court shall inform the State Bar of California of that violation if the prosecuting attorney acted in bad faith and the impact of the withholding contributed to a guilty verdict, guilty or nolo contendere plea, or, if identified before conclusion of trial, seriously limited the ability of a defendant to present a defense.

(2) A court may hold a hearing to consider whether a violation occurred pursuant to paragraph (1).

(b) (1) If a court finds, pursuant to subdivision (a), that a violation occurred in bad faith, the court may disqualify an individual prosecuting attorney from a case.

(c) This section does not limit the authority or discretion of, or any requirement placed upon, the court or other individuals to make reports to the State Bar of California regarding the same conduct, or otherwise limit other available legal authority, requirements, remedies, or actions.
