

Assembly Bill No. 444

CHAPTER 637

An act to add Section 84752 to the Education Code, relating to postsecondary education, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 19, 1996. Filed
with Secretary of State September 19, 1996.]

LEGISLATIVE COUNSEL'S DIGEST

AB 444, Archie-Hudson. Postsecondary education: community colleges.

Existing law provides for the California Community Colleges and specifies the duties and responsibilities of the Board of Governors and the Chancellor of the California Community Colleges.

Existing law prescribes a method of calculating each community college district's revenue level for each fiscal year. Funding for credit and noncredit instruction is based generally on a formula based on the number of full-time equivalent students.

This bill would prohibit community college districts from receiving full-time equivalent student (FTES) funding for activities that are fully funded through another source. The bill would require the Board of Governors of the California Community Colleges to adopt regulations to implement this provision.

The bill would also require the State Auditor to report to the Legislature by January 1, 2000, on the status of each community college district's compliance with the requirements of the bill.

This bill would declare that it is to take effect immediately as an urgency statute.

The people of the State of California do enact as follows:

SECTION 1. Section 84752 is added to the Education Code, to read:

84752. (a) No community college district shall receive full-time equivalent student (FTES) funding for activities that are fully funded through another source. The Board of Governors of the California Community Colleges shall adopt regulations to implement this subdivision.

(b) The State Auditor shall report to the Legislature by January 1, 2000, on the status of each community college district's compliance with this section.

SEC. 2. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning

of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to terminate, at the earliest possible time, duplicate full-time equivalent student (FTES) funding for activities that are funded through another source, it is necessary that this act take effect immediately.

O
