An act to amend Section 23175 of, and to add Section 23175.5 to, the Vehicle Code, relating to vehicles.

LEGISLATIVE COUNSEL'S DIGEST

AB 130, as amended, Battin. Vehicles: driving under the influence: penalties.

(1) Existing law requires that any person convicted of a violation of a specified provision prohibiting driving under the influence of alcohol or drugs, or both alcohol and drugs, driving with an excessive blood-alcohol concentration, or driving when addicted to any drug be punished by imprisonment in the state prison, or by a specified term in the county jail, and by a specified fine, if the offense occurred within 7 years of 3 or more convictions of separate violations of specified provisions prohibiting driving under the described influence. Existing law also requires that the person's driving privilege ~~by~~ *be* revoked by the Department of Motor Vehicles and that the person be designated an habitual traffic offender, as specified.

This bill would require that any person convicted of a violation of the specified driving-under-the-influence provision under the described situation be punished exclusively by imprisonment in the state prison . This bill would additionally provide that a person is guilty of a felony if the described offense of driving-under-the-influence occurred within 10 years of specified prior offenses that were either punished or punishable as felonies, as specified.

Because the bill would make certain violations punishable exclusively as felonies and would require prosecutors to prove prior convictions, it would impose a state-mandated local program.

(2) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: yes.

*The people of the State of California do enact as follows:*
