CHAPTER 1085

An act to add Section 54981.7 to the Government Code, relating to public safety services.

[Approved by Governor September 29, 1996. Filed with Secretary of State September 30, 1996.]

LEGISLATIVE COUNSEL'S DIGEST

AB 1762, Goldsmith. Indian lands: public safety services.

Existing law permits the legislative body of any local agency to contract with any other local agency for the performance by the latter of municipal services or functions within the territory of the former.

This bill would authorize a city or county to enter into a contract with an Indian tribe for the city or county to provide fire protection services and police or sheriff protection services for the Indian tribe either solely on Indian lands, or on the Indian lands and territory adjacent to those lands.

The people of the State of California do enact as follows:

SECTION 1. Section 54981.7 is added to the Government Code, to read:

54981.7. A city or county may enter into a contract with an Indian tribe for the city or county to provide fire protection services and police or sheriff protection services for the Indian tribe either solely on Indian lands, or on the Indian lands and territory adjacent to those Indian lands. Nothing in this section shall be construed to alter or affect federal Public Law 280, relating to state jurisdiction in Indian lands.
