CALIFORNIA LEGISLATURE—1995-96 REGULAR SESSION

ASSEMBLY BILL

No. 2153

Introduced by Assembly Member Kuehl

February 6, 1996

An act to add Section 1417.8 to the Penal Code, relating to criminal procedure.

LEGISLATIVE COUNSEL'S DIGEST

AB 2153, as amended, Kuehl. Harmful matter: photographs of minors.

Existing law requires the clerk of the court to retain all exhibits that have been introduced or filed in a criminal proceeding and to establish a procedure to account for the exhibits properly until the final determination of the proceeding.

Existing law also defines harmful matter as matter which, taken as a whole, to the average person, applying contemporary statewide standards, appeals to the prurient interest, and which, taken as a whole, depicts or describes in a patently offensive way sexual conduct and lacks serious literary, artistic, political, or scientific value for minors.

This bill would provide that a photograph of a minor that is harmful matter introduced or filed as an exhibit in specified criminal proceedings shall be available only to the parties or

to a person named in a court order to receive it prior to the final determination of the proceeding. The bill would provide that after the final determination of the proceeding, the photograph shall be preserved with the permanent record maintained by the court, that no person shall have access to the photograph without a court order, and that any copy, negative, reprint, or other duplication of the photograph shall be delivered to the clerk for disposal. By increasing the duties of court personnel, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement, including the creation of a State Mandates Claims Fund to pay the costs of mandates that do not exceed \$1,000,000 statewide and other procedures for claims whose statewide costs exceed \$1,000,000.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: yes.

The people of the State of California do enact as follows:
