

AMENDED IN ASSEMBLY MAY 15, 1995

CALIFORNIA LEGISLATURE—1995–96 REGULAR SESSION

ASSEMBLY BILL

No. 1496

Introduced by Assembly Member Valerie Brown

February 24, 1995

An act to amend Section 12027.1 of the Penal Code, relating to peace officers.

LEGISLATIVE COUNSEL'S DIGEST

AB 1496, as amended, V. Brown. Peace officers: disability: retirement.

Existing law provides that the identification certificate or endorsement issued to peace officers authorizing the officers to carry a concealed and loaded firearm is also applicable to honorably retired peace officers who during the course and scope of their employment as peace officers were authorized to, and did, carry firearms. However, no peace officer who is retired after January 1, 1989, because of a psychological disability may be issued an endorsement to carry a concealed and loaded firearm pursuant to this provision.

This bill would specify that, *for purposes of that provision*, retirement for psychological disability is established for purposes of this provision when a physician has provided a written opinion that the retiring peace officer is or may be a danger to himself, herself, or others if permitted to carry a concealed and loaded firearm.

Vote: majority. Appropriation: no. Fiscal committee: no. State-mandated local program: no.

The people of the State of California do enact as follows:
